

DELHI PUBLIC SCHOOL DWARKA

presents

SPECTRUM - MELANGE

ANNUAL FEST 2024

Dear Principal

We, at DPS Dwarka, are proud to announce that we are organising SPECTRUM — MELANGE, The Annual Fest 2024 on Saturday, 17 August 2024. Around 65 innovative and interesting events have been planned for the students to cater to diverse skills and provide a unique platform to exhibit their skills.

This event aims to foster camaraderie, showcase talent, and promote healthy competition among our students. We offer students an opportunity to showcase their talent and creativity in various fields, be it academics, sports and arts. This recognition will boost their confidence and motivate them to hone their skills further. We are confident that every participant will find their forte and make a mark. We cordially invite the students of your school to participate in this mega event. To confirm your school's participation, kindly fill in the online Registration Form by visiting the links provided along with each event details.

Kindly find attached the detailed event schedule, rules and regulations, and the links for registration. Please submit the completed registration forms latest by Friday, 26 July 2024.

Let's cultivate an atmosphere of creativity, learning and growth.

Looking forward to enthusiastic participation by the students of your school.

With regards

Yours sincerely

Principal

ANNUAL FEST 2024 17 August 2024

GENERAL GUIDELINES

- Participating schools must register separately for each club.
- The registration link is available at the end of the invitation of each club
- Schools must confirm their participation by filling in the Google Registration Form latest by Saturday, 20 July, 2024.

- 6. Entries received after the date of submission will not be considered for judgement.
- 7. The host school will retain all entries.

JUDGEMENT CRITERIA:

- 1) Creativity
- 2) Aesthetic Appeal
- 3) Thematic Relevance
- 4) Overall Presentation

For further queries, you may contact Ms. Shaguna Mehta (8447089222) and Ms. Divya Sharma (9891311645)

EVENT : Jiggish Journal

ELIGIBILITY : Class I

NO. OF PARTICIPANT(S) : A team of 02 students

GENERAL GUIDELINES:

- 1. Participants are to design a journal to pledge their commitment towards Nature Conservation.
- 2. Each entry in the journal must be maintained date-wise with a brief description of the proactive measure undertaken by the child to conserve nature. The same is to be explained in English with a supporting picture / drawing / photograph.
- 3. The journal entries should spread over a period of 10 days in all.
- 4. Half of an A-4 sized sheet is to be used for each entry.
- 5. 10 such sheets are then to be spiral bound with one extra sheet as the cover page bearing the name of the activity, names and class of the participants and name of the school.
- 6. The entries should reach the host school on / by Friday, 02 August 2024.
- 7. Entries received after the date of submission will not be considered for judgement.
- 8. The host school will retain all entries.

JUDGEMENT CRITERIA:

- 1) Creativity
- 2) Originality of Ideas
- 3) Organization of Thoughts
- 4) Overall Presentation

For further queries, you may contact Ms. Aditi Dharma (9971669819) and Ms. Ankita Luthra (9899099593)

EVENT : Picture Perfect

ELIGIBILITY : Class II

NO. OF PARTICIPANT(S) : 01

GENERAL GUIDELINES:

- 1. Participants are to choose any one movie from the following list:
 - Finding Nemo
 - Toy Story
 - Madagascar
- 2. Participants are required to create a photo frame on an A-3 sized sheet, using characters from the selected movie.
- 3. Drawings, cut-outs, decorative material etc. can be used to create the photo frame.
- 4. The name and class of the participant, school name and name of the selected movie should be mentioned on the reverse side of the frame.
- 5. The entries should reach the host school on / by Friday, 02 August 2024.
- 6. Entries received after the date of submission will not be considered for judgement.
- 7. The host school will retain all entries.

JUDGEMENT CRITERIA:

- 1) Thematic Relevance
- 2) Aesthetic Appeal
- 3) Creativity
- 4) Overall Presentation

For further queries, you may contact Ms. Nimisha Sehgal (9810277240) and Ms. Sapna Madnani (9891966226)

EVENT: FRABO - The Fractional Robot

ELIGIBILITY : Class IV

NO. OF PARTICIPANT(S) : A team of 02 students

GENERAL GUIDELINES:

- 1. Participants are to create a 'Fractional Robot' on an A-3 sized pastel sheet.
- 2. The robot has to be drawn / created using the concept of fractions. It can be drawn and coloured **or** created with origami and /or pastel sheets.

ACE

(Commerce)

EVENT : SKIT-IT-OUT

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes XI & XII

NUMBER OF PARTICIPANTS: A team of 4-5 students per school

TIME OF THE EVENT : 9:00 a.m.

GENERAL GUIDELINES:

- Each school is required to choose one category from the following and perform a small act on the selected theme:
- Categories:
- Corporate Ethics Drama: Teams can perform dramatic scenes that explore ethical dilemmas in the business world. They must address issues such as conflicts of interest, corporate responsibility, whistleblowing and the consequences of unethical behaviour.
- **Business History Play:** Teams may develop a historical play that dramatizes key events and figures in the evolution of commerce and industry. Students can bring to life famous entrepreneurs, inventors, business leaders, and landmark moments in economic history.
- **Financial Literacy Play:** Teams will be required to create a play that educates audience about personal finance and money management. The play can cover topics such as budgeting, saving, investing, avoiding debt, and making smart financial decisions.
- Participants to bring their own props that are relevant to their performance.
- An offensive phrase or act will lead to immediate disqualification.
- Duration of the Act: 5-10 minutes

JUDGEMENT CRITERIA:

- 1. Acting Skills
- 2. Relevance to the theme
- 3. Creativity and Message Conveyed
- 4. Innovation

For further queries, you may contact:

Teacher I/c - Ms. Sapna Sharma (9818925152)

ACE

EVENT : VENTURE REBIRTH (THE QUEST)

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes XI & XII

NUMBER OF PARTICIPANTS: A team of 2 students per school

TIME OF THE EVENT : 9:30 a.m.

GENERAL GUIDELINES:

Participants will analyze a failed startup, identify the reasons for its failure, and propose strategies to revive it.

Format of the Event is as follows:

<u>Case Study Selection:</u> Participants will select a case study of a failed startup. They can choose any startup from any industry that has ceased operations.

<u>Failure Analysis:</u> Participants will analyze the chosen startup and identify the reasons that led to it's failure. This could include factors like poor business model, lack of market understanding, financial mismanagement, etc.

<u>Revival Strategy:</u> Participants will then propose a comprehensive strategy to revive the failed startup. This strategy should address the issues identified in the failure analysis and provide innovative solutions to overcome them.

<u>Time Limit:</u> Each participant will be given **10 minutes** to present their case study along with the revival strategy.

<u>Submission:</u> PDF of the case study should be mailed <u>aceinter.dpsdw2024@gmail.com</u> latest by 10 August 2024.

JUDGEMENT CRITERIA:

Participants will be judged on the following criteria:

- 1. Innovative
- 2. Sustainable
- 3. Feasible revival strategy
- 4. Presentation

Teacher I/c - Ms. Sumita Roy (9999849611)

EVENT : SURPRISE EVENT

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes XI & XII

NUMBER OF PARTICIPANTS : A team of 2 students per school

TIME OF THE EVENT : 9:00 a.m.

GENERAL GUIDELINES:

Participants should have basic knowledge of business related topics. The details will be provided on the day of the event.

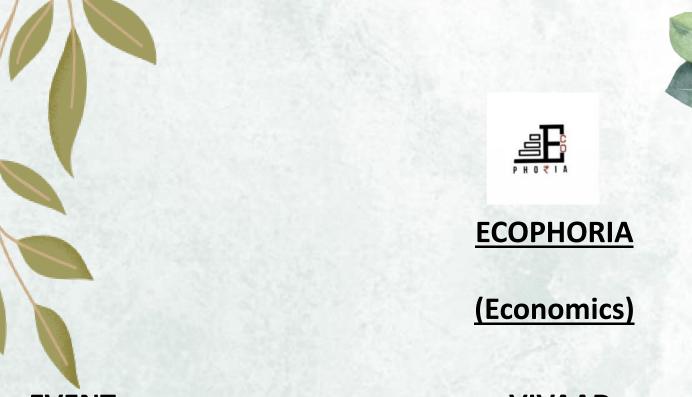

JUDGEMENT CRITERIA:

- 1. Concept Clarity
- 2. Creativity & Presentation
- 3. Innovation

For further queries, you may contact:

Teacher I/c - Ms. Shweta Bhargava (8826345255)

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes IX & X

NUMBER OF PARTICIPANTS: A team of 3 students per school **TIME OF THE EVENT**: 9:00 a.m.

GENERAL GUIDELINES:

- Vivaad is an Economics Debate competition wherein participants will have to speak on the topic provided to them.
- It will be a turncoat debate where participants will have to speak both for and against the motion.
- The topics will be provided one day before the event.
- Interjections from other participants will be allowed only after the presentation.
- A maximum of 2 questions will be asked as interjection. Participants may choose not to answer, but it may lead to a lower score.
- Time limit:
- For the motion: 1 minute
- Against the motion: 1 minute
- For summarization: 30 seconds

JUDGEMENT CRITERIA:

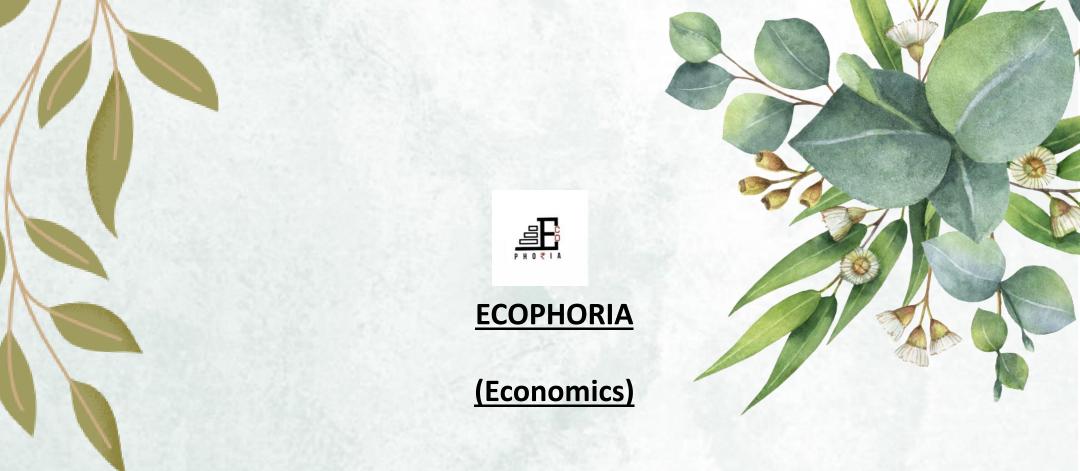

- 1. Content
- 2. Economic Reasoning
- 3. Confidence
- 4. Ability to answer promptly

For further queries, you may contact:

Teacher I/c - Ms. Soni Saxena (9871007959)

EVENT: ARITHMETIC PROGRESSION

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes XI & XII

NUMBER OF PARTICIPANTS : A team of 2 students per school

TIME OF THE EVENT : 9:00 a.m.

