

Connecting Passion to Purpose

DPS Dwarka Clubs & Societies

At Delhi Public School, Dwarka, we recognize that education thrives when students are inspired within and beyond the classroom. Our diverse range of student-led clubs and societies for classes VI-XII provides opportunities for every learner to explore their passions—whether in science, arts, literature, entrepreneurship or civic engagement.

Since 2008 , these vibrant platforms have revitalised subjects such as Computers, Theatre, Economics, Environmental action among others and have contributed significantly to skill-building, collaboration and self-expression. Students actively engage in workshops, competitions, community projects and innovation challenges that enrich their academic journey while fostering leadership, creativity and confidence.

With, more than 28 active clubs, we aim to shape well-rounded individuals who are equipped to lead, create and make meaningful contributions to the world around them.

ACE – Alliance of Commerce and Entrepreneurship

The Commerce Club

ACE is a dynamic, student-led club for aspiring entrepreneurs and future business leaders. It connects classroom learning with real-world application through activities that foster innovation, leadership and financial literacy.

Objectives:

- Develop a deeper understanding of commerce and real-world business concepts.
- Boost leadership, communication and analytical thinking skills.

Key Activities:

- Business quizzes, case study competitions and stock market simulations.
- Guest lectures, business plan contests and financial literacy campaigns.

ACE is more than a club—it's a launchpad for students passionate about commerce and entrepreneurship.

