"The safety, honour and welfare of your country come first, always and every time."

– Field Marshal Sam Manekshaw

ITL Public School organized an inspiring and purposeful workshop on “Pathways to the Armed Forces” in collaboration with Dwarka City Edu World. The resource person, Mr. Kunwar Pratap, founder of Georgians Defence Academy (GDA) and an alumnus of Rashtriya Military School, shared his valuable insights, knowledge, and experiences with the senior students of Classes IX to XII.

Highlighting some pivotal reasons to join the Armed Forces—such as social status, financial security, perks in kind, adventure, post-retirement benefits, and the opportunity to lead a quality life—Mr. Kunwar Pratap emphasized the importance of having an innate zeal and passion to serve the nation.

He stressed the significance of traits such as self-belief, effective planning, consistency, a well-organized daily routine, the spirit of sacrifice, and a multi-dimensional personality as essential qualities in candidates aspiring to join the Armed Forces.

Mr. Pratap explained the eligibility criteria for joining the National Defence Academy (NDA) and the Services Selection Board (SSB) process in a lucid and engaging manner. He also reiterated the importance of subjects like Mathematics and English for excelling in entrance examinations such as AFMC, CDS, NCC, AFCAT, Navy SSC, TES, among others.

Indeed, the workshop served as a catalyst, igniting enthusiasm and providing clarity for students aspiring to chart a career in the Armed Forces.