GENERAL GUIDELINES:

• The details of the event will be revealed on the spot.

• Participants should be well versed with the economic concepts.

JUDGEMENT CRITERIA:

- 1. Logical reasoning
- 2. Application of economic knowledge
- 3. General aptitude

For further queries, you may contact:

Teacher I/c - Ms. Simranjit Kaur (9999735388)

ECOPHORIA

(Economics)

MODE OF CONDUCT: Online (Submission Based Event)

ELIGIBILITY : Class XI

NUMBER OF PARTICIPANTS : A team of 2 students per school

GENERAL GUIDELINES:

- Event will be conducted online.
- Participants are required to make a comic strip on current economic condition of any country and mail it to ecophoriadpsdw@gmail.com.
- They can either make the strip digitally or handmade. Both will be accepted.
- Usage of foul language shall lead to disqualification.
- The last date for the submission is Friday, 09 August 2024.

JUDGEMENT CRITERIA:

- 1. Originality
- 2. Creativity
- 3. Relevance to the topic
- 4. Presentation of economic condition

For further queries, you may contact:

Teacher I/c - Ms. Soni Saxena (9871007959)

EVENT : ARTHRAJ

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes XI & XII

NUMBER OF PARTICIPANTS : A team of 3 students per school

TIME OF THE EVENT : 9:00 a.m.

GENERAL GUIDELINES:

 Artharaj is a case study analysis event which will test the participants' economic acumen and critical thinking.

- Registered participants will be given a case study along with problem statements on the spot.
- Further guidelines will be informed along with the case study.

JUDGEMENT CRITERIA:

- 1. Relevance of their solutions
- 2. Logical Reasoning
- 3. Application of economic knowledge
- 4. General Aptitude

For further queries, you may contact:

Teacher I/c - Ms. Simranjit Kaur (9999735388)

EVENT : ROBODELIVERY

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes VI - VIII

NUMBER OF PARTICIPANTS: A team of 3 students per school

TIME OF THE EVENT : 9:00 a.m. – 12:30 p.m.

BOT : Can be wired or wireless but pre-built kit

bots won't be allowed and will lead to

immediate disqualification

DIMENSIONS : 25cm x 25cm x 25cm (5% tolerance)

WEIGHT : Weight of the bot individually should not

exceed 3kg. For

wireless bots, the weight of the battery will be included in the weight of the bot. For wired bots, the weight of the battery will

not be included.

MAXIMUM VOLTAGE : 12V

GENERAL GUIDELINES:

- The objective of the bot would be to deliver parcels from one point to another.
- There will be a predefined path for each delivery.
- The paths will have some simple obstacles.
- 10 points will be awarded for each successful delivery.
- If more than 50% of the bot goes out of any path, then 2 points will be deducted each time.
- The team with the maximum points will win.
- Decision of the Judges will be final and binding.

JUDGEMENT CRITERIA:

- 1. Uniqueness of idea
- 2. Materials used and cost
- 3. Overall Impact
- 4. Effectiveness
- 5. Technicality

For further queries, you may contact:

Teacher I/c - Ms. Shikha Sethi (9818807952)

ROBODEX

EVENT : ROBOSOCCER

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes VI - XII

NUMBER OF PARTICIPANTS: A team of 4 students per school

TIME OF THE EVENT : 9:00 a.m. – 12:30 p.m.

NUMBER OF BOTS PER TEAM : 2 bots

BOT : Can be wired or wireless but pre-built kit

bots won't be allowed and will lead to

immediate disqualification

DIMENSIONS : 30cm x 30cm x 30cm (5% tolerance)

WEIGHT : Weight of the 2 bots individually should not

exceed 5kg. For wireless bots, the weight of the battery will be included in the weight of the bot. For wired bots, the weight of the

battery will not be included.

MAXIMUM VOLTAGE : 12V

GENERAL GUIDELINES:

- It will be a 2v2 match.
- A standard tennis ball will be used.
- Defender cannot cross the midline.
- Each match will have 2 halves. The team which scores the maximum goals will win. (Difference of 5 goals will be considered a win even if there is time left).
- Each half of the match will last for 2 minutes with a cooldown of 30 seconds in between the two halves.
- The teams are not allowed to intentionally capture/trap the ball.
- In case wires of the bots get entangled, the match will stop temporarily.
- Intentional damage cannot be done to the opponent's team bots. (2 warnings will be given and thereafter a foul shall be marked).
- Team with maximum goals will be declared the winner of the match.
- The decision of the judges will be final and binding.