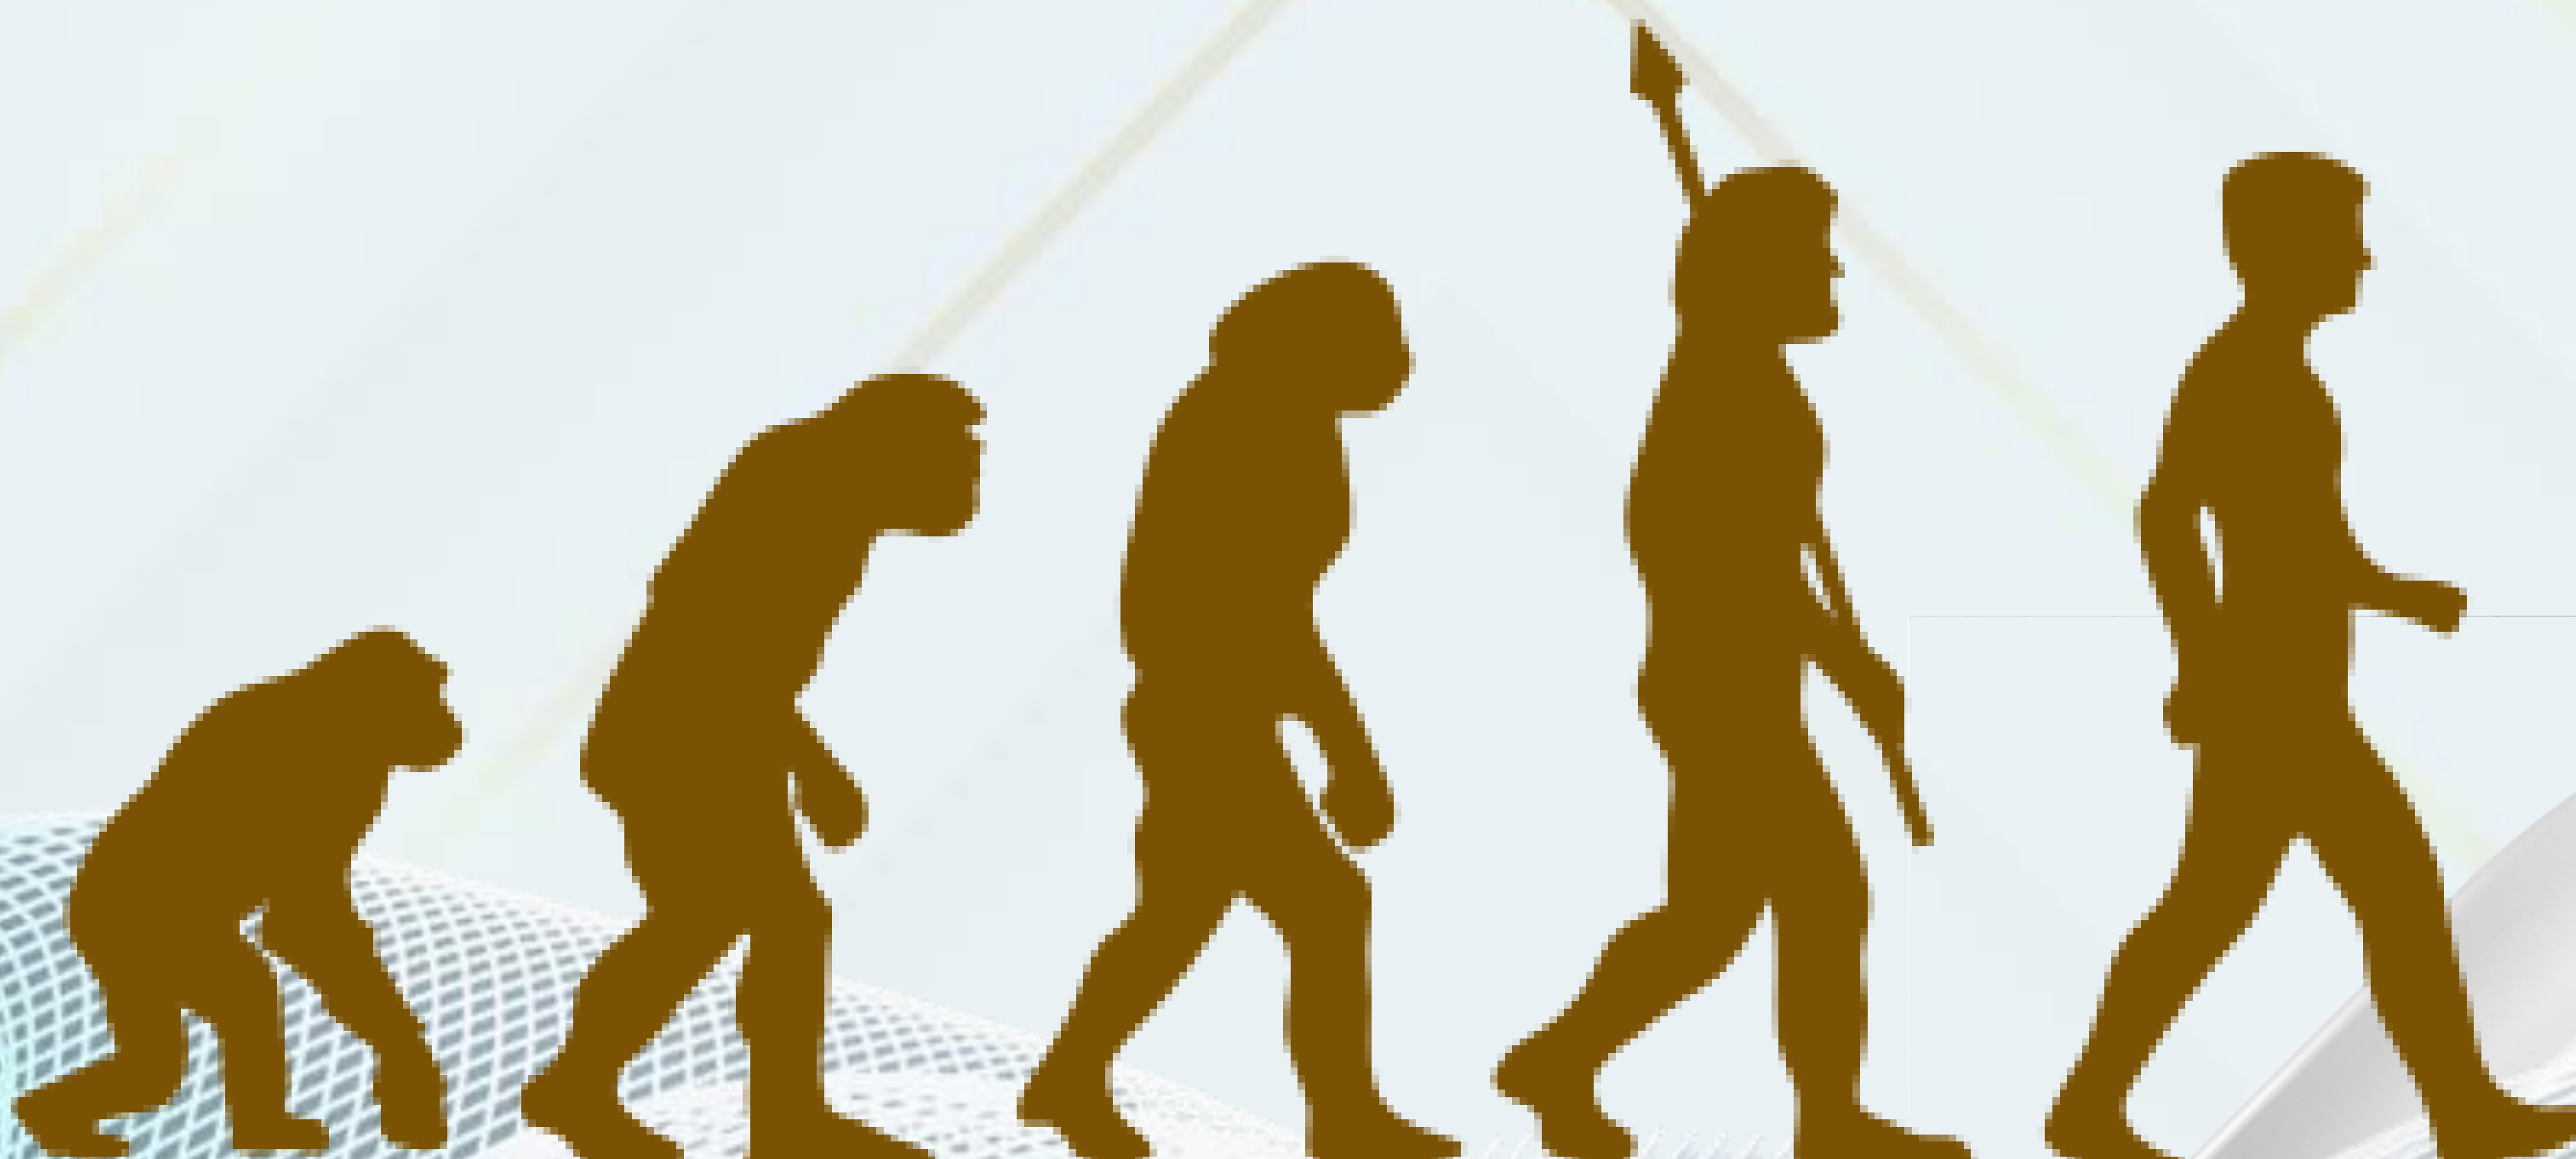

AEON

The History Club

Aeon inspires love for the past through interactive activities like quizzes, documentaries, role-plays and heritage walks.

Going beyond textbooks, the club encourages student-led discussions, contributions to newsletters and collaborations with cultural institutions.

AEON nurtures curiosity, critical thinking and global awareness—empowering students to connect with history in meaningful ways.

AEROX

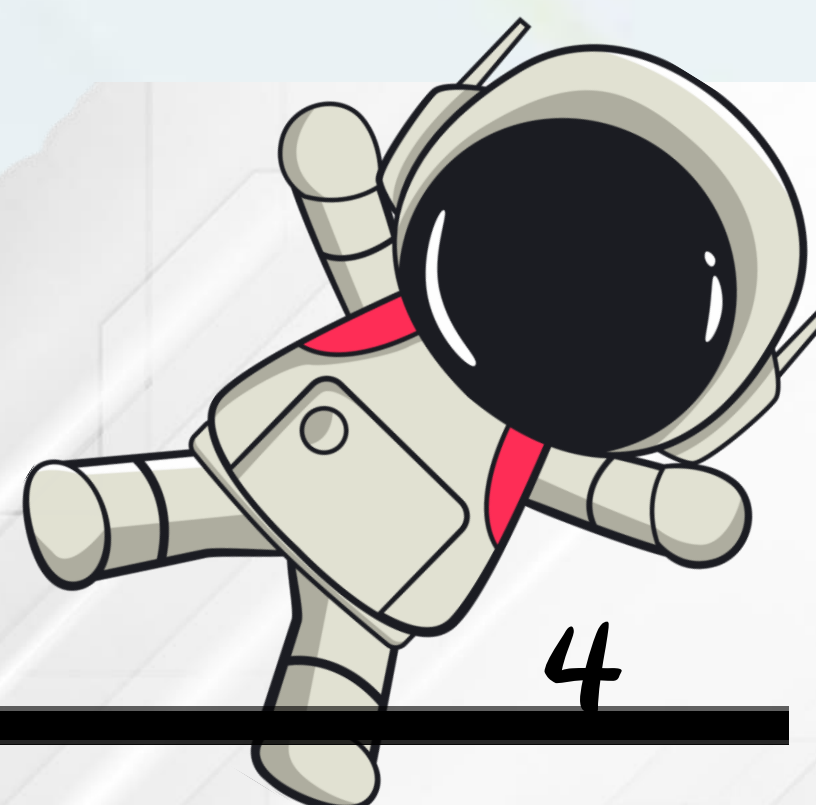

The Astronomy Club

AEROX is aimed at igniting curiosity and passion for space science and astronomy among young minds.

