Alumni Echoes: Achievements & Appreciation

Khushi Arya
B.A. (H) Economics
Batch 2017-20

- Pursued MA (Economics) from IIFT, New Delhi
- Currently working as a Senior Associate at Alvarez and Marsal
- Worked previously as a Senior Data Scientist at Dunnhumby

“My years at DTU laid a strong foundation in analytical thinking and core economics. The guidance and support of my professors played a key role in shaping my problem-solving approach and continue to influence my professional journey.”

Chirag Garg
BA (H) Economics
Batch 2020-23

- Pursued MBA from IIM Ranchi
- Currently working at JPMorgan Chase as Credit Risk Analyst

“While DTU offered a strong academic foundation, what truly set it apart for me was the faculty, who not only guided me academically but also mentored me beyond the classroom. Their doors were always open, and some of those relationships continue to guide me even today.”

Ananya Chawla
Batch 2020-23
BA (H) Economics

- Currently working as a Quality and Risk Management Analyst at Deloitte.
- Certified in ITIL Foundation with ongoing Lean Six Sigma Green Belt training.

“My experience at DTU was truly transformative. Being part of such a vibrant academic environment helped me grow not just intellectually, but also as a leader and team player. As a part of the placement cell, from organizing placement drives and liaising with recruiters to addressing student concerns, the experience taught me how to balance responsibilities under pressure, communicate effectively, and work collaboratively to deliver results.”

Arushi Gupta
BA (H) Economics
Batch 2017-20

- Pursued MA Economics from IIFT, Delhi
- Currently working at Bain & Company as an Associate

“DTU was where it all started for me, it gave me the space to explore, fail, and eventually find what I truly enjoyed. The mix of academic freedom and invaluable guidance from the professors really shaped how I approach problem-solving today. Looking back, it played a huge role in shaping the confidence and curiosity I carry into every role today.”

Shubh Chadha
BA (H) Economics
Batch 2018-21

- Pursued MBA from Indian School of Business (ISB Hyderabad)
- Currently working as an Associate Consultant at YCP Auctus

“My experience at DTU was enriching. I got to participate in a variety of academic and not academic endeavours including the cultural council and founding the debating society. Overall it was a great learning experience..”

Kartik Bansal
BA (H) Economics
Batch 2018-21

- Currently pursuing an MBA from the International Management Institute (IMI), New Delhi.
- Previously worked at Deloitte as an Analyst in Risk Advisory for one year before transitioning to entrepreneurship.
- Founded his own business, achieved a revenue of ₹2 crore in the first year and scaling it to ₹2.8 crore by the end of the third year.

“The exceptional support and passion demonstrated by the faculty were truly inspiring, motivating us to strive for new heights and achieve greater success.”

Daivik Hasija
BA (H) Economics
Batch 2019-22

- Pursuing MBA from IIM Ahmedabad after B.A.(H) Economics
- Placed at McKinsey & Company as a Junior Associate

Archisha Srivastava
BA (H) Economics
Batch 2020-23

- Pursued MBA from IIM Rohtak.
- Currently working as Assistant Manager in Supply Chain at Maruti Suzuki India Limited

“DTU was not just an institution but a stepping stone for my future. I have learned and nurtured relationships beyond classrooms which are one of the best memories of my life. The faculty, the curriculum and the course design fostered skills that I have used in my post graduation and now at my job. I will be forever grateful to what DTU gave me as a student and much more to how it refined me as a person.”

Abhay Choudhary
BA (H) Economics
Batch 2019-22

- Graduated MBA from Indian School of Business (Co'25).
- 20 months of business consulting experience at KPMG, focusing on strategy and risk advisory, following a BA (H) Economics from DTU.
- Currently serving as Program Manager at The Convergence Foundation after completing an MBA with a specialization in public policy and strategy. In this capacity, he drives district-level economic development, advises Members of Parliament, and contributes to Cabinet-level policy formulation.

“DTU was more than an academic institution—it was a formative environment that shaped my personal and professional growth. My time there was defined by intellectual curiosity, enduring friendships, and memorable experiences that continue to influence me today.”

Shivam Talwar
BBA
Batch 2018-21

- Pursuing Flagship Post Graduate Diploma in Management (PGDM) Core program from IMT Ghaziabad, batch of 2024–2026.
- KPMG Global Services | Quality & Risk Management Analyst (Feb 2022 – Jun 2024)

“Volunteered at DTU’s inaugural Internship Fair (2020), coordinating registrations and real-time logistics for a multi-college event. Engaged directly with HRs, managers, and founders, gaining early exposure to corporate interactions and enhancing communication skills. The experience fostered proactive engagement and provided valuable professional insights.”

Kritika Kapoor
BA (H) Economics
Batch 2018-21

- Pursued MBA from DTU
- Currently working with Favcy venture builders(VC Firm) as the Chief of staff/Founder’s office.

“I did both my graduation and post graduation from DTU and I can’t be more thankful for all the professors here!”

Pratham Seth
BA (H) Economics
Batch 2020-23

- **Currently working at Cvent as Business Analyst**

“The journey at DTU has been nothing less than transformative. The Economics (Hons) curriculum at DTU is truly well designed for students as it offers a solid academic foundation while also equipping students with real-world skills. From analytics and finance to tools like SQL, Python, and predictive modeling, the course ensures students graduate with in-demand knowledge. The guidance from experienced professors made a big difference, and I personally felt better prepared stepping into the professional world. Beyond academics, the memories made with friends and the vibrant campus life made the time at DTU incredibly special.”

Naman Jaju
BBA
Batch 2018-21

- **Currently working in I-PAC as a senior Analyst**

“The experience was quite inquisitive as there was a domain based learning tight from analytics, marketing, finance, HR to international business. I genuinely learnt in all the classes and tried to implement it wherever possible in the business world.”

Deeksha Devgan
BBA
Batch 2019-22

- Pursuing MBA (PGDM) in Business Management from XLRI Jamshedpur after BBA from USME
- Worked as an associate at Encore Asset Reconstruction company in Portfolio Acquisition Department

“My experience at DTU has been about learning, pushing my limits, growing and collaborating. From multiple academic projects to being the social media and PR head of the Debating society each and every moment taught me something. A special thanks to the faculty who were patient with us and our curiosity, its their laid foundation that has helped me reach where I am today.”

Shivank Jasoria
BA (H) Economics
Batch 2019-22

- Pursuing PGDM from SPJIMR
- Worked at Nuvama Private for 3 years.

“My personality changed from an introvert to an extrovert in dtu. I was the CR of my batch along WITH President of 2 societies. ECAs along with academics and making lifelong friends. My journey at DTU was something special.”

Dr. Vanshika Kakkar
BBA
Batch 2017-20

- Pursued MBA IEV from DTU
- Doctorate from Swiss School Of Business
