**ABACUS PROGRAMME FOR CLASSES I-V (SKILL DEVELOPMENT COURSE)**

Dear Parent

The overwhelming response received for the Abacus Programme introduced in the previous academic sessions has been very motivating for all of us. Abacus is a 360-degree brain development programme to enhance creativity, concentration and confidence in a child. It imparts better techniques to do faster calculations and helps in improving listening skills and learning ability. In this regard, the school in collaboration with **AVAS** (a leading organisation working at the national level with many renowned schools) proposes to extend the opportunity again this academic session.

**The classes will be conducted by professional teachers for the duration of one hour per week within the school hours.**

**Fee for the programme:**

<b>ABACUS classes I-V</b>	<ul style="list-style-type: none"><li>• ₹ 2300/- Fee includes sessions, kit, books along with tool (July 2025 - February 2026)</li><li>• Parents can also get the access to the app by paying an additional amount of ₹ 200/- especially designed to keep a track of their ward's progress all through the year. It is not compulsory and depends upon the choice.</li></ul>
Enrolments are on first come first served basis (Maximum 100 students)	

- Certificates and medals will be awarded after completion of the course.
- Result of the Abacus club will be demonstrated in month of March.
- A national platform is given to participate in the National Level Championship for every student. Champions get special honour on the National Mathematics Day.

**Please note:**

1. A cash payment of ₹2300 + ₹200 (an additional amount, if opted) to be submitted to the class teacher latest by **07.07.2025 (Monday)**.
2. It is purely an optional programme.