The club offers students a unique opportunity to explore the cosmos, understand celestial phenomena and stay updated with the latest advancements in the field of astronomy.

Through interactive sessions, hands-on activities and engaging discussions, members embark on a fascinating journey to unravel the mysteries of the universe.

AEROX encourages exploration, scientific thinking and wonder – inspiring students to look beyond and reach for the stars.

Apprendre en s'amusant

The French Club

Apprendre en's amusant provides students with a dynamic space to explore the French language and francophone cultures through enjoyable and interactive activities.

Club Highlights:

- Language Taster Sessions
- Cultural Food Day
- Language & Culture Quiz
- Pen Pal Programme
- Language Passport

The club enhances creativity, collaboration and confidence through competitions, events and cultural showcases.

AXIOM

The Mathematics Club

AXIOM , was established with the aim to inspire a profound interest in mathematics and promote the joy of learning through both competitive and collaborative activities. The club offers students a dynamic platform to experiment, analyze problems, develop logical reasoning and explore creative solutions.

Over the years, AXIOM has successfully organized a wide range of Inter-School and Intra-School events, including quizzes, treasure hunts, paper presentations, exhibitions and even math-themed dance performances. These initiatives encourage learners to apply mathematical concepts to real-life scenarios, fostering an appreciation for the subject's practical relevance and utility.

Chessmates

The Chess Club

Chessmates is the official chess club of DPS Dwarka. Boasting the highest participation among co-curricular clubs, it cultivates strategic thinking, discipline and intellectual excellence.

Through peer-learning sessions and participation in national and international tournaments, members sharpen their skills and compete with confidence. Notable achievements include securing 2nd place in an international FIDE-rated rapid tournament and launching DPS Dwarka's first student-authored chess newspaper in 2025.

Led by passionate students and dedicated faculty mentors, Chessmates continues to build a legacy of leadership, sportsmanship and an intense love for the game.

CORE

The Tech Club

At CORE, we believe technology should empower, not overpower. The club promotes excellence in computer science, coding and IT through hands-on learning and innovative competitions.

Since its inception, CORE has emerged as a powerhouse of talent-excelling in competitions and setting new benchmarks each year.

Driven by a passion for technology, radical thinking and skill-focused projects, CORE continues to inspire and nurture the next generation of digital leaders.

Ecophoria

The Economics Club

Ecophoria—a fusion of ‘economics’ and ‘euphoria’—is a spirited hub for students passionate about economic thought and real-world issues. The club brings economics to life through engaging, immersive activities that cultivate critical thinking, collaboration and communication skills.

Flagship Activities :

- Treasure Hunt
- Debates & Panels
- Group Discussions
- Quizzes & Case Studies
- Budget Simulations

Ecophoria transforms economics from a mere subject into an immersive experience—accessible, exciting and intellectually empowering.

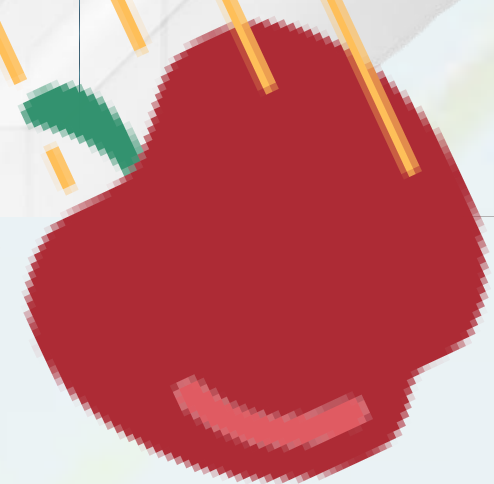

ETC

Everything Creative

ETC is the official creative arts and literary club of DPS Dwarka. It offers a vibrant platform for students to showcase their talents in writing, performance and imaginative thinking.

From poetry slams and skits to creative writing and language challenges, ETC encourages originality, self-expression and trailblazing ideas. The club fosters confidence, creativity and a strong sense of camaraderie among budding storytellers and thinkers.

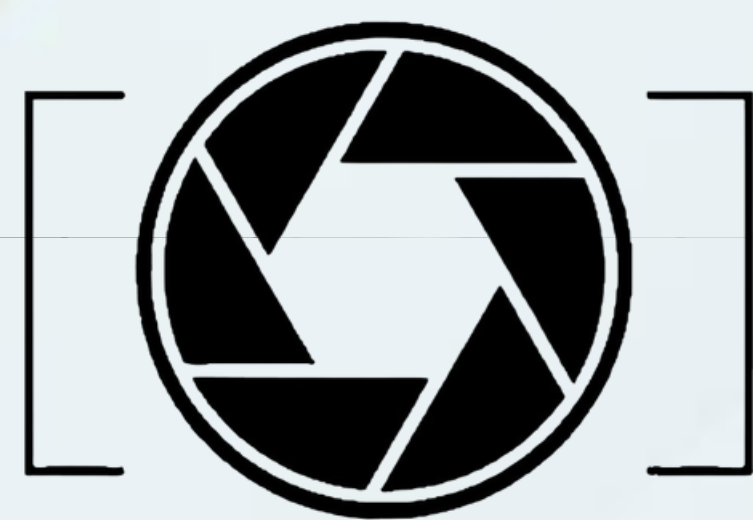

FLUX – The Physics Club

Explore, Experiment, Enlighten

FLUX is a dynamic club that offers students a platform to explore and experiment with the fascinating world of Physics. It stimulates analytical thinking, scientific exploration and a strong conceptual foundation through experiential activities, workshops and competitions.

From classical physics to modern scientific discoveries, Flux sparks curiosity through engaging demonstrations and student-built models. The club promotes innovation and problem-solving skills, showcasing its impact in school labs and science fairs.

$$E = m \cdot c^2$$

FOCUS

The Photography Club

The Focus Club nurtures creativity and enhances visual expression, providing students with opportunities to develop photography skills, refine techniques and explore the art of image enhancement. It inspires students to view the world through their lens with originality and precision.

Club members take on significant responsibilities, including capturing major school events and participating in inter-school photography competitions, reflecting their artistic growth and vision.

Through every frame, the Focus Club fosters artistic expression, cultivates keen observation and inspires a profound appreciation for the power of visual storytelling.

