Scholar Badge Ceremony (Primary)

Honouring and appreciating the achievers with accolades, Scholar Badge Ceremony for students of classes I-V for the Academic Session 2023-24 was held with great enthusiasm at Sadhu Vaswani International School for Girls on 09 May 2024.

The ceremony commenced with a beautiful depiction of art integrated learning. Students presented the folk dance of Odisha, Sambhalpuri dance that showcased their learning about the cultural diversity of India. It was followed by a Chat Show 'Inksights', a heart to heart conversation with the school authors, where our young student authors gave us a glimpse of their creativity and imagination.

Scholar Badges and Scholar Stars were conferred upon the well deserving students for their excellent performance in academics during the Session 2023-24 by the School Principal, Dr. Santosh Vyas, School Headmistress, Ms. Deepti Sharma and Coordinators, Ms. Anjali Ahuja and Ms. Ranjna Singh, along with the parents.

The School Principal congratulated the young scholars and expressed her gratitude to the parents for their unfaltering support. She apprised the audience about some of the salient features of NEP 2020 and emphasized the Art Integrated Learning approach adopted by the school.

It was indeed a proud moment not only for the recipients of the Scholar Badges and Scholar Stars but also for their parents who had been invited to partake in the glory of their child's success.

THE WORD OF THE DAY

Scholar

Meaning:
A learned person or someone who by long study has gained mastery in one or more disciplines.

- Examples**
1. The library attracts thousands of scholars and researchers.
 2. A scholar derives knowledge from reading.

THE WORD OF THE DAY

Achievement

Meaning:
Something that you have done successfully, especially through hard work or skill.

- Examples:**
1. He enjoys climbing mountains because it gives him a sense of achievement.
 2. To reach this stage is a great achievement.

Scholar Badge Ceremony (Senior Wing)

The Scholar Badge Ceremony, held on April 21, 2024 for Classes VI- XII, was a resounding success, recognizing students' academic achievements and inspiring others to strive for excellence. The event commenced with a warm welcome to the esteemed guests, followed by the ceremonial lamp-lighting, led by School Principal, School Vice-Principal and Coordinators. A captivating Rajasthani Folk dance performance and a video presentation showcasing the school's teaching-learning practices added to the ceremony's grandeur. The felicitation of achievers was a heart-warming moment. In her thought-provoking address, Principal, Dr. Santosh Vyas emphasized the importance of perseverance, excellence and continuous improvement, leaving a lasting impact on the audience. The ceremony concluded with a Vote of Thanks and parents were invited to join for a cup of tea and exchange pleasantries, making it a memorable occasion.

The Scholar Badge Ceremony for AISSE achievers commenced with invoking the blessings of Goddess Saraswati and Dadaji to grace the day with wisdom and success. This was followed by an inspiring skit on the virtue of forgiveness, a core teaching of Dadaji, illustrating how forgiveness paves the way to peace and fulfilment, leading to happy endings.

The highlight of the event was honouring the meritorious students of Class X who had achieved an impressive 90% or above in their AISSE exam.

School Principal, Dr. Santosh Vyas, in her address, congratulated the high achievers, lauded the commitment of both students and parents, and emphasized the importance of discipline, consistency and balanced growth.

