Greetings from TERI School of Advanced Studies !

Dear Madam,

As you may be aware that The TERI School of Advanced Studies (SAS) is a higher education institution that was granted the Deemed-to-be-University status under Section 3 of the UGC Act, 1956. TERI SAS has been undertaking research and environmental education initiatives to build capacity of students and youth on various themes of sustainable development, adopting an inter-disciplinary approach and incorporating the most contemporary, research-based contents into the curriculum since its founding in 1999. Being a pioneer of sustainability education in India, TERI SAS has emerged as one of the most prestigious and unique institutions in the country that aspires to contribute globally by serving society as a Centre of Advanced Studies. It trains students in different themes related to sustainability such as environmental studies, climate science and policy, renewable energy among others.

2. I am writing to you to bring to your kind notice that we are launching four-year undergraduate programme (FYUP) and five-year postgraduate programme (FYIPP) dual degree programme from the forthcoming academic session beginning from August 2023 in the following disciplines:

1. Data Science (FYIPP)
2. Environmental Studies (FYIPP)
3. Economics (FYUP)
4. Business Administration (FYUP)

3. All the programmes have been designed in accordance with the National Education Policy (NEP) 2020 and the recent guidelines issued by the University Grants Commission with in-built choices of multiple entry and multiple exit options mapped with employability opportunities. The eligibility and admission criteria for the above programmes is available on our website: <https://terisas.ac.in/>

4. I look forward to your support in encouraging students who have just passed out, 12th grade to apply to various programmes at TERI SAS. I would appreciate it if you could circulate this mailer to concerned interested students (12th grade, 2023 pass out) from your school to consider applying to the various academic programmes of their interest. Your support and interest in TERI SAS shall motivate us to strive harder to continuously improve and grow. Looking forward to hearing from you.
