From the Desk of Manager

I welcome the latest number of SBGS NEWSLETTER. Shiksha Bharati School provides an opportunity to the students to express their thoughts and creative ideas which are latent in their minds in the form of story, poem or an article.

The school is committed to do the overall development of young children studying in SBGS by organising curricular and co-curricular activities at school including inclusive education as per National Education Policy (NEP), 2020 which emphasizes that education is a tool for social justice and equality.

I appreciate the parents for their cooperation, students for their obedience and painstaking teachers who are making bright future career of the students and preparing socially responsible citizens by inculcating human values in them.

With warm wishes and God's blessings.

Hitesh Bhardwaj
Manager - SBGS

From the Desk of Principal

I'm pleased to know about that SBGS Newsletter is in process. In my opinion the Newsletter provides an opportunity to our budding writers to express their ideas through words.

I think, children should be motivated to grab every opportunity that comes their way which would not only help in their holistic growth but also strengthen their belief in team work, which is important in the changing world.

Our institution provides a conducive atmosphere to facilitate the acquisition of knowledge, honing of life skills and inculcation of ethical values, leading to all round development of students and thus promoting self-actualisation.

I sincerely appreciate and value the efforts of teachers they are making to empower the students and enabling them to acquire new skills and shaping them for a better tomorrow.

I thank the Management for providing resources. I thank all the parents, staff and students for their unstinted cooperation.

I wish the SBGS Newsletter a good luck.

With sincere and warm regards,

Manisha Kaushal
Principal

SHIKSHA BHARATI GLOBAL SCHOOL CELEBRATES DURGA PUJA AND DUSSEHRA

DE NEWS

Shiksha Bharati Global School, Sector 8, Dwarka celebrated Navratri and Dussehra on 8th October 2024 in school premises. The students presented a very beautiful ballet depicting how Maa Durga slew the demon Mahishasura, followed by glimpses of the Epic Ramayana and how Lord Rama punished Ravana the abductor of Maa Sita. Both events reflect the victory over evil. Students were looking gorgeous in colourful attires of Lord Rama and Maa Sita, Maa Durga and demon Mahishasura etc. The students performed so well that the spectators were mesmerized and there was a huge

round of applause. Director, Hridaya Kumar, Manager SC, Rawat and Head of School- Ms. Manisha Kumbhar appreciated the programme and thanked the performers and their teachers who prepared them and especially the Dance Teacher for teaching the performers most steps for dance performances. The slogans of Jai Shri Ram and Jai Maa Durga were resounding in the air, and thus is how the celebration came to an end.

AI : The Future of Learning

Picture a classroom where a virtual tutor assists you with Maths homework right away, an AI assistant recommends books according to your interests, and lessons adjust to your learning pace. This is not science fiction—it's the future of learning, fuelled by Artificial Intelligence (AI).

Artificial intelligence is changing the way people learn by enhancing it to become more interactive and customized. Intelligent chatbots and virtual teachers provide answers 24/7 and assist students in understanding concepts anytime, anywhere. Educators use AI to execute tasks such as grading, thereby having more time to concentrate on innovative teaching styles. Even individuals with disabilities get a boost because AI offers speech-to-text solutions and real-time translation.

But AI is not a substitute for human instructors. Although it can make learning easier, real education demands creativity, critical thinking, and emotional support—abilities that only humans possess. Used judiciously, AI can be an incredible tool to make learning smarter, faster, and more engaging. The future of education is not about technology; it's about how we harness it to unlock every student's potential.

A Tapestry of Togetherness

We're Class 9E, a team so fine,
With friendships forged, and memories divine.
Aarav's smile, Abhay's gentle soul,
Akul's bravery and Angel's laughter make our hearts whole.
Dev's wit, Harshita's caring ways,
Harshvardhan's kindness, brighten up our days.
Ibaadat's thoughts, Khushi's joyful grin,
Krish's wisdom, Krishang's spirit within.
Kritika Panwar's heart beats with love and light,
Lavanya's dreams, Parth's aspirations take flight.
Pragya's wisdom, Priyanshi's gentle touch,
Riya's creativity, Sakshi's courageous clutch.
Shivansh's passion, Sanskar's guiding hand,
Shauryaveer's kindness, Shreya's compassionate stand.
Siddhi's perseverance, Tanisha's bright smile,
Tanmay's humour, Urmika's warmth, all the while.
Khushi, Vartika, and I - Kritika Rai , a bond so strong and free,
Together we share, laughter, tears, and memories.
Guided by Suman Chauhan Ma'am's gentle care,
We've grown as individuals, with love and support to share.
A bond so strong and true,
Friendships like these, forever shines through.

Kritika Rai, 9E

Examination Student's Friend or Foe

As we know that our final exams are around the corner, usually we start taking stress in this duration but we have to understand that the final exams are not to demotivate us but to prepare us for more opportunities in life. The final exams are a minor part of our hurdles which we pass and take a step ahead in life. The students who are worried about their marks must study a quality content such that he/she might score more by studying less. During the preparation, a student must be attentive, honest and hardworking. He/she must not forget to take a proper sleep of 7 to 8 hours to get refreshed.

According to me, the best time to study is early morning and the late night because these are the time periods when there is very less chance to get distracted. A student must attach the date sheet of exams on the wall where he/she is studying so that he/she must be reminded about his/her exams every time he/she passes from there. A student must follow a productive time table and be disciplined during the time of Annual Examination. He/she must not take any pressure or stress during this time. A student must also not over think his/her problems because overthinking completely disturbs the mind. At last, I would like to say that an examination must be treated as a friend and must be seen as a part of life.

How I Overcame my Fear

On the day of the competition, my legs felt weak as I walked onto the stage. My voice trembled as I started speaking, but I took a deep breath and focused on the words I had prepared. As I continued, I noticed the audience listening attentively, which gave me the confidence to push through. By the time I finished, I felt a wave of relief and pride wash over me. Although I didn't win first place, I won something even greater—confidence. That experience taught me that fear only has power if we let it. Since then, I have embraced public speaking with less hesitation, knowing that courage grows each time we face our fears.

संपादकीय,

भाषा मानव समाज में अभिव्यक्ति का संभवतः सर्वोत्तम माध्यम रही है। लेखन, पठन, पाठन और मनन से भाषा का अति प्राचीन काल से संवर्धन होता रहा है। भाषा के मुख्य चार प्रकार होते हैं—इंगित, चित्रित, मौखिक और लिखित। आधुनिक युग में भाषा का लिखित रूप सर्वाधिक प्रभावी है। इसीलिए हमारा विद्यालय अपने छात्रों एवं अध्यापकों को लेखन कौशल का प्रदर्शन का अवसर देने के लिए नियमित रूप से NEWS LETTER (समाचार-पत्र) प्रकाशित करता है। इस समाचार पत्र के प्रकाशन में हमारे विद्यालय के प्रबंधक महोदय, प्राचार्य जी एवं सभी प्राधिकारियों का मार्गदर्शन महती भूमिका निभाता है।

नदियों के संगम के समान ही भारत की सभी प्रांतीय और क्षेत्रीय भाषाएँ भी पृथक नहीं अपितु एकजुट रहती हैं। अक्सर विभिन्न मंचों पर इन भाषाओं का संगम देखने को मिलता है, जिसमें विभिन्न भाषाओं के प्रतिनिधि लेखक, कवि एवं विद्वान महाकुंभ की तरह पावन डुबकी लगाते हैं।

हम यह आशा करते हैं कि भाषाओं के संगम महाकुंभ में शीघ्र ही सामान्य भारतीय भी पवित्र स्नान करना आरंभ कर देंगे बशर्ते कि पृथकतावादी कुछ नेता भाषाओं को अपने अस्त्र बनाकर भाषा संगम के प्रयत्नों में विघ्न न डालें।

स्कूल के दोस्त

जीवन सुख और दुख का मेल हैं। कभी हमें खुशियाँ मिलती हैं, तो कभी दुःख हमारा रास्ता रोकने आ जाता है। लेकिन असली ताकत उसी में है तो दुःख में भी खुशी ढूँढ सके। इसमें सबसे बड़ी भूमिका निभाते हैं हमारे दोस्त और हमारा स्कूल।

