

Information regarding Webinar on Admissions & Scholarships at Northeastern University, USA

As part of the CBSE Global Webinar Series, CBSE is organizing an exclusive webinar intended to offer valuable insights on academic programs, admission process, student experiences, and scholarships available at Northeastern University, USA. This may help students make informed decision regarding their future, supporting them in choosing suitable academic pathways and career options.

The webinar is scheduled as follows:

Date and Day : May 29, 2025 (Thursday)

Time : 06.30PM to 07.30PM (IST)

Participation link (YouTube) : https://youtube.com/live/r1kh_KP18-8

This webinar will offer CBSE students valuable insights into the University's academic programs, admission process, and student experiences. This may further help students make informed decisions regarding their future, supporting them in choosing suitable academic pathways and career options.

Key Highlights of the Webinar

1. University Overview: Academic excellence, research opportunities, and campus life at Northeastern.
2. Admissions & Programs: Details on undergraduate admissions, popular and new majors.
3. Case Studies of Admitted Students: Real examples to guide prospective applicants.
4. Scholarships: Information on available financial aid and scholarship opportunities.

In case you are unable to attend the Live session, the session recording will be available on CBSE's official YouTube channel:
