Students of ITL Public School paid an insightful visit to the ongoing exhibition on the three newly enacted Criminal Laws- Bhartiya Nyaya Sanhita, Bhartiya Nagarik Suraksha Sanhita, and Bhartiya Sakshya Adhiniyam- at Bharat Mandapam on 8th July, 2025.

The event commemorated one year of the successful implementation of these transformative legislations that have reshaped India's criminal justice system. Organised by the Home Department, GNCTD, and inaugurated by the Hon'ble Home Minister, the exhibition aimed to educate and sensitise students about the key reforms introduced under the new legal framework.

Through an engaging display of models, role plays, and simulations, students were guided through the complete criminal justice procedure. The exhibition vividly illustrated the structure and functioning of crucial institutions — including the Delhi Police Control Room, Police Station, Nursing Station, Forensic Science Laboratory, Sessions Court, Jail, and the High Court.

Students were particularly fascinated by the role of technology in modern law enforcement, especially the use of Digital Face Scan and NAFIS (National Automated Fingerprint Identification System) in solving crimes.

The visit also featured meaningful interactions with key functionaries such as the Station House Officer, Investigating Officer, Public Prosecutor, Sessions Judge, and Jail Superintendent, offering students a unique insight into their respective roles in the justice system.

Overall, the visit was a deeply enriching and thought-provoking experience, leaving students with a greater understanding of and appreciation for India's evolving legal landscape.
