

## VAN MAHOTSAV 2025

**EVENT: Van Mahotsav**

**DATE: 4 July 2025**

**ORGANISED BY: Prep Classes**

### Prep Students Celebrate Van Mahotsav with Joy and Green Deeds

The tiny tots of the **Prep classes** at **Bloom Public School** joyfully celebrated *Van Mahotsav*—the festival of trees—with great enthusiasm and love for nature. The celebration began with the little ones **planting saplings**, **watering plants**, and learning the importance of trees in our lives.

Adding a creative touch to the celebration, the children also made **beautiful drawings** and posters to spread awareness about saving trees and protecting our environment. Their vibrant artwork reflected their budding understanding of nature and their excitement to be part of this green initiative.

The activity instilled in them a sense of responsibility and care for the Earth. Through hands-on participation, our young learners took their first steps toward becoming environmentally conscious citizens.

With smiling faces and muddy hands, the day was a perfect blend of learning, creativity, and nature love!
