(Kindergarten wing of ITL Public School)

## NURSERY ORIENTATION PROGRAMME

The Nursery Orientation Programme at ITL Candyfloss, the pre-primary wing of ITL Public School, highlighted the vital partnership between school and parents.

The keynote speaker, Dr. Jitendra Nagpal, shared valuable insights on positive parenting, including limiting gadget use, sharing childhood experiences, and parents actively participating in their child's learning journey.

The interactive session, with contributions from grandparents, reinforced the collaborative spirit between the school and families, setting a strong foundation for the academic year.

Dr. Sudha Acharya, the school Principal, emphasized the importance of quality family time and encouraged children to explore their surroundings while instilling discipline and values.

The event featured performances such as Ganesh Vandana, a puppet show, yoga through storytelling, Taekwondo, and a choir, reflecting the school's holistic approach to child development.