JUDGEMENT CRITERIA:

- 1. Uniqueness of idea
- 2. Materials used and cost
- 3. Overall Impact
- 4. Effectiveness
- 5. Technicality

For further queries, you may contact: Teacher I/c - Ms. Pooja Batra (9810164182)

(ROBODEX)

EVENT : ROBORACE

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes VI - XII

NUMBER OF PARTICIPANTS : A team of 3 students per school

TIME OF THE EVENT : 9:00 a.m. – 12:30 p.m.

BOT : Can be wired or wireless but pre-built kit

bots won't be allowed and will lead to

immediate disqualification

DIMENSIONS : 25cm x 25cm x 25cm (5% tolerance)

WEIGHT : Weight of the bot individually should not

exceed 3kg. For wireless bots, the weight of the battery will be included in the weight of the bot. For wired bots, the weight of the

battery will not be included.

MAXIMUM VOLTAGE : 12V

GENERAL GUIDELINES:

The bot will have to complete the obstacle course in the fastest time.

- Obstacles can consist of upward slopes, see saws, cupcake obstacle, sand, pebbles etc.
- The track will be released at the moment of the event.
- The team will be allowed to skip obstacles but 15 seconds will add to the final time of the team.
- The team can only skip maximum of 2 obstacles.
- The bot must begin from the Starting Point when the timer starts.
- The bot has to move towards the given track, passing through all the obstacles in the arena.
- If the bot is stuck/gone out of the track, a hand touch is allowed, but only 2 such touches will be allowed. After that a time penalty of 5 seconds per touch.
- The decision of the judges will be final and binding.

JUDGEMENT CRITERIA:

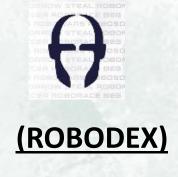

- 1. Uniqueness of idea
- 2. Materials used and cost
- 3. Overall Impact
- 4. Effectiveness
- 5. Technicality

For further queries, you may contact: Teacher I/c - Mr. Ujjwal Sharma (8295172582)

EVENT : ROBOTHON

MODE OF CONDUCT : Online

ELIGIBILITY : Classes VI - XII

NUMBER OF PARTICIPANTS: A team of 4 students per school

GENERAL GUIDELINES:

- You have to solve a real-life problem using robotics.
- You have to make a working prototype in advance showcasing the idea of your project.
- The prototype must be unique. Plagiarism will not be accepted.
- Using ready-made online kits for the same is strictly prohibited.
- Brownie points for a cost-effective and eco-friendly prototype.
- You will have to pitch your product in a meeting on pre-decided online platform with the judges in under 5 mins followed by a Q & A round with the judges.
- You can use a PPT for detailed explanation.

JUDGEMENT CRITERIA:

- 1. Uniqueness of idea
- 2. Materials used and cost
- 3. Overall Impact
- 4. Effectiveness
- 5. Technicality

For further queries, you may contact:

Teacher I/c - Ms. Pooja Batra (9810164182)

FLUX

(Physics)

EVENT : **IOCUS FLUXUS**

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes VI - VIII

NUMBER OF PARTICIPANTS : A team of 4 students per school

TIME OF THE EVENT : 9:30 a.m.

GENERAL GUIDELINES:

Participants will take part in a game called IOCUS FLUXUS i.e. the Flow of Fun.

- First and foremost they will face an elimination in Round -1. Then the selected teams will
 continue to play the game in the second Round. In the game, they may be asked to
 answer questions based on real life examples, explain certain phenomena, draw
 explanatory diagrams, and use their wits to think of answers based on certain clues or
 hints.
- The exact format of the game will be revealed on the spot.

JUDGEMENT CRITERIA:

Scores obtained after Round -2

For further queries, you may contact:

Teacher I/c - Ms. Aarti Verma (8826609808)

EVENT : PHYFICS

MODE OF CONDUCT : offline

ELIGIBILITY : IX - XII

NUMBER OF PARTICIPANTS: a team of 4-5 students per school

GENERAL GUIDELINES

- teams have to create a presentation dedicated to exploring the science behind one selected physics/science fiction film. The list of the films to choose from will be provided on 5th of August via WhatsApp.
- But there is a twist, along with the points mentioned above, teams also need to mention
 a scene in which the laws of physics were not obeyed, and make an alternate scene for
 the same, following all the laws.
- The participants must submit a google drive link containing the ppt on <u>fluxdpsd@gmail.com</u> by 12th August. Selected teams will be asked to present it in the school on 17th August.
- Guidelines for round 2 will be given to the selected teams after round 1.

JUDGEMENT CRITERIA-

- 1. Accuracy of application of concepts
- 2. Creativity
- 3. Clarity and effectiveness of presentation and explanation

for further queries you may contact:

Teacher I/c- Ms. Puja Sehgal (9871578751)

EVENT : MODEL MAKING

MODE OF CONDUCT: Online (Submission Based Event)

ELIGIBILITY : Classes VI-VIII

NUMBER OF PARTICIPANTS: A team of 3-4 students per school

GENERAL GUIDELINES:

Create a detailed model demonstrating any one of the following Physics concepts using recyclable materials:

- **Electromagnetic Waves**: Models representing different types of electromagnetic waves and their applications, such as in communication, imaging, or remote sensing.
- **Sustainable Transportation**: Models of electric vehicles, hyperloop systems, or other sustainable transportation solutions.
- Energy Conservation
- Innovative Game
- Participants must submit a google drive link on fluxdpsd@gmail.com of the video showcasing their model and explanation of the underlying principles of Physics.
- Video should not exceed by 3 minutes.
- Creativity and innovation in material usage and design are encouraged.
- Models should be accompanied with a word document explaining the Physics concept being demonstrated. This has to be mailed with the document.
- Participants are encouraged to take inspiration from existing ideas; however, any form of plagiarism will result in immediate disqualification.