जब कभी हमें किसी वजह से दुख होता है – परीक्षा में कम अंक आ जाएं, किसी अपने से झगड़ा हो जाए या मन उदास हो – तब हमारे सच्चे दोस्त हमें हंसाने और संभालने के लिए खड़े रहते हैं। स्कूल केवल पढ़ाई की जगह नहीं होता, बल्कि यह हमें दोस्ती, अपनापन और सहयोग सिखाता है। दोस्तों के साथ बिताए गए पल हमें यह एहसास कराते हैं कि अकेलापन सिर्फ एक सोच है।

जब हम दुःख में भी दोस्ती और स्कूल की खूबसूरत यादों को संभाल कर रखते हैं, तब हमें समझ आता है कि खुशी बाहर नहीं, हमारे अपनों के साथ होने में है। इसलिए, चाहे कितनी भी मुश्किलें आएँ, हमें अपने दोस्तों और स्कूल की खुशियों को संजोकर आगे बढ़ना चाहिए।

अंधेरों में ही दिखते हैं सितारे,
संघर्षों में ही निखरते हैं इरादे हमारे।
इम्तिहान राह रोके खड़ा जो भी आए,
मेहनत से हर सपना सच हो ही जाए।

अकेला

अकेला सा बैठा हूँ इन सपनों के बीच,
मिला ना बैठने को कभी अपनों के बीच,
इस चार दीवारी में बैठ के मैं हजारों कहानियाँ दूँ सींच।
रुकता ना कोई अब टूटे मेरे सपने,
जिंदा हैं सब इन्होंने पहनी क्यूँ अब कफ़नें,
तन्हाई में मैं जीयूँ क्यूँ ऐसी दी जिंदगीब मुझे रब ने,
जिनको समझता था अपना उनकी आती नहीं अब ख़बरें,
इतना चाहता मैं प्यार करना इसके लिए हम बेसबरें,
इन आँखों ने देखी हैं खुदती सबकी क़ब्रें,
इसलिए तो कहानियों से सौ पन्ने हम हैं भरते,
कैसे मैं चुकाऊँ मुझपे कितने उनके कर्जे।

SCIENCE EXHIBITION AT SBGS

India celebrates National Science Day on 28th February every year to honour the discovery of the Raman Effect by Sir C.V. Raman in 1928 and awarded with prestigious Nobel Prize in Physics.

To celebrate this day, a Science Exhibition was held on 28th Feb 2025 at our school campus. The exhibition aimed to ignite curiosity and promote a deeper understanding of science among students and also to encourage them to explore various scientific concepts and innovations.

Our Respected Manager Sir Mr. Hitesh Bhardwaj, Middle Wing Coordinator Ms Minu Tyagi and Primary Headmistress Ms Neha Sharma visited it and encouraged the participants. Students of all classes and parents were also invited to see the models. Students of all grades (II to XI) participated in it. They prepared their models under the guidance of the faculty of Science Department. The main motto was to engage students for interactive learning and to provide them opportunity to showcase their innovative projects and experiments.

Gandhi Jayanti

हम सबके थे प्यारे बापू, सारे जग से न्यारे बापू।
कभी न हिम्मत हारे बापू, भारत के रखवारे बापू।।

The birth Anniversary of the “Father of the Nation” Mahatma Gandhi was celebrated. Teacher's talk was delivered. Activity was done by Grade 1 students. Children drew Gandhiji's spectacles with slogan 'Swachh Bharat'. Students learnt the principles of Mahatma Gandhi like non – violence, truth, equality, simplicity, forgiveness and Self- determination.

International Peace Day

The World Peace Day is celebrated to mark the global harmony tolerance, and understanding among the people. We celebrated this day on 10th September. On this occasion we can teach young learners about peace and tolerance from an early age which is important in shaping not only their individual characters but also the future of society.

This early education fosters a foundation of compassion and open-mindedness, which can help counter prejudice and discrimination, ultimately paving the way for a more harmonious and understanding world, regardless of their background. We teach our students about the greatness of unity in diversity as we have different cultures and religions, and how to be respectful of everyone's differences so that they can establish a culture where kindness and respect are valued. Students did the colouring activity on this special day.

World Student's Day

“World Student's Day” is celebrated on 15th October to honour the contribution and legacy of Dr. A.P.J Abdul Kalam, an inspiring leader, a passionate advocate for education and former president of India.