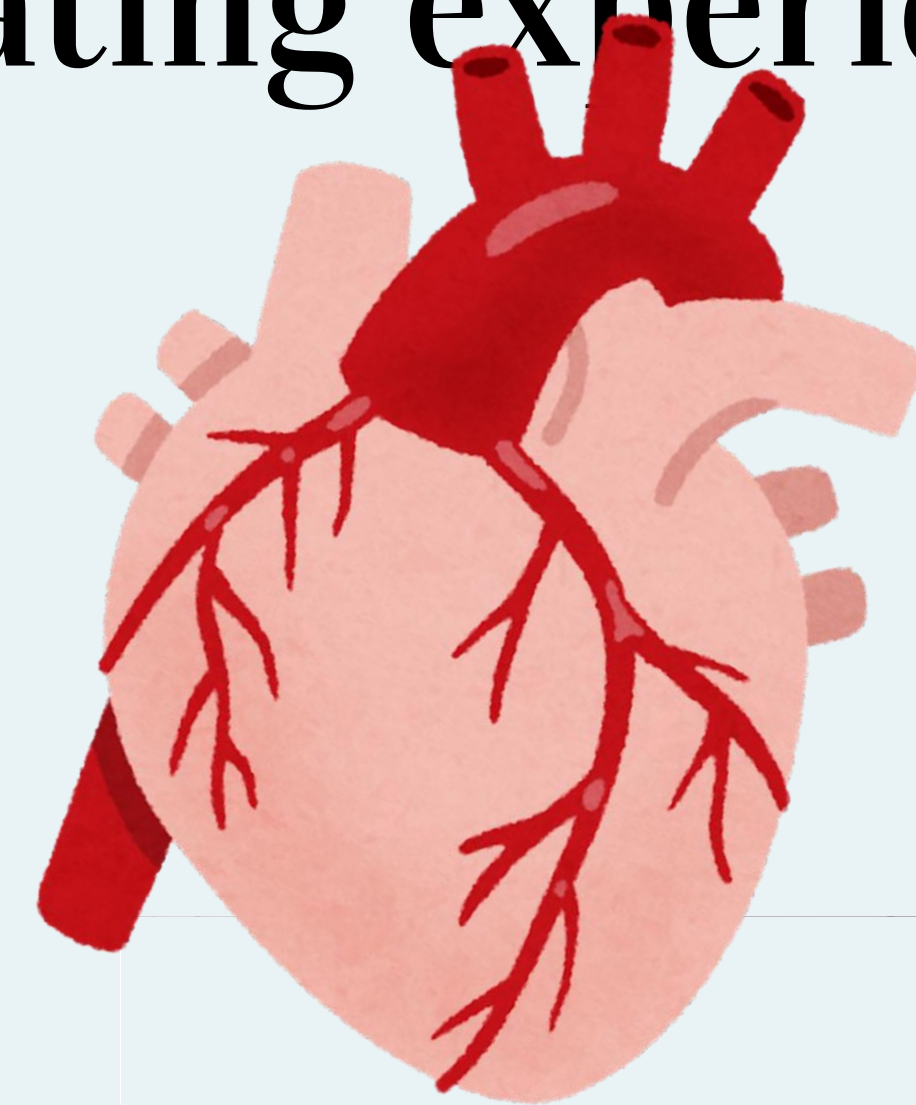

genesis

The Biology Club

GENESIS is a platform where curiosity fuels exploration turning biology into an exciting adventure. Moving beyond rote memorisation, the club engages students in solving intriguing biological mysteries, debating thought-provoking topics such as whether viruses are truly alive, besides delving into marvels of human anatomy, ecosystems and plant life.

Through experiential learning and engaging tasks, GENESIS sparks curiosity and fosters critical thinking, making biology a dynamic and captivating experience.

German Club

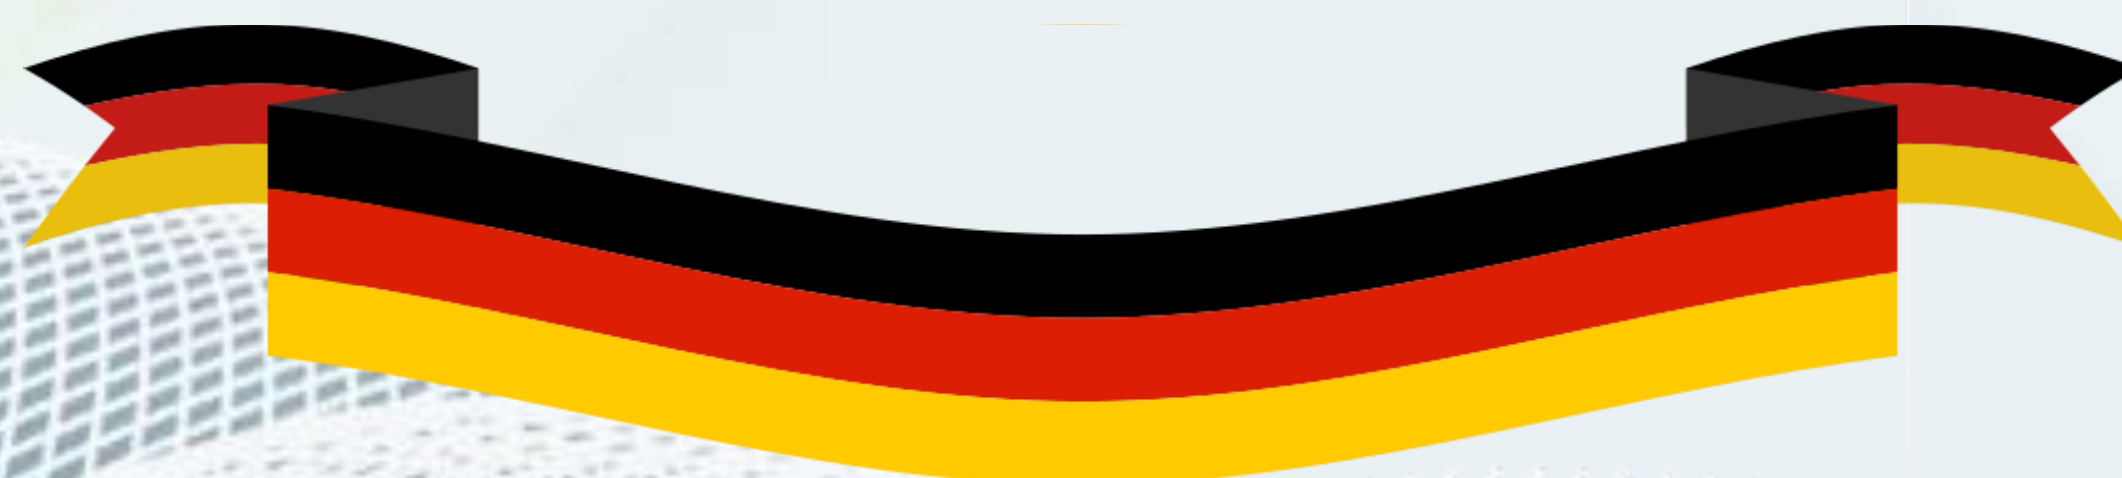

Celebrating Language and Culture

The German Club offers students an enjoyable and interactive way to explore the German language and culture beyond the classroom.

