# श्रमिक दिवस

"मैं मजदूर हूँ, मजबूर नहीं ये कहने में मुझे शर्म नहीं  
अपने पसीने की खाता हूँ मैं मिट्टी को सोना बनाता हूँ"

सेंट जेवियर्स हाई स्कूल में, श्रमिक दिवस सिर्फ एक दिन से कहीं अधिक था; यह कड़ी मेहनत, समर्पण और सहयोग की भावना का उत्सव था। हमारे श्रमिक दिवस समारोह ने दुनिया भर में श्रमिकों के योगदान का सम्मान किया और उन प्रयासों के प्रति कृतज्ञता और सम्मान की भावना पैदा की, जिन्होंने हमारे स्कूल समुदाय को आगे बढ़ाया। दिन की शुरुआत एक विशेष सभा से हुई जहाँ छात्र और शिक्षक श्रमिक दिवस के महत्व को स्वीकार करने के लिए एक साथ आए। हमने विभिन्न व्यवसायों के महत्व और समाज में उनकी आवश्यक भूमिकाओं पर प्रकाश डाला, जिससे हमारे छात्रों के बीच गहरी समझ और प्रशंसा को बढ़ावा मिला।

# BAGLESS DAYS

*Dump the Load, Embrace the Fun - It's Time for No School Bag Day to Come!*

The National Education Policy (NEP) 2020 of India introduces several reforms to transform the educational landscape, one of which is the concept of "bagless days." The idea behind bagless days is to reduce the academic pressure on students and promote experiential learning, creativity, and skill development. Keeping this wonderful concept in mind, St. Xavier's High School initiated and promoted the campaign by inculcating the 'Bagless Day' for the learners of grades III -V. The National Education Policy (NEP) 2020 of India has introduced several reforms to transform the educational landscape, one of which is the concept of "bagless days." The idea behind bagless days is to reduce the academic pressure on students and promote experiential learning, creativity, and skill development. Our students engaged in a variety of activities that promoted practical and hands-on learning. These included Subject Enrichment Activities, Bio-Diversity, Renewable and Non-Renewable Resources, First Aid Implementation, Entrepreneurship, and Understanding the different components of food labels. The aim was to move away from traditional classroom-based rote learning and instead focus on activities that develop life skills and critical thinking. Bagless days were not just free days but were integrated into the curriculum to enhance the overall educational experience. Teachers and educators were encouraged to design innovative programs and projects that align with the broader educational objectives of the NEP. The policy emphasizes the importance of holistic development, including physical, emotional, and mental well-being. Bagless days contribute to this by reducing stress and allowing students to explore their interests and talents. Overall, the school's initiative of bagless days fueled by the NEP mandate aimed to create a more engaging and less stressful educational environment, fostering creativity, practical knowledge, and overall well-being of students.
