Embracing Wisdom, Igniting Futures: GRADE 1

Dear Parents,
Greetings!

We are delighted to present the Pre-Primary Wing Newsletter for the first quarter of the session 2024-25 which is a vibrant and engaging compilation of our students' activities. This newsletter serves as a window into the bustling world of our youngest learners, showcasing their creativity, enthusiasm, and the joyful spirit they bring to our school community.

Our little ones have been fairly busy in this quarter! Each page of the newsletter reflects growing skills of our children, highlighting the incredible progress they are making in their developmental journey.

As we look forward to the coming months, we are excited about the many activities and learning experiences planned for the Foundational Years. Our goal remains to provide a nurturing environment where each child can explore, discover, and grow.

We hope you enjoy reading this newsletter as much as we enjoyed putting it together. Thank you for your continued support and involvement in your child's education. Together, we create a foundation for lifelong learning and success.

Warm regards,
Director Principal

HIGHLIGHTS

WELCOME
to SCHOOL

We at Xavier's welcomed our young learners to Grade 1, filled with endless possibilities! As we embark on this exciting journey together, the academic year commenced with the ship-craft that reflected the spirit of adventure and exploration, inspiring students to sail into a new learning journey of discovery, growth, and friendship with confidence and enthusiasm. Each child received a heartfelt welcome, making them feel valued for the day ahead. Beholding the fleet of sailboats, proudly displayed for all to admire! Each vessel was a unique reflection of its creator, showcasing the diversity and creativity of our children with pride and excitement!

Eid Al Fitr mubarak

Eid-al-Fitr, the festival of breaking the fast, holds deep significance for millions around the world, marking the end of Ramadan, a month of fasting, prayer, and reflection. The students of Grade I made stunning artwork that captures the essence and spirit of this joyous occasion. But beyond the beauty of the art itself lies a deeper message - a message of inclusivity, understanding, and respect for our diverse cultural heritage. The students understood the spirit of the occasion - to spread joy and kindness wherever we go.

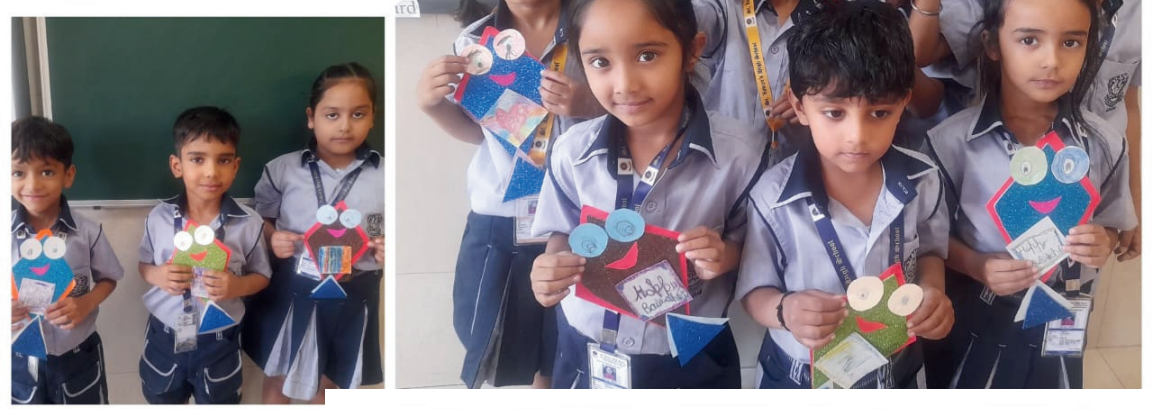

Baisakhi

Baisakhi, a festival steeped in cultural significance and agricultural celebration, was commemorated with enthusiasm for Grade 1 Xavierians. The inclusion of kite making Baisakhi-themed craft created by students, provided a visual feast of creativity and artistic expression to the celebration. creativity and teamwork. Through hands-on participation, students not only gained insight into the cultural significance of the traditional festival but also developed their creativity, fine motor skills, and appreciation for art form. The activity served as a memorable and enriching experience for both students and educators alike, fostering a deeper connection to the rich cultural heritage of Baisakhi.

HAPPY BAI SAKHI

With an aim to instil in our students a sense of responsibility towards protecting our planet Earth, a vibrant and engaging poster-making activity was conducted on 22nd April, 2024 for Grade 1 to celebrate Earth Day. From colourful illustrations to heartfelt messages, each poster showcased the children's unique perspectives on protecting the environment through practices such as reduce, reuse, recycle, conserving water, and protecting wildlife habitats. Children incorporated educational slogans on environmental conservation into their posters like "Save the Earth, Save Our Future" or "Every Drop Counts" alongside their artwork to reinforce sustainability and conservation. The activity was a resounding success not only in promoting creativity but also in fostering environmental awareness among students.

LABOR DAY!

Labour Day is a time to recognize and appreciate the dedication and hard work of all the members of the school community, the unsung heroes who make our school a better place for all. It is a day to express gratitude for the invaluable contributions of our ancillary staff, to celebrate their tireless efforts in ensuring the smooth operation of our school. Students created heartfelt handmade cards for the ancillary staff members as token of appreciation, expressing deepest thanks for their unwavering commitment and service. In addition to the cards, the ancillary staff members were gifted pack chocolates and biscuits by the students. A special recognition ceremony was held during the school assembly, where ancillary staff members were invited to the stage to be honoured. Students and faculty applauded their contributions, acknowledging the vital role they play in creating a positive and nurturing learning environment.

LABOR DAY!

Mothers are the unsung heroes of our world. They are our first teachers, our constant supporters, and our pillars of strength. From the moment we are born, they shower us with unconditional love, nurturing us with tenderness and guiding us with wisdom. The students of Gradel honoured their mothers and expressed gratitude for their love and care through the beautiful medium of poetry. The poems ranged from simple rhymes to heartfelt verses, showcasing the diverse sentiments children hold for their mothers. They also made beautiful cards to pay tribute to their mothers for their incredible love and support. Happy Mother's Day to all the incredible mothers out there!