LITERARY

WEEK

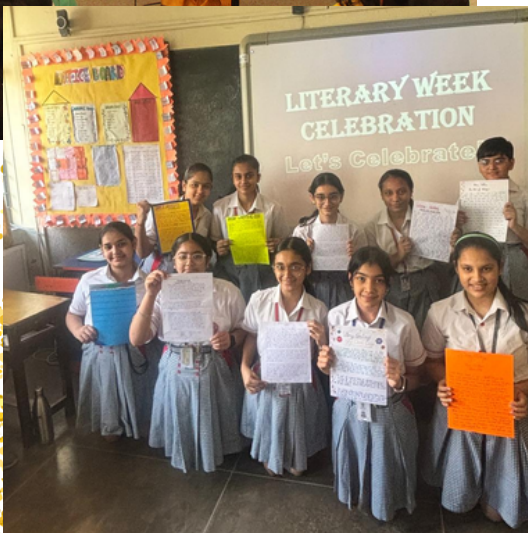

SENIOR WING

Department of English, SVISG organized Literary Week, a fiesta of literature and language. The event featured an engaging chat show called "Inksights," which offered students an opportunity to hear from two of the school's own published authors- Ashlen Verma and Priyal Singh. During the chat show, Ashlen and Priyal shared their unique writing journeys with the audience, providing glimpses into their creative process, sources of inspiration and the challenges they faced while writing and publishing their books. Their candid accounts offered students a behind-the-scenes look at the world of writing and publishing, sparking inspiration and admiration among the audience.

Principal Dr Santosh Vyas expressed pride in the young authors' accomplishments and congratulated them. She also offered words of encouragement to all the aspiring writers. The highlight of the Literary Week, "Inksights" celebrated the transformative power of literature and inspired students to embark on their own writing adventures.

SVISG celebrated World Book Day as a part of the Literary Week with engaging activities to promote reading. In the morning assembly, a PowerPoint Presentation was showcased to trace the journey of books, providing the young audience with a deeper appreciation for the history and evolution of literature.

Senior School students designed creative posters to highlight the importance of reading and comprehension. Middle and Secondary School students participated in a classroom activity on Bookmark Designing and spoke elaborately about their favourite books and authors. These activities sparked an interest in reading and helped students connect with the world of literature in meaningful ways.

LITERARY WEEK

PRIMARY WING

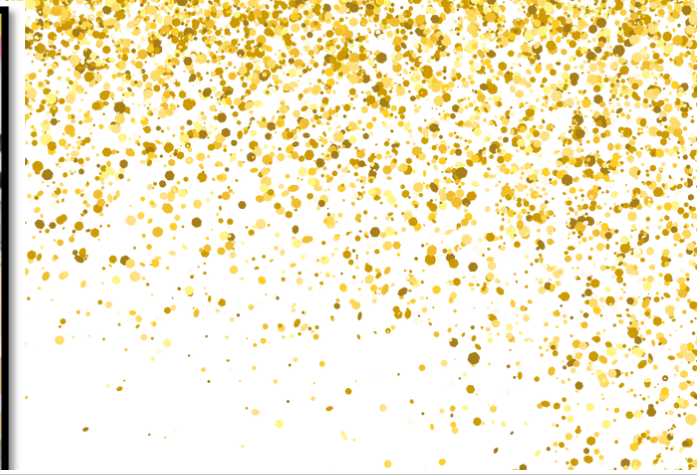

With great inspiration and exhilaration, the Junior School at SVISG celebrated Literary Week 2024-25 in the first week of May, commemorating the UN Theme of the Year 2024 - International Year of Camelids (IYC 2024). As a part of the celebration, the students participated in an array of activities with great zest and zeal. These activities were designed with an aim to enhance spoken and written expression and to foster reading habit amongst learners.

- A string of stimulating activities were crafted by the teachers for the students of classes I and II as a part of the "Literary week" celebrations.

Literary Week celebration in schools foster a lifelong love for reading. The enthusiastic students of classes I and II participated in the Vocabulary Parade. This activity was designed to enable the students enhance their knowledge and vocabulary related to deserts. They depicted a few words written on placards, related to deserts and explained their meaning as well.

The Literary Week, comprising of Word Building, Vocabulary Parade, Acrostic Fun, Puppet Stories and designing Book Covers proved to be truly purposeful as it brought the students closer to the magic of English language learning.

The celebration catered in honing listening and verbal skills, decision making, creativity and abstract thinking among students and turned out to be an extremely engaging experience blended with learning and fun.