Different activities were organised for students on this day to showcase their creativity.

Indian Air Force Day

Indian Air Force Day is a super special day that is celebrated on October 8 every year. It's a day when we say a big “Thank” to the amazing people who work in the Indian Air Force. They are like real-life super heroes who fly in the sky and keep us safe. To celebrate this day our school organised an educational trip for our students to Air Force Museum, Palam on 4th October 2024.

Our little tiny- tots were very excited to visit the museum for the first time and they saw big air planes, jets and helicopters which show how brave and strong our Indian Air Force is. Many different space shuttles were shown to the students through which they learnt that how people landed and travelled into space and different air crafts like Rafale which help in protecting our country and helping out in emergencies.

CHILDREN'S DAY

Shiksha Bharati Global School celebrated *Children's Day* on the 14th November 2024, with great festive fervour, to commemorate the 135th birth anniversary of Pandit Jawaharlal Nehru. The programme began with a special assembly conducted by the teachers, followed by informative and inspirational speeches about the great leader, thinker, visionary and a true statesman – Pandit Jawaharlal Nehru. The first Prime Minister of independent India was extremely fond of children and therefore some games, dances and colouring activities were organised for our tiny- tots which clearly depicted the spirit of the occasion. Our students became aware about a great leader Pandit Jawaharlal Nehru, who is known for his relentless efforts in increasing awareness of the rights, care and education of children. The following day had a series of interesting and exciting events, all planned meticulously for complete entertainment. It was a day full of joy and laughter for the students. Children from grade 3 to 5, crafted a beautiful piece of Nehru Cap and Paper Rose on this day. Children enjoyed fun activities thoroughly.

National Mathematics Day

National Mathematics Day is celebrated every year on December 22 in India to commemorate the birth anniversary of the renowned Indian mathematician, Srinivasa Ramanujan. This day is dedicated to promote the importance of Mathematics in daily life. The theme for National Mathematics Day 2024 focuses on engaging students in hands-on mathematical activities that foster a deeper understanding and appreciation for the subject.

As part of the National Mathematics Day celebrations, a matchstick activity was organized in online mode to demonstrate the beauty and utility of mathematical concepts in a fun and interactive way. It aimed to make learning mathematics more enjoyable while fostering creativity. The matchstick activity included a variety of challenges where students were asked to form different shapes, patterns using horizontal, vertical and slanting lines. Students participated enthusiastically in the activity. The day was filled with engaging activities aimed at inspiring students and fostering their love for mathematics.

A PowerPoint presentation was shown to students, highlighting the contributions of great Indian mathematicians, including Srinivasa Ramanujan, and emphasizing the importance of Mathematics in our daily lives.

For Class 3, a fun-filled "Penguin on Skates" activity was conducted, where students solved problems involving division and multiplication to colour the penguin. Students of classes 4 and 5 participated in a Sudoku activity. Through this logical reasoning challenge, they enhanced their critical thinking and analytical skills, gaining a deeper appreciation for mathematical patterns. Overall, the students thoroughly enjoyed the activities and learned about the significance of Mathematics in both academic and everyday contexts.

India Army Day

The school expressed its admiration and gratitude to the Indian Army by celebrating Army Day with great zeal. This day is celebrated on January 15 every year. It is a historic day because on this very day General KM Cariappa became the first Indian to take charge of the Indian Army in 1949. He took over from the last English commander of our nation's army after India got freedom from British rule. This day is a grand celebration of India's military might and its unsung personnel. To mark the significance of this day, the students recited rhymes and songs and paid tribute to our army who serves our nation. They also made colourful, bright and vibrant drawings of our soldiers to show the respect and gratitude towards the Indian Army. The martyred soldiers are the greatest heroes of our country and remembering them on this special day is a duty of all the Indians.

