ACTIVITY: Hindi Chromebook Activity

DATE: 22 July 2025

CONDUCTED BY: Class 4A

During their **Hindi Chromebook period**, students of **Class 4A** enthusiastically engaged in an interactive digital activity focused on **विलोम शब्द (opposite words)**.

Using their Chromebooks, the students completed well-designed **worksheets and exercises** that helped reinforce their understanding of opposite word pairs in a fun and engaging manner. The activity not only strengthened their **vocabulary skills** but also enhanced their **digital literacy and independent learning abilities**.

It was a productive and enjoyable session, blending **language learning with technology** to make the classroom experience more interactive and effective.