JUDGEMENT CRITERIA:

- 1. Concept Clarity and Demonstration
- 2. Creativity and Functionality in Model Design
- 3. Clarity and Effectiveness of Explanation

For further queries, you may contact:

Teacher I/c - Ms. Charu Aggarwal (9560459005)

EVENT

MODE OF CONDUCT : Onsite

ELIGIBILITY

: Classes IX - XII

AQUAJET

NUMBER OF PARTICIPANTS

A team of 3 students per school

TIME OF THE EVENT

: 10:00 a.m.

GENERAL GUIDELINES:

- Making a working model of an aqua-jet using reusable, waste material like plastic, DVD's etc.
- Extra points will be awarded for a working parachute attached to the rocket.
- Only manual bicycle pump / 12 V DC operated pump will be allowed. Participants
 have to bring their own launchers, air pump and suitable cork as per the requirement.
 No launchers will be provided by the host school.
- Use of soft chemicals such as baking soda and vinegar is allowed, while use of hard chemicals will lead to disqualification.

JUDGEMENT CRITERIA:

- 1. Range
- 2. Creativity
- 3. Time of flight

For further queries, you may contact:

Teacher I/c - Ms. Kalpana Chahar (9312952890)

(Space Club)

EVENT : **STARLIGHT SHOWDOWN**

MODE OF CONDUCT : Onsite ELIGIBILITY : VIII & IX

NUMBER OF PARTICIPANTS: A team of 3 students per school

TIME OF THE EVENT : 9:00 a.m. - 11:00 a.m.

GENERAL GUIDELINES:

This event will consist of 3 rounds, which are as follows:

ROUND 1: INTERSTELLAR INTELLECT (QUALIFYING ROUND)

Teams are required to choose ANY ONE of the following scenarios. Each team will make a (PPT) outlining their scenario and proposed solutions and present the same in 3 minutes. They must carry PPT in a Pen Drive.

Scenario 1: Outer Solar Propulsion Optimization

As a spacecraft engineer, you've been assigned to design a propulsion system for a mission to explore the outer reaches of the solar system. How would you balance the trade-offs between traditional chemical propulsion and advanced propulsion technologies, such as ion engines or nuclear thermal propulsion, to achieve the mission objectives?

OR

Scenario 2: Martian Mission with a Green Twist

Imagine a future where space travel is as routine as are travel today, but the importance of environmental sustainability has never been higher. In this scenario, a private space exploration company is gearing up to launch a series of missions to establish a colony on Mars. However, the company faces significant backlash from environmental groups and regulatory bodies due to the substantial carbon emissions produced by traditional rocket propulsion systems.

Your Challenge

As a consultant for the space company, your task is to propose a sustainable solution that addresses these environmental concerns while ensuring the mission objectives are met.

ROUND 2: CELESTIAL CONUNDRUM

Qualified teams will tackle an unexplained phenomenon related to space. Teams will be provided with

JUDGEMENT CRITERIA:

- 1. Creativity
- 2. Presentation
- 3. Problem-solving ability
- 4. Subject knowledge

REGISTER HERE

For further queries, you may contact: Teacher I/c - Ms. Harsha Kalra (9891210067)

EVENT : LOGIC WARS

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes IX - XII

NUMBER OF PARTICIPANTS: A team of 2 students per school

TIME OF THE EVENT : 9:00 a.m.

GENERAL GUIDELINES:

Participants will be given a questionnaire with various logic-based problems.

- The participants will have to give elaborate answers to the questions with necessary details.
- The participants will have to write the answer of the given questions in 90 minutes then speak.

JUDGEMENT CRITERIA:

- 1. Originality
- 2. Feasibility of Ideas
- 3. Presentation skill
- 4. Adherence of the time limit

For further queries, you may contact:

Teacher I/c - Ms. Ashu Malik (98119 90136)

EVENT : PITCH PERFECT - "Change the world by putting

innovative thinking to work."

MODE OF CONDUCT : Online (Submission Based Event)

ELIGIBILITY : Classes IX - XII

NUMBER OF PARTICIPANTS : A team of 2 students per school

GENERAL GUIDELINES:

- The participants will receive 3 prompts, they can choose ANY ONE prompt.
- The prompts will include detailed instructions about the document requirement.
- Participants will be required to mail the document to us on ingeniousdpsdw@gmail.com
 by 15 August 2024 till 11:59 p.m. in maximum 750 words.
- Participants have to innovate and create a word document on any one of the problems which will elaborate on solving the problem and its feasibility.

JUDGEMENT CRITERIA:

- 1. Originality
- 2. Feasibility of Ideas
- 3. Presentation skill
- 4. Creativity

For further queries, you may contact:

Teacher I/c - Ms. Ashu Malik (98119 90136)

EVENT : SWIFTGENIOUS - "Thinking, Fast and Slow."

