NEWSLETTER FOR UNIT-I (2025-26)

UNIT DATES: 01.04.2025 – 16.05.2025

CLASS IV

*A new session unfolds, with promise and grace,
Through volumes of wisdom, new journeys we trace.
At DPS Rohini, where knowledge expands,
We shape our ambitions with diligent hands.
With minds full of wonder and hearts set to strive,
We welcome each challenge, we learn and we thrive.
With purpose to guide us and goals to explore,
We look ahead, eager for more.*

Dear Parent

Welcome to our students to the new session 2025-26! As we begin the session 2025-26, we welcome our students with warmth, hope and endless possibilities. At DPS Rohini, learning is a shared journey where no child is left behind, every dream is nurtured, and each milestone is celebrated. With the enduring support of parents and the dedication of our educators, we look forward to a time of discovery, perseverance and success. Together, let's pave the way for meaningful growth and exciting exploration.

NEW INITIATIVES.... TAKING THE JOURNEY FORWARD

SPORTS ACTIVITY CLUBS FOR CLASS V

Recognizing the significance of sports in a well-rounded education, the school integrates regular sports classes and specialized coaching into the curriculum. This academic year, exclusive **Sports Activity Clubs** are being introduced for Class V students to cultivate teamwork, leadership, and sportsmanship. Students can choose from the following clubs: **Football, Basketball, Athletics, Badminton, Hockey and Yoga.**

NEWSPAPER READING PERIOD FOR CLASS V

To enhance reading, critical thinking, and awareness, the school is introducing a dedicated **Newspaper Reading Period** for Class V this academic year. During this weekly session, students will engage in reading, discussions, and reflective activities using the newspapers provided in school, fostering a habit of informed learning.

PROGRAMMES IN SCHOOL

MORNING PRANAYAMA FOR WELL BEING AND FOCUS

In today's fast-paced world, students need effective tools to manage stress and enhance concentration. To support their well-being, the school has integrated **Morning Pranayama** into the daily routine. Rooted in yoga, this simple yet powerful breathing practice is known to reduce stress, improve focus, and promote overall well-being. This ongoing program fosters a positive and mindful school environment, helping students build resilience, sharpen concentration, and develop lifelong wellness habits. **Let's breathe, focus, and thrive together!**

SKILL MODULES – WORK EDUCATION CLUB FOR CLASSES VI - VIII

In alignment with NEP 2020 and CBSE guidelines, the school has introduced Skill Modules for Classes VI–VIII as work education clubs to provide early vocational exposure and practical learning opportunities. These modules allow students to explore career pathways while developing essential skills.

Modules Offered:

- ✓ Artificial Intelligence
- ✓ Design Thinking
- ✓ Travel & Tourism
- ✓ Mass Media

At the **Senior School level**, students in **Classes IX and X** study **Information Technology** as an additional skill subject, while **Classes XI and XII** have the option to take up **Typography and Computer Applications**. This initiative not only enriches the academic experience but also equips students with practical skills for future success.

OPEN DOOR (CLASS III- X)

The **Open Door Programme** continues to play a vital role in learning for Classes III – X. Through periodic assessments, students strengthen their understanding of core concepts in Mathematics and Science. Regular performance tracking ensures focused guidance, enhancing conceptual clarity and academic growth.

CINEMA IN SCHOOL (NURSERY TO CLASS X)

The school remains committed to **Cinema in School**, a unique film-based learning initiative for **Nursery to Class X**. This program reinforces values, life skills, and critical thinking through engaging short films and interactive workbooks. Students actively participate in post-screening discussions, encouraging introspection and meaningful learning.

EKJUT: SOCIAL INITIATIVE PROGRAMME

Under the **Ekjut: Social Initiative Programme**, students will actively participate in social responsibility projects throughout the academic year. Rooted in the spirit of collaboration and collective action, this initiative empowers each class to take on a project that contributes meaningfully to the betterment of society.

Through **Ekjut**, students will identify pressing social issues, design action-oriented solutions, and work towards tangible, real-world impact. The projects will focus on key areas such as:

- ✓ Environmental Sustainability
- ✓ Community Welfare
- ✓ Health & Well-being
- ✓ Education for All

This initiative will help students develop leadership, teamwork, empathy, and problem-solving skills while instilling in them a sense of civic responsibility. By taking small but meaningful steps, they will experience the power of collective change and contribute towards building a more inclusive and compassionate society. Together, let's stand united—Ekjut—for a better tomorrow!

MENTAL HEALTH, COUNSELLING AND SUPPORT

DPS Rohini has upheld the spirit of inclusion, diversity, unity, growth and nurturance through its Department of Mental Health, HOPE.

The school counsellors aim to help students in academic, social, mental, emotional and behavioural development. Value based education, general counselling, life skills training and career counselling for the students are an intrinsic part of the Mental Health programmes of the department.

PASTORAL CARE

We feel immense pride in sharing that our new initiative, Pastoral Care Programme has made significant strides towards achieving an environment for bridging the gap between students and teachers thereby increasing communication and ensuring better development in all areas. Students reveal, discuss and introspect aspects of their lives with the Pastoral Care Team and also drop their concerns, worries and apprehensions in the 'WE HEAR' box. Students feel safe and cared for when their concerns are addressed on an individual basis, that too, in a safe and private space.