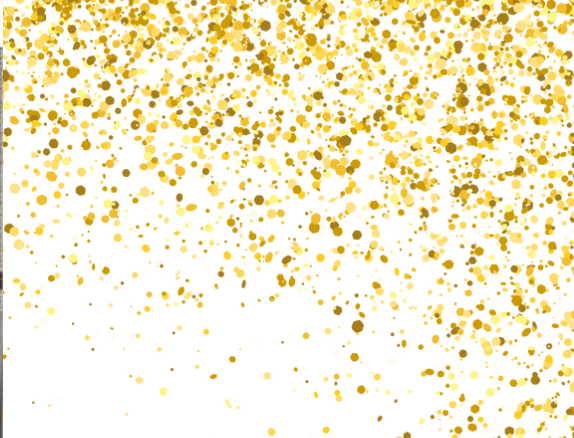

EARTH DAY

Biodiversity Day

Earth day was commemorated on 22nd April 2024 to promote a sense of responsibility among students to reduce plastic production for human and planetary health. The students of Junior and Senior School enthusiastically participated in various activities like Slogan Writing, Poster Making and Poem Recitation to spread awareness. They also took part in Quiz and made an Earth Day resolution to adopt eco-friendly habits. Plantation was done in the school lawn to enhance beauty and balance of the environment. Earth Day message was shared through a video showcasing various student activities in all the class groups to sensitize students, parents and teachers and to help them develop a positive attitude. Students of our school participated in online Slogan Writing Competition organised by the National Museum of Natural History, Ministry of Environment, Forest and Climate Change, Government of India. All these activities were aimed at inculcating the correct environmental etiquettes, starting at the grassroots level and were carried out to meet the theme of Earth Day 2024- 'Planet vs Plastic'.

Commemoration of the International Day for Biological Diversity was a call to action to encourage our students highlight the ways in which they are supporting the implementation of the Biodiversity Plan. Everyone has a role to play and therefore can be Part Of 'The Plan'.

The message was disseminated by Eco-Club that this year is special in terms of biodiversity conservation, especially with the adoption of the Kunming-Montreal Global Biodiversity Framework, a historic agreement signed in December 2022 that sets goals and concrete measures to stop and reverse the loss of nature by 2050. Students depicted their views by writing slogans and poems and designing posters. Primary and Senior School students of the Eco Club enthusiastically participated in the activity. Students participated in the National level online essay writing competition on 'Be Part of The Plan' organized by National Museum of Natural History, Ministry of Environment, Forest and Climate Change, Government of India.