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes IX - XII

NUMBER OF PARTICIPANTS: A team of 3 students per school

TIME OF THE EVENT : 9:00 a.m. – 12:00 noon

GENERAL GUIDELINES:

- The participants will be given a common prompt on the spot and they need to come up with innovative ideas in 90 minutes.
- The participants must pitch and present their ideas in brief.
- They may be questioned on the ideas proposed.

JUDGEMENT CRITERIA:

- 1. Originality
- 2. Feasibility of Ideas
- 3. Presentation skill
- 4. Adherence of the time limit

For further queries, you may contact:

Teacher I/c - Ms. Ashu Malik (98119 90136)

EVENT : THERAPY MAZE

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes XI & XII

NUMBER OF PARTICIPANTS: A team of 3 students per school

TIME OF THE EVENT : 9:00 a.m. – 11:00 a.m.

GENERAL GUIDELINES:

- The event is a representation of therapy room, where two members will act as patients and one member will enact as a therapist providing appropriate counselling and therapy.
- The team will be provided with a topic/situation (everyday life situations and not disorders) on the spot and 15 minutes will be given for preparation of their case.
- Two members from the team will enact the situation given to them as patients or clients seeking therapy.
- One member will compulsorily act as a therapist and provide solutions to the given situation or to their clients.
- Each team will be given 5 minutes to present their case.

Instruction: Participants are required to have an understanding and knowledge about psychology and what generally happens inside a therapy room.

JUDGEMENT CRITERIA:

- 1. Understanding of the situation
- 2. Validity and meaningfulness of the solutions provided
- 3. Presentation and enactment by the team members
- 4. Number of problems put up and solutions provided

For further queries, you may contact:

EVENT : COGNITIVE CONUNDRUM (QUIZ)

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes XI & XII

NUMBER OF PARTICIPANTS: A team of 2 students per school

TIME OF THE EVENT : 9:00 a.m. – 11:00 a.m.

GENERAL GUIDELINES:

The event will consist of three rounds:

Round 1 will have questions that are related to the Psychology course of Class XI and XII.

Round 2 – Guess the Psychological disorders.

Round 3 – Identify the experimental setup and its pioneer.

Instruction: Participants are required to have an understanding about Psychology, and carry their own stationery.

JUDGEMENT CRITERIA:

Sum total of the scores in all the three rounds

For further queries, you may contact:

EVENT : BREAK THE STIGMA

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes XI & XII

NUMBER OF PARTICIPANTS: A team of 5 students per school

TIME OF THE EVENT : 9:00 a.m. – 11:00 a.m.

GENERAL GUIDELINES:

- Each team will be provided with a situation highlighting a social stigma on the spot.
- Each team will be given 20 minutes for preparation.
- Participants will be required to break the stigma by using tools like posters, poems, enactment, slogans, talk show etc.
- Each team will be given 5 minutes to present their topic.

Instruction: Participants are requested to carry their own stationery items.

JUDGEMENT CRITERIA:

- 1. Presentation of the issue (stigma) assigned to you
- 2. Diversity and clarity of tools used
- 3. The ability of the team members to break the stigma successfully
- 4. Adherence to time limit

For further queries, you may contact:

EVENT : **MINDSCAPES**

MODE OF CONDUCT: Online (Submission Based Event)

ELIGIBILITY : Classes XI & XII

NUMBER OF PARTICIPANTS : A team of 2 students per school

GENERAL GUIDELINES:

Participants will have to make a PPT of at least 20 slides on ANY ONE of the given topics:

- ADHD
- SCHIZOPHRENIA
- PTSD
- DEPRESSION
- ANXIETY
- EATING DISORDERS
- AUTISM
- SUBSTANCE USE DISORDER (SUD)

Instructions:

Last date of submission is 10 August 2024 till 11:59 p.m. All entries to be mailed at – **psynapsedpsd@gmail.com** All entries to be submitted in pdf format

JUDGEMENT CRITERIA:

- 1. Creativity
- 2. Presentation
- 3. Research work
- 4. Relevance

For further queries, you may contact:

(Chemistry)

EVENT : **SHERLOCKED**

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes XI & XII

NUMBER OF PARTICIPANTS : A team of 2 students per school

TIME OF THE EVENT : 9:00 a.m. – 11:00 a.m.

GENERAL GUIDELINES:

Participants will start with a treasure trail, where they will have to decode hints/clues or puzzles/games related to Chemistry on the spot to complete the hunt.

JUDGEMENT CRITERIA:

- 1. Subject knowledge
- 2. Problem-solving ability
- 3. Time taken to complete the hunt

For further queries, you may contact:

Teacher I/c - Ms. Ila Sharma (9910210738) & Ms. Shumita Bhattacharjee (9873936625)

EVENT : MÉMÉCON

MODE OF CONDUCT: Online (Submission Based Event)

ELIGIBILITY : Classes VI - X

NUMBER OF PARTICIPANTS: A team of 2 students per school

GENERAL GUIDELINES:

- Participants are required to create an original meme based on a Chemistry concept or phenomenon. The meme can be in either photograph or video format and must be cartoon or caricature-based. (Please avoid using pictures of actors or actresses in your submissions)
- Originality is a prerequisite.
- Use of any foul language or submission of inappropriate content or any form of plagiarism will lead to the team's disqualification.
- Entries are to be e-mailed to: **ionistadpsdwarka@gmail.com** in a pdf format by 10 August 2024.
- Each school to submit only one entry.