Through songs, quizzes, film screenings, cultural celebrations and creative projects, students enhance their vocabulary and speaking skills while gaining insight into German traditions.

Events like Oktoberfest, Weihnachten and Tag der Deutschen Einheit bring authentic cultural experiences to life.

With the motto “Lernen mit Spaß” (Learning with Fun), the club fosters enthusiasm, collaboration and global awareness.

High Octane

The Automobile Club

The H.O.C. is one of the school's most dynamic and sought-after student communities.

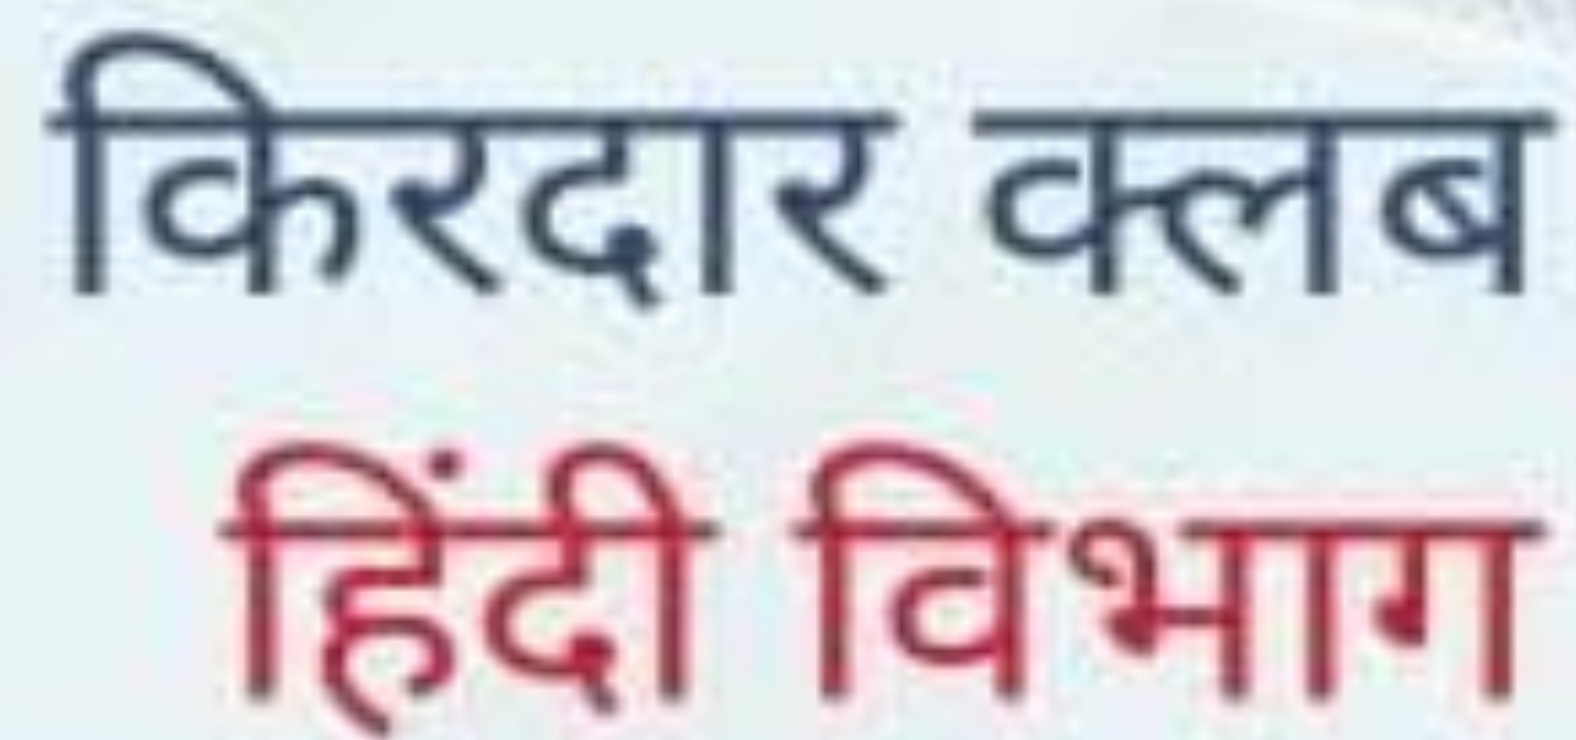

It offers a platform for students to explore their passion for automobiles while developing creativity, critical thinking and technical insight.

Our Mission:

To educate, inspire and engage students through applied learning experiences, interactive sessions and collaborative projects—all centered around the fascinating world of automobiles.

The club aims to build a vibrant community of young auto enthusiasts ready to innovate and explore the future of mobility.