WOMEN IN SCHOOL LEADERSHIP

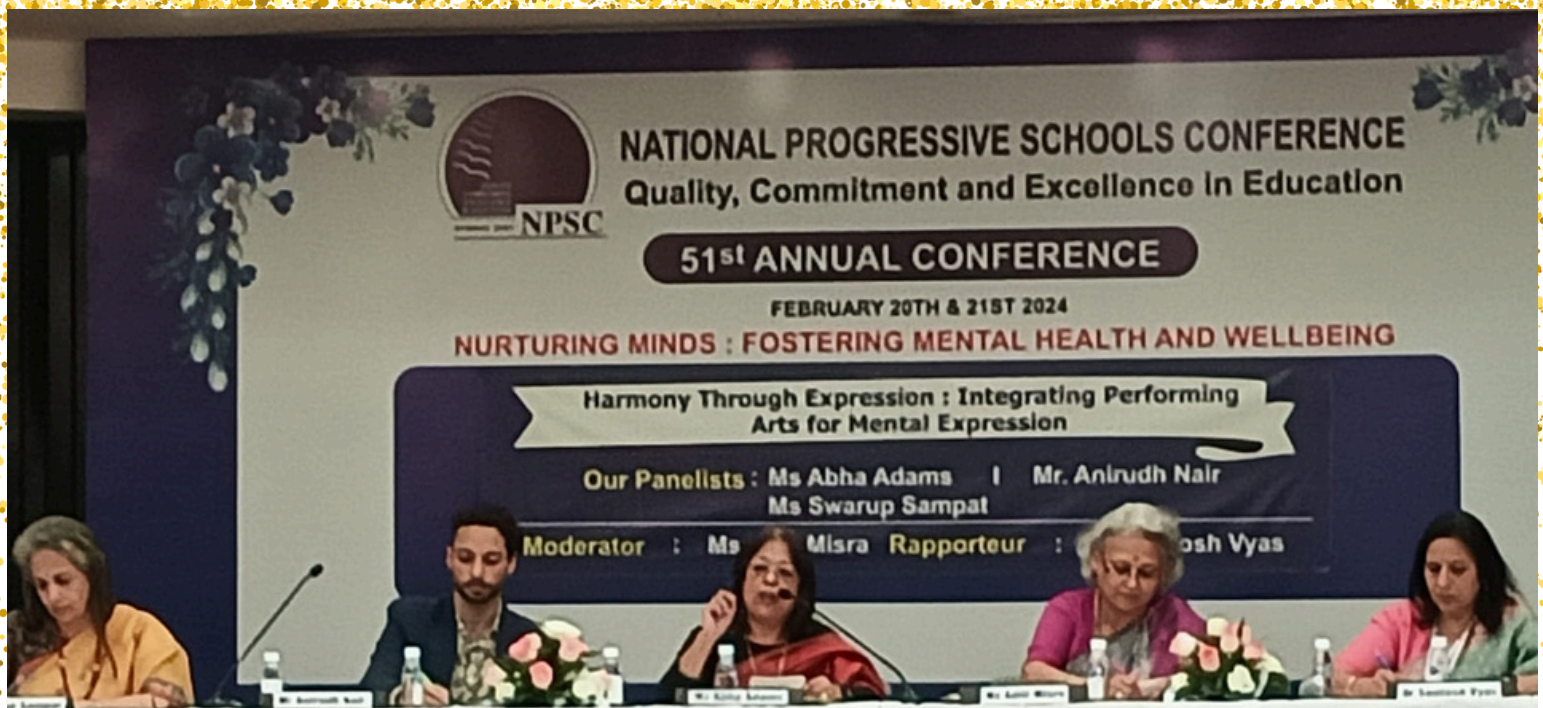

School Principal Dr. Santosh Vyas was selected to participate in the prestigious Women in School Leadership Programme. This initiative, developed and delivered by the Asia Education Foundation in partnership with the Australia India Institute and the NPSC, offered a unique platform for leadership and international collaboration.

Dr. Vyas, an Executive Member of the Core Committee at NPSC, played a pivotal role in the programme. She served as a rapporteur and a key member of the organizing committee for the NPSC Conference, which was hosted by SVISG. Dr. Vyas's leadership has been instrumental in shaping both the conference and the larger educational discourse, further enhancing collaboration between Indian and Australian educators.

From May 11 to May 18, 2024, the delegation travelled to Australia to attend the Victoria Immersion Programme which provided the principals with invaluable insights into the innovative educational practices of Australian schools, fostering a rich exchange of cross-cultural ideas and teaching methodologies. During their stay, they had the privilege of visiting several renowned educational institutions and cultural landmarks in Melbourne. The Principals from Women in School Leadership (WISL) were invited to visit the Parliament of Victoria, escorted by the Honourable Members of Parliament, Gary Maas, Pauline Richards and Jess Wilson.

As an integral part of the programme, the Sahodaya members also conducted Action Research Projects within their respective schools. These projects focused on addressing pressing challenges related to mental health and well-being in the school environment, offering practical solutions to improve these areas. Upon the completion of their research, the principals presented their findings to their Australian counterparts, facilitating a meaningful and mutual exchange of knowledge.

The Women in School Leadership Programme not only strengthened the educational ties between India and Australia but also laid the groundwork for transformative changes in both countries. Through this experience, the principals aim to promote a holistic educational experience, fostering a more inclusive and dynamic learning environment for future generations.