Navratri & Dussehra Celebration

Celebrating festivals is an integral part of learning through such celebrations, we not only learn the significance of the festivals but also learn to embrace our cultures and traditions. As we know, Dusshera is one of the most important Indian festivals celebrated on the tenth day of the month of Ashvin. The occasion marking the victory of Lord Rama over the evil king Ravana, reinforced the message of the triumph of good over evil. Today on October 8, 2024 Shiksha Bharati Global School celebrated this festival with gaiety and great ebullience. Students of primary wing presented the assembly very well which started with the speech and continued with amazing performance presented by tiny-tots which consisted Navratri Celebration and Role play in the form of skit for Dussehra Celebration. The celebration created a spiritual and enthusiastic atmosphere among all of us. The festival continued with amazing performance presented by tiny-tots which consisted Navratri Celebration and Role play in the form of skit for Dussehra Celebration. Navratri festival was celebrated with the art of Kalashand Dandiya. Students were informed about the importance of Navratri festival. All the students participated in this festival with great enthusiasm and excitement. The celebration created a spiritual and enthusiastic atmosphere among all of us.

Guru Nanak Jayanti

Learning Objectives :

- To inculcate the feelings of spirituality and respect towards each religion.
- To develop their interest in cultural programmes to relate with real life experiences.

Activities have an equal importance for the all- round development of a child. Keeping in view this, we celebrated 'Guru Nanak Jayanti' with a great zeal. It is a significant religious and spiritual festival. Students participated to show their devotion by different performances like chanting Mool- Mantra and Gurbani hymns in singing way. Our respected Principal ma'am motivated the students by providing the teachings and principles of Guru Nanak Dev ji like the values of equality, work for social welfare, believe in one God, brotherhood and uplift the status of women in the society. They enjoyed the beautiful moment of showering flowers above the Panj Piyaras and picture of Guru Nanak Dev ji. Audience was amused by their claps and trying to match their rhythms with the music.

Eventually, the flow of the programme came to an end by the 'Ardas' as request to God for the blessings shower upon the school, students and whole world. Teachers distributed the 'Kadah Prasad' as ritual of getting blessings through it. The essence of the celebration was touched by the heart and soul of everyone present there with aesthetic gestures on the faces of the performers.

Christmas Celebration

Christmas is a time of fun, joy and hope for all the children around the world. This year Christmas was celebrated with great fervour and enthusiasm at school. The entire school was filled with the positive vibration of Christmas carols. The courtyard of Pre-Primary wing was in a festive look and was beautifully decorated with bells, stars and Christmas tree. Kids came to school wearing beautiful Santa Claus dress. Tiny-tots dressed like Santa Claus. The tiny-tots of Pre-Primary participated in activities like dance and games etc. Glitter pasting at Christmas tree was done. There was an ambience of Christmassy all around. The significance of this festival was told to the students. The children enjoyed the beats of “Jingle Bells” and wished Merry Christmas to their friends and teachers.

Lohri & Makar Sankranti Celebration

The Lohri celebration at Shiksha Bharati Global school was a delightful and joyful event, especially for the pre-primary class. The celebration began with the teacher who explained the significance of Lohri, a festival of harvest and the end of winter, to the children in a simple and engaging manner.

The little ones were excited as they participated in various fun activities throughout the day. Colouring worksheet was prepared for kids in which they have to do colouring.

Overall, the Lohri celebration was a memorable and educational experience for the pre-primary students and they left the event with happy hearts and new knowledge about this beautiful festival.

Makar Sankranti is a popular festival celebrated in India, marking the transition of the sun into the zodiac sign of Capricorn (Makar). It typically falls on January 14th every year, although it may sometimes fall on January 15th, depending on the solar calendar. It's also a time for families and communities to come together, share meals, and celebrate the good harvest. It's a festival of joy, light, and togetherness. The festival was celebrated with great enthusiasm at school. Fun-frolic activities were done. The festival symbolizes the triumph of light over darkness, knowledge over ignorance, and the beginning of longer days as the sun moves northward.

Republic Day Celebration

Republic Day was celebrated with great enthusiasm and patriotic fervor at Shiksha Bharati Global School on 24th January. The entire school campus was decorated with tricolor flags, balloons, and beautiful rangolis, reflecting the spirit of the occasion. The function was started with the hoisting of the National Flag, followed by the National Anthem, which filled everyone with pride and respect for the country. Inspiring speeches were delivered by the students, highlighting the importance of the Republic Day, the history behind the Indian Constitution and the sacrifices made by freedom fighters. The speeches instilled a sense of patriotism and responsibility among the students.