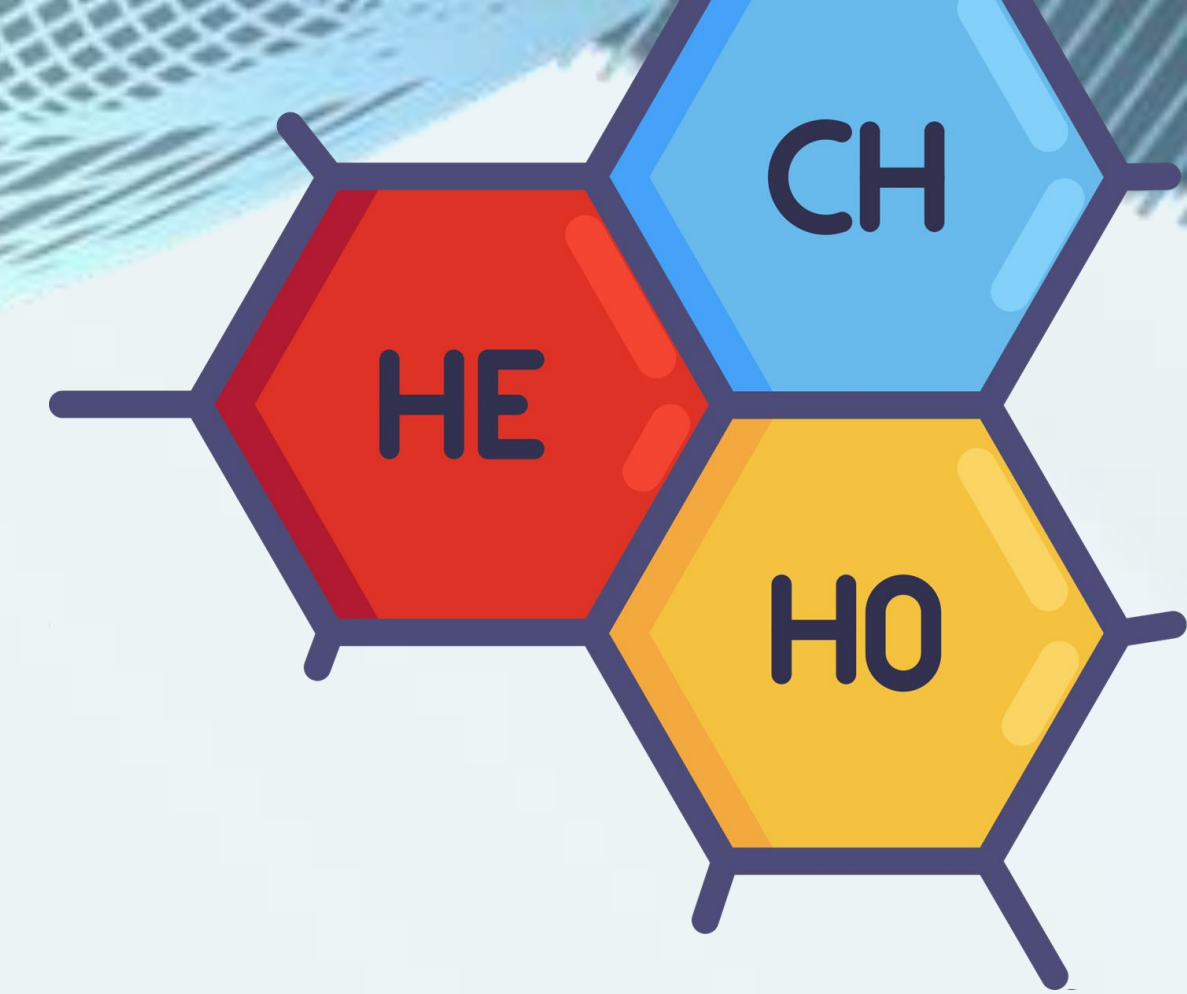

उद्देश्य :-

विद्यार्थियों की अभिनय क्षमता, रचनात्मक एवं कलात्मक अभिव्यक्ति को मंच प्रदान करना और उनकी बहुमुखी प्रतिभा को निखारना ।

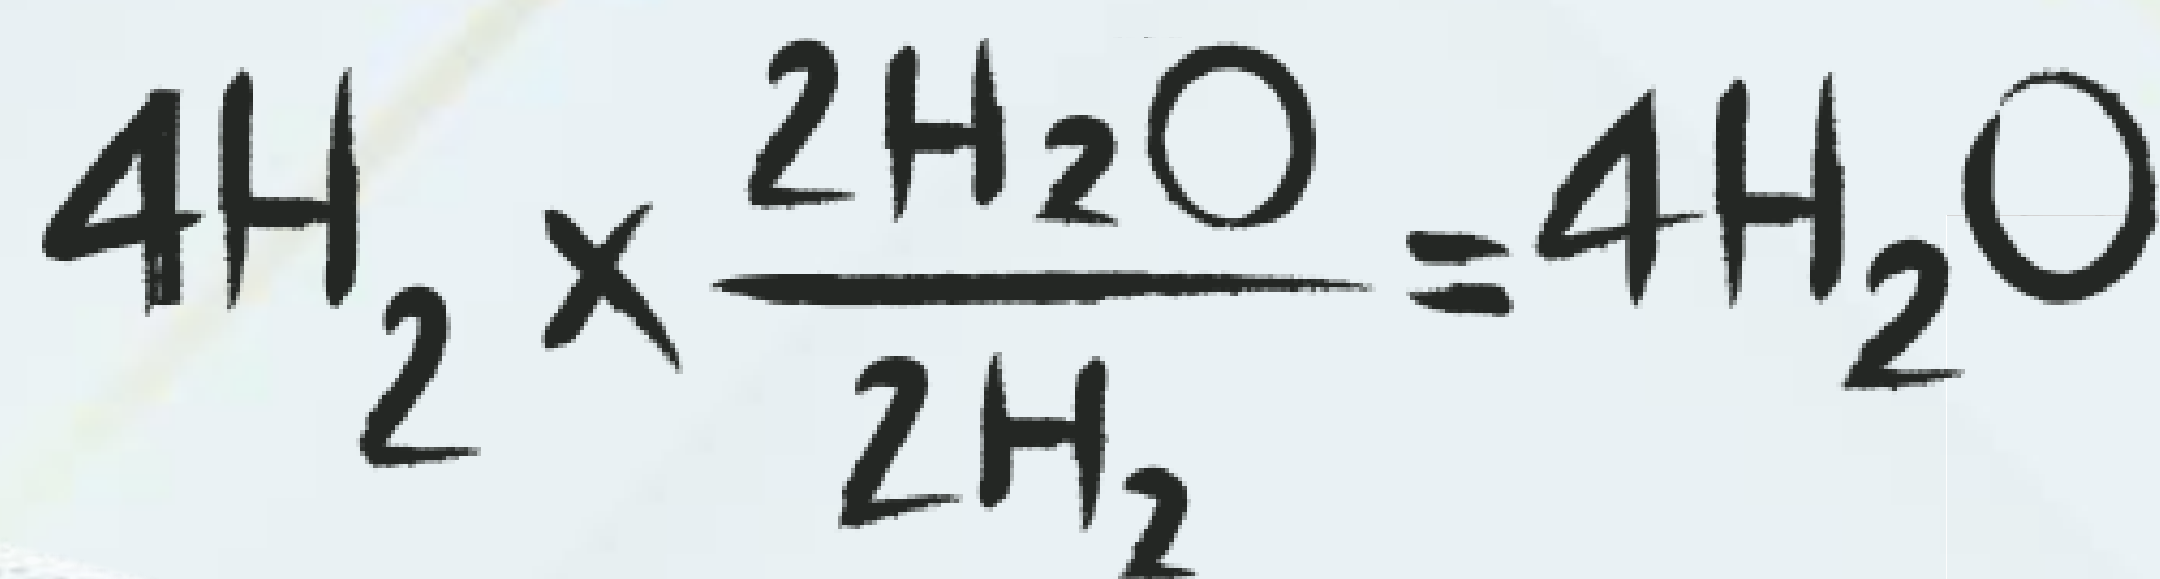

Ionista

The Chemistry Club

Ionista sparks creativity and innovation by engaging students in unique chemistry activities. Events like ChemiToon, where participants design posters or caricatures inspired by chemistry concepts and the Treasure Hunt in Chemistry, which blends scientific knowledge with clue-based exploration, encourage critical thinking, teamwork and recreation.