NATIONAL PROGRESSIVE SCHOOLS' CONFERENCE

WOMEN IN SCHOOL LEADERSHIP

As part of the Global Exchange Programme aimed at providing students with opportunities to engage with diverse cultures and gain a deeper understanding of the world, SVISG had the privilege of hosting Ms. Ann Turner-Calleri, Principal of Edgar Creek Primary School, Victoria, Australia. Ms. Calleri spent a week at our institution, where she observed and experienced our holistic educational practices.

This program, developed and delivered by the Asia Education Foundation in collaboration with the Australia-India Institute and the NPSC, is designed to bridge cultures and enhance learning experiences. During her visit, Ms. Calleri closely observed our best practices, innovative teaching methodologies and the rich culture and heritage that define our school community.

Her visit not only enriched the cultural exchange but also reinforced the bonds of learning and understanding between our schools, reflecting the true spirit of global education.

Bridging Cultures

5

SVISG had the honour of welcoming Mr. John Goodman, the esteemed Foundation Principal of Springside West Secondary College, Australia, during his visit to our school.

One of the most significant outcomes of Mr. Goodman's visit was his expressed intention to introduce Hindi as a language of study at Springside West Secondary College. This initiative aims to broaden their students' linguistic capabilities and promote a greater appreciation for Indian culture and heritage. His decision to include Hindi in their curriculum signifies a commitment to embrace diverse cultures and prepare students for a more interconnected global society.

NPSC

Food Donation Drive

Students of Sadhu Vaswani International School for Girls demonstrated exceptional generosity by contributing to the National Progressive Schools' Conference (NPSC) food bank initiative, in partnership with esteemed organisations like Goonj, Earth Saviour, Paalna etc, to address the global crisis of food insecurity.

The NPSC Food Bank Drive significantly contributes to SDG-2 (Zero Hunger) by directly addressing hunger within the local community. The initiative exemplifies the potential for grassroots efforts to make a substantial impact on achieving global goals, fostering a sense of responsibility and social consciousness among students.

Their donations, ranging from dry rations and biscuits to juices, toiletries, stationeries and new winter clothes, showcased a commitment to addressing food insecurity and promoting holistic well-being. The school, listed as a collection centre, has played a pivotal role in improving the quality of living through their collective efforts. This commendable act not only embodies the spirit of charity and spreading cheer, but also addresses food needs within the community, fostering a sense of unity and compassion.

Self Aware Youth

CAAMP

The Self-Aware Youth Educational Excursion, organized by SVISG in collaboration with Co-Scholastic Education, was a remarkable journey aimed at fostering personal growth and community bonding among students of classes XI and XII. The four-day trip to Chail was an immersive experience filled with adventure, deep appreciation for nature, camaraderie and invaluable learning opportunities.

Nestled in the pristine surroundings of a pine forest, our stay in the swiss tents of Jungle Stay, Chail provided the perfect setting for a unique blend of adventure and exploration. Divided into three spirited teams - Blue Eagles, Champions and Jungle Warriors - students enthusiastically participated in a range of thrilling activities. From Rappelling and Commando Rope challenges to Valley Crossing and navigating the Burma Bridge, each activity instilled a sense of courage, teamwork and resilience among the participants.

The pleasant evenings were adorned with the warmth of community learning and self-awareness sessions, where students openly shared their strengths and weaknesses around the crackling bonfire. This reflective exchange fostered a deeper understanding of oneself and others, complemented by the rhythmic beats of popular songs that added joy and harmony to the atmosphere. Life skill education sessions further enriched the experience, with activities like cooking Maggi in the jungles of Chail utilizing natural resources, imparting practical knowledge and survival skills.

Beyond the thrill of adventure, the excursion also offered moments of cultural and spiritual enrichment. Visits to the vibrant Kufri market and the local Zoo provided glimpses into the local lifestyle and biodiversity. A spiritual pilgrimage to the Kali ka Tibba temple offered students a serene retreat for introspection and reflection, further deepening their connection with the cultural fabric of the region.

