

PRATAP INTERNATIONAL SCHOOL

Grade – II

(1st May-31st May 2025)

Synopsis: Pratap International School organized a series of enriching and joyful events that blended learning with celebration. Labour Day was observed with gratitude as students honored the dedication of school staff through thank-you cards and a special assembly. Maharana Pratap Jayanti was celebrated with great pride, where students presented speeches and enactments to remember the valor of the legendary warrior. A refreshing Pool Party added a splash of fun, allowing students to relax and enjoy water games with friends. Mother's Day was marked with heartfelt performances, handmade gifts, and emotional tributes by students expressing their love and appreciation for their mothers. The Koozoo Talent Show gave a vibrant platform to showcase hidden talents in music, dance, drama, and more, boosting student confidence and creativity. Finally, the Summer Camp wrapped up the term with a blend of exciting indoor and outdoor activities, crafts, games, and learning sessions, making it a memorable and wholesome experience for all.

Each event was a testament to our commitment to holistic development and joyful learning.

Labour Day

Honouring the hands that build our future!

Pratap International School proudly celebrated the dedication and hard work of our support staff. Students expressed gratitude by presenting tokens of appreciation, reminding us that every role, big or small, is vital in shaping our community.

Salute to all the helping hands!

Hard work deserves recognition!

Let's build a better tomorrow together!

"Every worker is a creator"

Pool party

Splashing into happiness! Pratap International School's Tiny Splashes Fiesta 2025 was all about carefree laughter, playful moments, and vibrant memories. Our young stars jumped into fun with full excitement, enjoying a delightful break from books. Such joyful experiences build confidence, friendships, and a love for school.

Because learning is best with a splash of fun! ☀️

Maharana Pratap Jayanti

Honoring the Legacy of a Great Warrior!

Pratap International School proudly celebrated Maharana Pratap Jayanti with enthusiasm and patriotism. Students dressed in traditional attire and participated in various cultural activities to commemorate the valor and leadership of Maharana Pratap.

Students remembered the fearless warrior who stood for truth, honor, and freedom.. His life is a shining example of courage and self-respect that inspires young minds across generations.

Mother's Day

Mother's Day was joyfully celebrated at Pratap International School today! 🌟 The event began with our Director, Dr. Surabhi Bhadauria, and school Principal by lighting the ceremonial lamp. 🕯️ The children presented soulful dances and songs for their mothers, who lovingly returned the gesture with heartfelt performances.

A special parenting workshop was conducted by Mr. Tariq Siddiqui, Senior Trainer at Ratna Sagar, highlighting the power of storytelling for effective communication. 📖

Summer camp

Day 1 – Grooving into summer with Zumba and Aerobics!

Pratap International School's Summer Camp kicked off with rhythm, fun, and non-stop energy ⚡ 🎵 — a perfect start to an unforgettable journey!

Day 2 of Summer Camp: Little Scientists at Work!

Our curious campers had a blast with hands-on science experiments 🧪 🌋, exploring the magic of volcano eruptions and learning how plants grow! 🌱

From bubbling lava to planting seeds, each activity sparked creativity, teamwork, and lots of smiles.

Learning truly is fun at Pratap International School!

Day 3 Dining etiquette & Fireless Cooking

At Pratap International School's Summer Camp was all about learning with fun! Our little chefs explored Dining Etiquette and Fireless Cooking-creating delicious dishes while mastering table manners. Great job, budding culinary stars!

Day 4 Yoga & Magic: A Perfect Summer Mix!

At Pratap International School's Summer Camp, Day 4 brought out the flexibility and dreamer in every child!

From building stronger minds and bodies to being mesmerized by magical tricks, our campers explored, learned, and enjoyed every moment!

Classroom enrichment activity

Grade: Class 2

Subject: Environmental Studies (EVS)

Topic: Human Body Parts

Activity Title: “Build a Human Body with Matchsticks”

As part of the lesson on the human body, an engaging and creative activity was conducted where students built a human body figure using matchsticks.

Learning Outcome:

- Students could identify and name major external human body parts.
- Improved fine motor skills and hand-eye coordination.
- Encouraged creativity and teamwork.
- Reinforced understanding of body structure in a fun, memorable way.