JUDGEMENT CRITERIA:

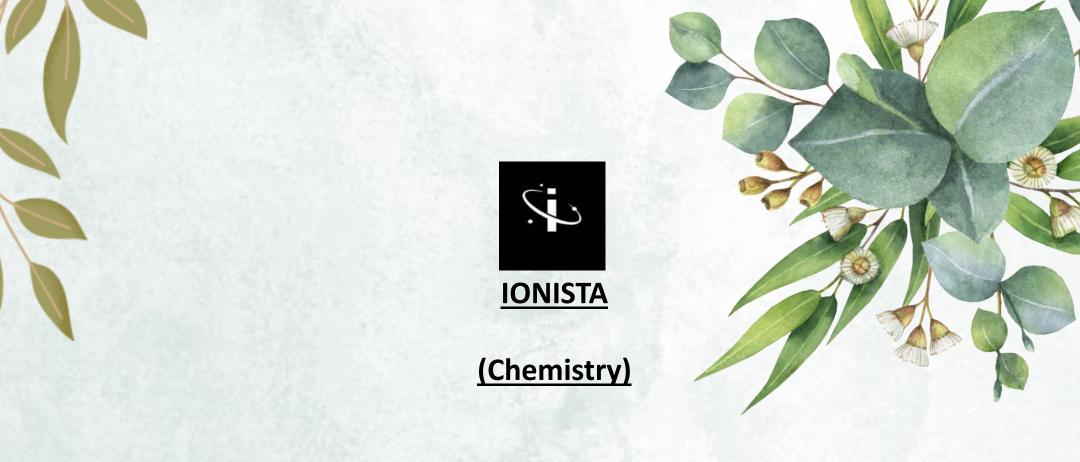

- 1. Understanding of the subject
- 2. Originality & Creativity
- 3. Humour Quotient

For further queries, you may contact:

Teacher I/c - Ms. Kanupriya Sethi (9654650706) & Ms. Meetu Sobti (8800497501)

EVENT : CHEMITOON

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes IX - XI

NUMBER OF PARTICIPANTS: A team of 2 students per school

TIME OF THE EVENT : 9:00 a.m. – 11:00 a.m.

GENERAL GUIDELINES:

- The students will have to choose a topic related to a concept, phenomenon, or unproven theory from the history of Chemistry.
- Before the competition, they should research on the topic of their choice and develop an idea. During the competition, they will create a comic strip related to their chosen topic on the spot, explaining it interestingly.
- Participants are required to bring the essential materials for their task. They have the option to use either A-4 or A-3 sheet.

JUDGEMENT CRITERIA:

- 1. Understanding of the concept
- 2. Creativity & Originality
- 3. Overall Presentation

For further queries, you may contact:

Teacher I/c - Ms Akansha Saxena (9015054061)

(The Art Society)

EVENT : MADHUBANI PAINTING COMPETITION

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes VI - VIII

NUMBER OF PARTICIPANTS: A team of 2 students per school

TIME OF THE EVENT : 9:00 a.m. – 11:30 a.m.

GENERAL GUIDELINES:

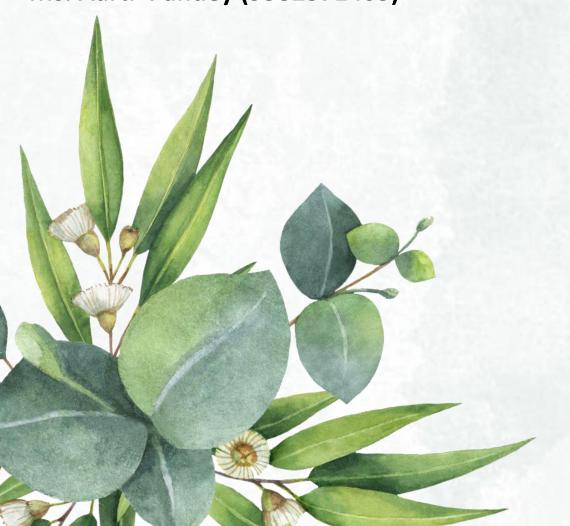

- Students are required to make an art piece expressing nature through Madhubani art style.
- Participants are required to get their own art supplies and write the following details on the back of their sheet: Name, Class, School's name.
- Sheet/Base will be provided by the host school (size of the base will be 12 x 18 inches).
- The students can use any medium of their choice.

JUDGEMENT CRITERIA:

- 1. Originality & Creativity
- 2. Expression
- 3. Technique and Composition

For further queries, you may contact:

Teacher I/c - Ms. Smita Pushkarna (98730 09465), Mr. Promod Satyarthi (9654205263) & Ms. Aarti Pandey (9582371403)

(The Art Society)

EVENT : ABSTRACT LANDSCAPE PAINTING COMPETITION

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes IX - XI

NUMBER OF PARTICIPANTS : 1 student per school : 9:00 a.m. – 11:30 a.m.

GENERAL GUIDELINES:

- Each team will be given a sheet/base of size 2 feet x 2 feet.
- The central theme of the competition is nature.
- Participants are encouraged to express as vividly as possible.
- All artwork must be original.
- Participants are required to get their own art supplies and write the following details on the back of their sheet: Name, class. Sheet/base will be provided by the host school.
- The students can use any medium of their choice.