In the spirit of friendly competition, the Blue Eagles emerged as champions, demonstrating exceptional teamwork and determination. Their achievement was lauded with medals, while all participants were recognized for their enthusiastic participation with certificates of appreciation. These tokens of recognition serve as enduring reminders of the dedication and spirit exhibited by each member of the excursion.

As the journey came to a close, students and teachers alike returned with a treasure trove of memories and invaluable learning experiences. The Self-Aware Youth Educational Excursion to Chail served as a testament to experiential learning, fostering personal growth and cultural appreciation among the youth. It is our sincere hope that the lessons learned and memories cherished during this excursion will continue to inspire and guide the students on their journey to lifelong learning and self discovery.

Visit to Kufri Zoo

Burma Bridge

Rappelling

Outdoor Adventure

PROGRAMME

The students of Classes VI to X participated in a thrilling educational excursion organized by SVISG in collaboration with Ed Terra during the summer break. The trip took place at the picturesque Nature Nest Eco Resort in Koti, Kufri, offering a well-rounded outdoor adventure program designed to challenge and engage young minds.

Accompanied by teachers, the excursion kicked off with an informative orientation session on the first day, setting the tone for the adventure ahead. The evening came alive with a vibrant bonfire, allowing students to bond and relax. The second day began with an invigorating acclimatization trek, where students learned essential mountain manners and the "Leave No Trace" principles, focusing on environmental stewardship. The day was capped with energetic dance and music activities, adding fun and creativity to the experience.

Day 3 was packed with excitement, featuring the highly anticipated Mega Challenge game series, which put the students' outdoor survival skills to the test. After this, participants reflected on their learnings in a thoughtful session. The excursion ended on a high note with an official closing ceremony, during which the winning team was crowned and certificates were distributed to all participants in recognition of their efforts and achievements.

Throughout the four-day stay, students were served nutritious and delicious meals, ensuring they remained energized and healthy. This well-organized excursion not only promoted teamwork, outdoor survival skills and environmental responsibility but also provided students with unforgettable memories and a sense of holistic growth.

Summer Trip to **FRANCE AND SWITZERLAND**

The trip to France and Switzerland was filled with unforgettable moments. Disneyland Paris was like diving into a magical storybook where dreams danced with reality. At Disneyland we learnt about the history of how Disneyland came to shape and what all difficulties and criticism it had to face. Disneyland Paris isn't just a place; it's a journey through imagination where every smile and every laugh felt like pure enchantment. The next day started with a visit to one of the most popular architectural marvels of France, Arc de Triomphe. It is one of the world's most famous and recognizable monuments. The Arc de Triomphe honours those who fought and died for France during the French revolution. Next we visited the Louvre Museum which offers a rich and diverse educational experience and fostered a deeper appreciation and understanding of cultural diversity. We saw a variety of painting and sculptures, such as statues and paintings including the Mona Lisa, one of the Louvre's most iconic masterpieces. After visiting the Louvre Museum, we went for the Eiffel tower. Each level of Eiffel tower offered a new perspective of Paris, revealing its timeless beauty and architectural diversity. Beyond its breath-taking views and structural elegance, the Eiffel Tower embodies a profound symbolism of human creativity and innovation. We also got a chance to see the United Nations Office. On the fifth day we went to the Jet D'Eau fountain and Lake Geneva. The Jet d'Eau is an iconic fountain located in Lake Geneva, near the city of Geneva, Switzerland. After visiting Lake Geneva, the visit to the Cailler Chocolate Factory in Broc, Switzerland was mesmerising. Our visit began with an engaging multimedia presentation on the history of chocolate, from the ancient Mayans and Aztecs to modern production techniques. On the sixth day, we travelled to Mount Titlis. At the summit, the Glacier Cave's ethereal blue ice fascinated us. The highlight was the Ice Flyer chairlift, which carried us over the glacier's crevasses, blending exhilaration. Next we headed to visit Lion Monument. Lion monument in Lucerne, Switzerland is a massive rock relief carved into a natural sandstone cliff face. The Lion Monument stands as a testament to the courage and loyalty of the Swiss Guards who gave their lives in defence of their principles. On the seventh day, we experienced the Rhine Falls and went to Lake Zurich.