Adding a colorful touch to the event, the Pre-Primary students gave a vibrant dance performance. Dressed in traditional attire, the little ones performed with great enthusiasm, leaving the audience mesmerized and applauding their efforts. Special activities were also conducted for Pre-Primary kids, including coloring simple crafts, and fun games, making the celebration enjoyable and memorable for the youngest members of the school. The celebration left everyone with a sense of pride and joy. The Republic Day event at SBGS not only celebrated the spirit of freedom and democracy but also encouraged students to uphold the values enshrined in the Indian Constitution.

CBSE Expression - 2

The Central Board of Secondary Education (CBSE) conducted the Expression Series 2, an online creative writing competition, to encourage students to express their thoughts and opinions on various themes through the medium of writing or by art. The objectives of conducted such a renowned programme are to:-

- Foster creative thinking and writing skill.
- Provide a platform for students to express themselves.
- Encourage critical thinking and problem-solving .

CBSE Expression Series 2 successfully promoted creative expression and thinking among students. Our school is proud of its participants' achievements. We would surely like to continue such initiatives to nurture creative talent among our students.

Educational Trip

Nehru Planetarium Museum New Delhi

Learning Objectives:

- To provide the students field trip that can enhanced through real- life experiences.
- To motivate the students to enrich and reward them mentally and culturally.
- To develop the social skills by interacting with their peers outside the classroom and think about a topic from a different perspective.

Field trips have an equal importance for the all- round development of the child. Keeping this in view, we at SHIKSHA BHARATI GLOBAL SCHOOL, Dwarka provided the platform to our Primary students to visit Nehru Planetarium on 28th September 2024. It was proved that experiential learning for our students. It is situated in the green surroundings of the Teen Murti House, the official residence of India's first Prime Minister, Jawaharlal Nehru and now a museum in his history. It furnished our students with learning about celestial phenomenon and the mysteries of the universe upon entering, students were welcomed by a variety of exhibits that introduced them to basic and advanced concepts of astronomy. This trip displayed live science class in which they have learnt from the beginning and invention of space, stars and scientists. Students have showcased their experiences through their writing skills about the trip and fun time which they have enjoyed with their peers and teachers. They have made very beautiful reports by explaining each and every key point that they have observed in their learning duration. It was an integrated trip which includes three subjects i.e Science, Arts and English. Our students have shared their astonishing glimpse through the pictures also. It encouraged our students to take more interest in science and to decide their future goals.

Subject Enrichment Activities

Sensory Activity

Dry and Wet : In Shiksha Bharati Global School we conduct many activities which provide holistic development to the students. Like this only we conducted one of the sensory activity dry and wet in the month of December 2024. The activity was been developed to give children the opportunity to learn more about dry and wet objects which they can feel using their sensory organ -skin. Such activities provide younger children to investigate how the dry objects feel and how wet things feel and then can differentiate into 2 groups as dry and wet and help and connect children to the wonders of the natural world through sensory and play-based learning. Children were shown visual aids like picture of sun and rain so that the students can relate them with the concept of dry and wet and like dry and wet clothes were shown. Later on, students identified the pictures as dry and wet and coloured the objects as it and enjoyed the learning.

Motor Skill Activities

Nursery

Our school provides a wide array of activities for students to discover their strengths and special talents.

Motor skill activities are those which involve a refined use of the small muscles which control the hands, fingers and thumb. With the development of these skills a child is able to complete important tasks such as writing, feeding oneself, buttoning and zippering, using tools like crayons and pencil. It improves Hand-Eye coordination and develop handwriting and drawing skills. As children grow with their fine-motor skills, their self-esteem also grows.

Workshops for Students

Global Handwash Day

On 15th October students of class I and II celebrated Global Handwash Day. The following activities were conducted in the classroom:

- Students were first told about the importance of this day; they were made aware of things associated with the hand washing.
- Students were taught the importance of washing their hands properly after eating food and playing etc. Relevant video representations were also shown to the students for the same purpose.
- At the end, active response was collected from the students in the form of pledge where they promised to keep their hands clean.

Workshops for Students

3 R's "Don't let our planet go to waste, Reduce, Reuse and Recycle"

The three "R" words are an important part of sustainable living, as they help to cut down on the amount of waste we have to throw away.