JUDGEMENT CRITERIA:

- 1. Originality & Creativity
- 2. Expression
- 3. Composition
- 4. Selected Art Style

For further queries, you may contact:

Teacher I/c - Ms. Smita Pushkarna (98730 09465), Mr. Promod Satyarthi (9654205263) & Ms. Aarti Pandey (9582371403)

(History)

EVENT : INDIA IN TRANSITION: Through the Windows of

History

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes VI - VIII

NUMBER OF PARTICIPANTS: A team of 3-5 students per school

TIME OF THE EVENT : 9:00 a.m. – 12:00 noon

GENERAL GUIDELINES:

1. Students will choose ANY ONE of the themes from those listed below:

- Economic Transition in India (for example Ashoka, Akbar and Nehru; these three leaders focused on trade and economic growth of the country, the team will show that transition during these time periods by enacting as the chosen historical figures.)
- Cultural Exchange
- Innovations in Technology
- Literary Revival and Language
- 2. Participants will show the shift or transition of the historical figures in Indian history through narration and enactment.
- 3. Each group will be given a time limit of 7-10 minutes for the enactment.
- The costume/dress code for the event will be in accordance with the eras and historical figures. Uses of props is allowed.
- 5. The participants may use English and/or Hindi for the enactment.
- 6. The participants will have the creative liberty of adding their own interpretation to the play.

JUDGEMENT CRITERIA:

- 1. Historical Aspects
- 2. Creativity
- 3. Originality
- 4. Presentation

For further queries, you may contact: Teacher I/c - Ms. Nonita Malik (9968340113)

(History)

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes XI & XII

NUMBER OF PARTICIPANTS: A team of 3 students per school

TIME OF THE EVENT : 9:00 a.m. – 12:00 noon

GENERAL GUIDELINES:

The event will take place in the form of a 3 vs 3 debate, wherein the team from one school will be given a stance for the motion, and another school's team will be given a stance against the motion.

The format of the debate will be as follows:

The first speaker for the motion will present their stance, followed by the first speaker against the motion. [Opening Arguments & Stance]

Next, the second speaker for the motion will give their speech, followed by the second speaker against the motion. [Stance & Rebuttals]

Finally, the third speaker for the motion will conclude, followed by the third speaker against the motion. [Rebuttals & Closing Arguments/Conclusion]

The motions provided to the participants will be provisions that were deliberated upon in the Constitutional Assembly.

The participants will engage in a discussion on whether or not the said provision should be included in the Constitution of India.

The participants will be provided with motions and stances (for the motion or against the motion) on the spot.

Exact topics will be provided on the spot on the day of the competition, but participants are advised to brush up their knowledge of the Constitution of India, notable members of the Assembly and their ideologies, as well as the following topics that were deliberated upon during the assembly:

Untouchability

Preamble of the Constitution

Uniform Civil Code (UCC)

Reservations for Backward Classes

Federal Structure of Government

Directive Principles of State Policy

Presidential v/s Parliamentary Government

All discussions to be carried out in English only.

The dress code for the event will be respective school uniforms.

Any kind of indiscipline will lead to immediate disqualification.

JUDGEMENT CRITERIA:

- 1. Research Skills
- 2. Legal and Historical Accuracy
- 3. Oration
- 4. Teamwork & Collaboration

(Biology)

EVENT : **ECO-EXPLORATION**

MODE OF CONDUCT : Onsite

ELIGIBILITY : Classes VI & VII

NUMBER OF PARTICIPANTS: A team of 2 students per school

TIME OF THE EVENT : 9:00 a.m. – 11:00 a.m.

GENERAL GUIDELINES:

- Round 1 (Qualifying Round) Ecosystems have a very intricate design of organisms and their populations, which even when slightly disturbed can prove to be detrimental.
 Mimic an ecosystem in glass/plastic jars, terrariums or shoebox etc. including real/artificial plants, small animal models, pond, rocks and soil.
- **Round 2** Showcase your knowledge about evolution and adaptations. Participants qualified will be provided an outline/shadow of a species and have to guess its name, salient features, niche and any known evolutionary significance.

JUDGEMENT CRITERIA:

- 1. Presentation
- 2. Creativity
- 3. Accuracy
- 4. Knowledge of the topic

For further queries, you may contact: Teacher I/c - Ms. Sudha Rana (9818066592)

(Environment Club)

EVENT : PHYLO FILES

MODE OF CONDUCT : Online (Submission Based Event)

ELIGIBILITY : Classes VIII & IX

NUMBER OF PARTICIPANTS: A team of 2 students per school

GENERAL GUIDELINES:

- According to Darwin's famous theory of natural selection, organisms better adapted to their environment tend to survive and reproduce more successfully than those having lesser variations, over time this leads to accumulation of beneficial traits in a population, while wipes out those lacking such traits.
- Participants have to prepare an appealing PowerPoint Presentation (minimum 10 slides) dealing with the various aspects of Evolution in detail and discuss various theories defining the characteristics of evolution.
- Participants are supposed to prepare a case of two species, one who could not adapt
 Darwin's selection while one which got adapted to his selection by mentioning the
 evolutionary changes adapted by one and not the other.

Note:

Last date of submission is – 07 August 2024 All entries to be mailed at - genesisdpsdw@gmail.com

JUDGEMENT CRITERIA:

- 1. Originality
- 2. Clarity of concepts
- 3. Accuracy of theories and the cases mentioned
- 4. Creativity