The club continues to inspire a passion for chemistry through imaginative pursuits and interactive initiatives making learning both enjoyable and enriching.

La Sombra del Águila

The Spanish Club

La Sombra del A'guila is a vibrant platform for students learning Spanish, offering enriching opportunities to explore the language and the diverse cultures of Spain and Latin America.

Through engaging activities such as role plays, songs, quizzes and cultural celebrations, the club enhances vocabulary, pronunciation and communication skills while fostering a deeper appreciation of Hispanic traditions and global awareness.

Regular interactive sessions promote collaborative learning and support students in enhancing their communication skills. The club creates a welcoming environment for all participants to showcase their talents, develop their language abilities and celebrate the richness of Hispanic culture.

LUMINARIUM

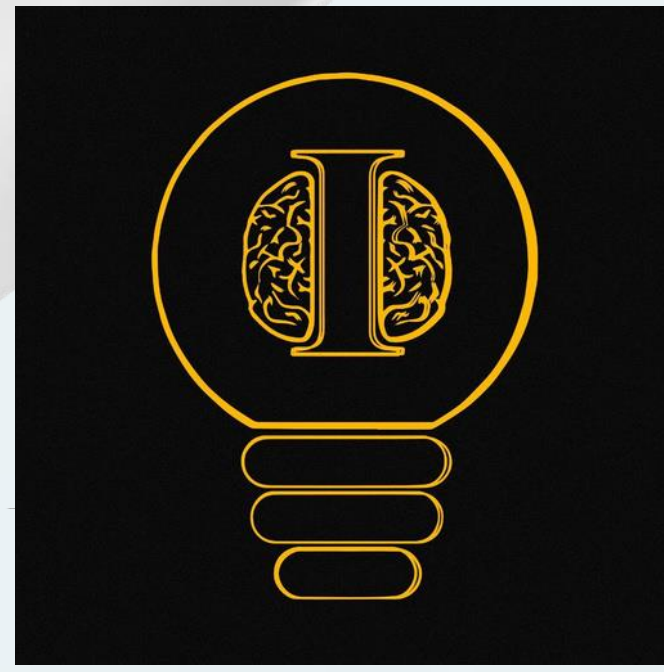

The English Language and Literature Club

Luminarium provides a dynamic platform for students to explore and appreciate the English language through creative expression, critical thinking and enthralling literary activities.

With events like debates, dramatics, creative writing, book discussions and language games, the club fosters confident communicators and articulate thinkers.

Luminarium empowers students to express ideas, shape perspectives and make an impact through the transformative power of words.

ingenious

The Innovation Club

INGENIOUS is a creative platform where students develop original solutions to real-life problems. The club fosters inventive thinking and problem-solving through hands-on activities, challenges and brainstorming sessions that spark curiosity.

Students collaborate, innovate and present solutions, applying classroom knowledge to practical contexts and honing critical thinking skills. With active participation, INGENIOUS inspires creativity and a passion for innovation across the school community.

MOSAIC – The Art Society

Create, Innovate, Captivate

MOSAIC is the creative space for self-expression, where students explore and develop their artistic talents. The club stimulates creativity, visual memory and innovative thinking through workshops, competitions and activities focused on both modern and traditional Indian art forms.

Throughout the year, vibrant student-made paintings adorn the school's corridors and boards, enriching the environment and spreading joy. MOSAIC serves as a haven for artistic minds to thrive and flourish.