A workshop was conducted where little munchkins of Pre-Primary were educated about the concern for the natural environment, especially in waste management in the school environment. The introduction of the workshop provided by the teachers through animated videos and also helped the children to identify categories of organic, inorganic and hazardous waste. Teacher also talked about children's caring attitude towards waste management in the school environment.

Pre-Primary students did beautiful colouring activity as well. The workshop thus contributed to overall holistic development of the students and students enjoyed a lot.

Safety Measures

"An Ounce of prevention is worth a pound of cure"

Pre-Primary wing organised a workshop on "Safety Measures" for little munchkins. The objective of this workshop was to educate and raise awareness among young children about essential safety measures and practices. The workshop aimed to empower students with knowledge and skills to ensure their safety and well-being. The workshop started with teacher's talk where students were educated about few safety measures. Few activities were also conducted. The workshop was interactive, engaging and tailored to suit the age and understanding of our Pre-Primary students.

Class Etiquettes

A class etiquettes workshop was conducted on 28th January 2025 for Pre-Primary students to teach them good manners in the classroom. Teacher's talk was delivered in the morning assembly. The session was held in individual classrooms, where teachers guided students on essential classroom etiquettes. Teachers delivered an engaging talk, explaining the importance of listening attentively, raising hands before speaking, sharing with classmates, and using polite words like “please” and “thank you.” To make the learning experience more interactive and enjoyable, a related documentary was shown to the students. The video helped reinforce good behaviour through visual, making it easier for young learners to grasp the concepts. The children responded positively to the workshop, showing enthusiasm and interest. Overall, the workshop was a success in promoting good manners and positive behaviour among pre- primary students. It provided a fun and effective way to instil classroom discipline and respect for others.

Healthy Vs Junk Food

"Always eat what's right"

A workshop was conducted on the topic “Junk Food Vs Healthy Food” for the students of Nursery and KG. The aim was to help students understand the differences between these two food categories and the importance of making healthy choices. The workshop began with a fun presentation featuring colourful images of different foods.

Students were shown pictures of junk food (like chips, candy, and pizza) and healthy food (like fruits, vegetables, egg, chapati). Students left with a better understanding of the importance of healthy eating. Many expressed a desire to try more healthy foods and reduce junk food consumption. Worksheet activity, related to the topic was done by the students. They brought healthy food in their lunch boxes. The main objective of this workshop was to make the students aware about the harmful effects of junk and good effects of healthy food. Overall, it was very informative and interesting workshop.

- To promote inclusion and acceptance through creative expression.
- To encourage participants to explore and share their thoughts and emotions about autism using art.
- To recognize and appreciate the efforts of all participants through certification.

Event Overview

The drawing competition saw enthusiastic participation from students and young artists across various age groups. Participants used various mediums to express their interpretations of autism awareness, showcasing empathy, creativity and knowledge about the subject.

The themes focussed on:

- Inclusion and acceptance
- Empathy and understanding
- Celebrating neuro diversity

Certificate Distribution

To honour the efforts and creativity of all participants, Certificates of Participation were distributed by Honourable Manager sir- Mr. Hitesh Bhardwaj and Principal - Ms. Manisha Kaushal.

Workshop on Promoting diversity and inclusivity

Date : 3rd May 2025
Venue : School Auditorium

A workshop on promoting diversity and inclusivity was organized by Mr Puneet Yadav (special educator) on 3rd May 2025 in the school's auditorium. The workshop was coordinated by our Special educator, Mr. Puneet Yadav and aimed for creating an environment where all students feel respected, valued, and supported, regardless of their background, identity or abilities.

The workshop began at 9:40 AM with a welcome speech by the Special Educator.

Mr. Puneet engaged students through interactive activities and group discussions. He emphasized the importance of foster belonging, promote equity, encourage empathy and understanding, reduce discrimination and bias, prepare students for a global society and ultimately enhance academic success.

The workshop concluded at 11:00 AM with a Q/A session, where students got the opportunity to clarify their doubts and seek personal advice from the expert. The Principal, Ms. Manisha Kaushal appreciated the efforts of the Mr. Puneet Yadav, S.E.T and encouraged students to apply the techniques they had learned in their daily interactions.

Overall, the workshop was a great success and received positive feedback from both students and faculty. It proved to be a valuable learning experience and is expected to be followed by more such events in the future.