ENSURING HEALTH AND SAFETY

- We would like to emphasize the importance of the following in maintaining overall health, concentration and academic performance.
 - a) Staying hydrated- Maintaining a healthy body and mind requires regular hydration. Fatigue, lack of concentration, and impaired cognitive function can result from dehydration. Your ward must carry a water bottle and make it a habit to drink water regularly.
 - b) Not to stay empty stomach- Skipping meals has a detrimental effect on health and academic performance. A healthy breakfast taken before leaving for school lays the groundwork for a successful day. It offers the nutrition and energy essential for optimum brain health. Additionally, pack healthy snacks and fruit for your ward to keep her/him energised and focused throughout the day.
 - c) Students must bring seasonal fruit for the fruit break everyday.
- Maintaining a secure and healthy atmosphere is crucial for everyone. We sincerely request that you should not send your ward to school if she/he has any symptoms of sickness.
- In today's digital age, where technology continues to advance rapidly in our daily lives, educating our children about the importance of cyber safety is essential. We must foster an atmosphere of trust and understanding through open communication with our children to empower them to make informed decisions and protect themselves from online threats such as cyberbullying, identity theft, and exposure to inappropriate content.

UNIFORM TURNOUT

The School Uniform is a discipline in itself and should be adhered to by all the students. Parents are requested to make sure that their wards are in proper school uniform every day.

Parents must ensure strict adherence to the following:

- **It is compulsory for students to come to School in summer uniform from Tuesday, 1st April 2025.**
- Students should be habitually clean and always neatly dressed. The school uniform should be worn on all working days and for all school functions.
- Students who are untidily dressed or not in proper uniform will be sent back home.
- Girls are allowed to wear only small ear tops or studs. No other jewellery is permitted.
- Students are strictly prohibited from applying mehndi, kajal, nail polish or hair colour. Stringent action will be taken against defaulters.
- **It is mandatory to wear track suits on days when students have a PT period or excursions.**
- Students must wear their RFID-Cards to school daily.
- To avoid items being misplaced, kindly ensure that shoes and other articles of your ward are tagged from the inside.

CARRY SMART

Students should bring books and notebooks according to the timetable and instructions given by the respective subject teachers.

- Kindly choose light-weight water bottles made of materials that are harmless for your ward
- Parents should check the bags of their wards regularly to ensure that they do not carry unnecessary books that make their bags heavy.
- Pick a backpack made of lightweight material.
- The straps of the backpack should be wide and padded.
- Avoid a school bag with wheels as it is heavy.
- Pouches can be used instead of boxes to carry stationery.

NEWSPAPER READING

The newspaper is a great source of information and the best means to improve language skills. Kindly ensure 'Newspaper Reading Time' in your ward's routine. Also, encourage her/him to listen to the news every day.

EXAMINATION

- The First Unit Test Cycle will begin in the month of May, 2025. Please refer to the school Almanac for the schedule.
- If your ward misses a Unit Test/Semester exam due to some reason, you must inform the school through mail the same day.
- Students should not indulge in unfair means during the examination and should avoid plagiarism at all times.

- Retest of UT will only be taken in case of absence because of medical leave. In case, the child is travelling /there is a function in the family, NO retest will be taken.

OPEN HOUSE

Open House for Classes Nursery - XII will be held in the month of May. The schedule and other details of the day will be intimated later.

SCHOOL FEE

Please ensure that you pay the school fees on time. To avoid any inconvenience, it is advisable to pay the fee before the 10th of the first month of every bi-month.

ATTENDANCE

75% attendance is mandatory and no relaxation of any kind will be granted to a student who fails to fulfil the school's requirement. In case, the attendance is short, the student will not be eligible for any academic prizes.

SCHOOL PORTAL

The school website reflects the ideologies and the ethos that the school stands for. The improved navigational controls allow visitors to easily learn about the happenings at DPS Rohini and gather necessary information. Parents must familiarise themselves with the school portal and visit it **at least twice a week** as all important information regarding the schedule and date sheet of examinations, workshops, change in syllabus and untimely holidays are always communicated through the homepage of the school portal.

COMMUNICATION / EMAIL PROTOCOL FOR PARENTS

1. Please convey your concerns regarding your ward's scholastic, non-scholastic, behavioural issues, any administrative requirements or any miscellaneous matter through the Almanac.

In case your concerns are 'not addressed' within three working days, then either a mail may be sent to the school or meeting with the Class Coordinator/Infant School Incharge/Acting Headmistress/ Vice Principal/ Principal, (with prior appointment) may be requested, depending upon the gravity of the matter.

2. Please go through the initial pages of the Almanac to be well versed with the school rules and encourage your child to use the Almanac regularly to record daily activities including classwork, homework, test scores, books read, duties undertaken, etc. You are advised to check the almanac daily and endorse any remarks given by the teacher to ensure that your ward stays organized & effectively manage their academic responsibilities.

3. When using email as the medium to correspond with the school, kindly be mindful of the following:

- Please address all communication to the Principal. Clearly mention your ward's admission number, class and section in your communication.
- Highly confidential, emotional or contentious issues are always best discussed face to face. Use email to ask for an appointment or meeting only.

- Use the following email address for communication.

'GIGGLES AND TALES': A Humorous Anecdote Sharing

A laughter-filled event, 'Giggles and Tales', will be organised for the students of Class IV. Each student will share a humorous personal anecdote—a funny incident from their own life. The goal is to encourage confident public speaking, expressive narration and engaging delivery while spreading joy and laughter.

Day & Date: Wednesday, 23 April 2025 (tentative)

Time Duration: 1.5 to 2 minutes

General Instructions:

- Each student must share a funny real-life incident from their own experiences.
- The anecdote should have a clear beginning, middle and end to make it engaging.
- Students should focus on voice modulation, expressions and clarity to enhance the humour.
- Props and costumes are not required—let the power of words and expressions bring the anecdote to life!
- Let's fill the room with laughter and unforgettable moments!

HINDI COMPETITION