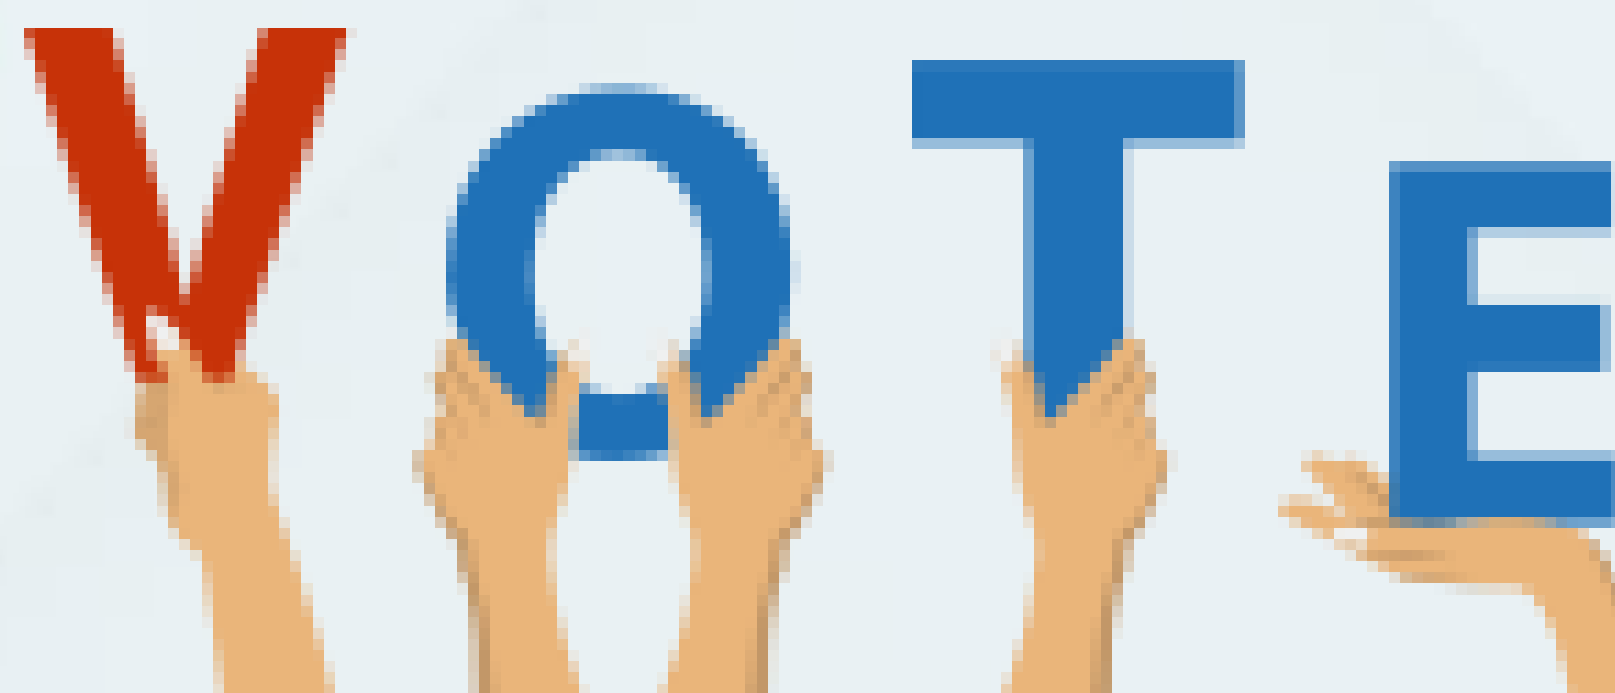

POLITICO

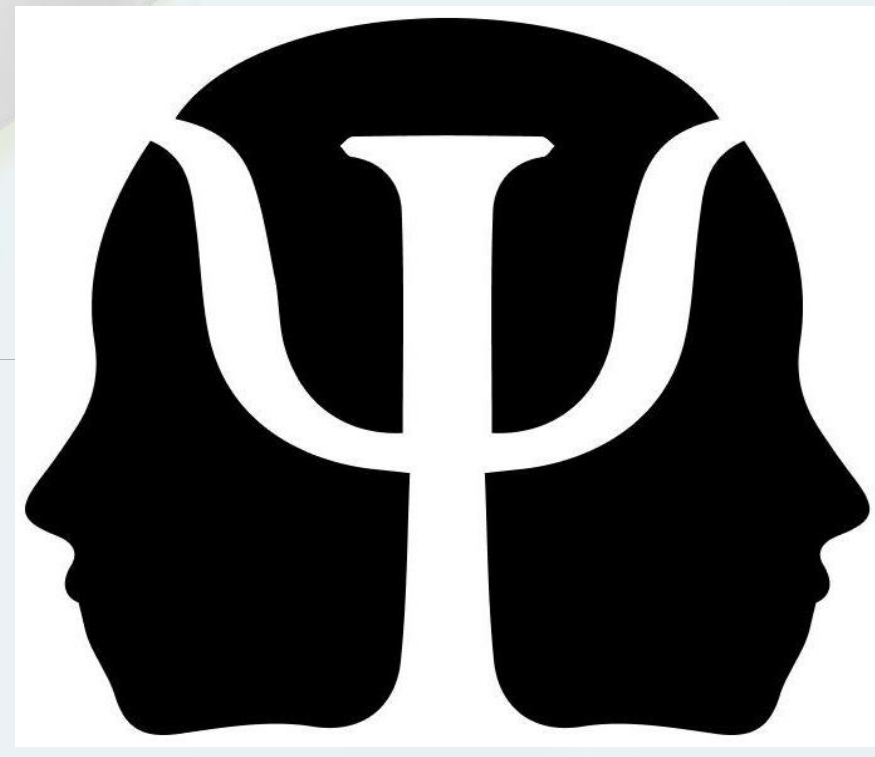

The Political Science Club

Politico promotes political awareness, civic responsibility and critical thinking through engaging activities like debates, mock parliaments, quizzes and campaign simulations.

The club also organizes essay and poster designing competitions, field visits to institutions such as the Parliament and museums and commemorates significant events like Constitution Day and Voter's Day.

POLITICO empowers students to become informed, active and responsible citizens, shaping the leaders of tomorrow.

PSYNAPSE

The Psychology Club

PSYNAPSE is a unique initiative for students to delve into the intricacies of human behaviour, mental health and psychological concepts. Through expert talks, engaging competitions, awareness campaigns and marches, the club facilitates meaningful exploration in the field of psychology.

Each October, the club spearheads Mental Health Awareness Month, promoting empathy, critical thinking and mental well-being across the school community.

Quizzing Quotient

The Quiz Club

Quizzing Quotient is where curiosity meets intellect. A dynamic club for knowledge enthusiasts, it brings together sharp minds to explore trivia, test logic and embrace the joy of learning.

From rapid-fire rounds to theme-based quizzes, the club inspires critical reasoning, teamwork and an enduring love for learning and discovery. Quizzing Quotient is not just about finding answers—it's about experiencing the thrill of the quest.

RADUGA

the Russian club

RADUGA offers an engaging extension to classroom learning, sparking interest in the Russian language and its rich culture. Through activities like role-plays, songs, cultural quizzes, film screenings and creative projects, students explore Russian traditions in a delightful and interactive way.

The club celebrates significant occasions such as Victory Day and Days of Russian Culture and Language in collaboration with the Russian Cultural Embassy in New Delhi. Regular sessions enhance vocabulary, pronunciation and conversational skills in a supportive environment.

Students actively participate in inter-school competitions, exhibitions and language events, both at school and the embassy. They also gain exclusive opportunities to participate in student exchange programmes with schools in Moscow and St. Petersburg, as well as seminars, workshops and concerts at the Russian House.

RADUGA nurtures a deep appreciation for the Russian language and culture preparing students for global engagement.

RATIO DECIDENDI

The Legal Studies Society

Ratio Decidendi empowers students to develop critical thinking and legal acumen. The club offers practical experiences in law such as:

- Mock Trials
- Debates on Pressing Legal Issues
- District Court Visits

The club helps students hone their legal skills, public speaking and critical analysis thus creating a foundation for aspiring legal professionals.

ROBODEX fosters innovation, teamwork and hands-on learning through the designing and creation of wired and automated robots.

The club nurtures problem-solving, creativity and technical expertise equipping student members with future-ready skills.

With active participation in workshops and competitive events, ROBODEX student members consistently bring laurels to the school at inter-school and inter-university levels.

SOCIUS

The Sociology Club

Where Curiosity Meets Conversation

Socius, the official sociology club of the school, is more than just a club—it is a vibrant movement of thinkers, observers and changemakers. It delves into a wide range of topics, from pop culture and social norms to issues of inequality, identity and the intricate fabric of everyday life.

The club brings Sociology to life through a variety of engaging activities. These include thought-provoking discussions, intense debates and creative competitions such as street plays, quizzes and awareness campaigns.

Socius welcomes individuals who think deeply, speak boldly or have a natural curiosity for questioning the world around them. It motivates members to engage, express and evolve collectively. The club's mission is not merely to study society but to shape it with purpose and action.

SOCRATES

The MUN and Debating Club

SOCRATES is where students engage in critical dialogue, structured argumentation and global discourse.

The club hosts regular debates on current affairs and social issues, both within the school and at inter-school levels. Activities include group discussions, team and individual events and special debates on significant occasions such as Constitution Day and Human Rights Day.

Through expert-led sessions and peer interaction, participants refine their skills in argument construction, rebuttals and public speaking. The club also collaborates with other clubs, such as the Legal Studies Club, for interdisciplinary events instilling eloquence and leadership.