WORKSHOP ON

DISASTER MANAGEMENT

On 04 July 2024, the National Disaster Response Force (NDRF) visited our school to conduct a comprehensive training session for the students. The session aimed to equip students with essential first aid skills and knowledge on how to respond effectively during both man-made and natural disasters.

The NDRF team began the session with an engaging presentation on various types of disasters, including earthquakes, floods and fires. They emphasized the importance of staying calm and following safety protocols during such events. Students were taught crucial first aid techniques, such as CPR, wound care and fracture management, which are vital in emergency situations.

A significant portion of the training focused on earthquake preparedness. The NDRF officers demonstrated practical steps to ensure safety during an earthquake. The interactive session included hands-on activities where students practised the techniques demonstrated by the NDRF team. The training concluded with a Q&A segment, allowing students to clarify doubts and reinforce their understanding of disaster management protocols.

It was a valuable experience for the students, providing them with critical skills and confidence to handle emergency situations. The knowledge gained from this session will undoubtedly contribute to their safety and resilience in the face of disasters.

Wellness Workshops

Class XII students of SVISG launched the "There for U" camp, an initiative aimed at supporting their juniors in coping with academic and personal stress. The camp provided a safe and open environment for students to share their concerns and receive guidance on managing the pressures of school life.

A Cervical Cancer Vaccine Drive was successfully conducted at SVISG by a dedicated team of doctors for adolescent girls. The initiative aimed to raise awareness about cervical cancer prevention and provide vaccinations to protect against the human papillomavirus (HPV), a leading cause of the disease.

The Health and Wellness Club in collaboration with 'Procter and Gamble' conducted a Hygiene Program for the students of classes V and VI on 15th July 2024. This program aimed to make the students aware of various biological changes during the onset of adolescence and to deal with these changes in a confident way by adopting the right hygiene practices. A film regarding the same was also showcased which was followed by an interactive question-answer session.

Visit to

THE INDIAN COUNCIL OF AGRICULTURAL RESEARCH

On 16th of July 2024, thirty-three students of class XI along with two teachers of our school had the opportunity to visit the Indian Council of Agricultural Research (ICAR), which is an autonomous organisation under the Department of Agricultural Research and Education (DARE), Ministry of Agriculture and Farmers Welfare, Government of India. Our school had been invited by the prestigious organisation for the celebration of its 96th Agricultural Council. The main motto was to sensitize students about the opportunities in the field of agricultural and allied sciences. Not only was it an opportunity for students to learn about the various degree programmes offered by the institution, rather it was an effort to help them realise that agriculture is not just farming. It has moved way beyond just farming, involving biotechnology, engineering, fisheries and horticulture. Students were oriented about various programmes run by the organisation and the future prospects. They witnessed the exhibits on various agricultural technologies, such as the creative portrayal of farming methods to utilize irrigation and save water. Different varieties of fruits (mainly banana and mango), pesticides and even insects that affected plant growth were put on show. The excursion was exceptionally informative for the students and helped them realise that science has its roots everywhere.

INVESTITURE CEREMONY

The Investiture Ceremony for the formation of the new Student Council was held at Sadhu Vaswani International School for Girls on July 19, 2024. The event marked a significant milestone as badges were exchanged, symbolizing the transfer of responsibilities to the new office bearers.

The ceremony commenced with a warm welcome to the proud parents, teachers and students. The atmosphere was charged with enthusiasm and anticipation as the new Junior Head Girl Prisha Gupta and Senior Head Girl Seerat Kaur Bindra delivered their speeches. They expressed their gratitude for the opportunity to serve and pledged their commitment to uphold the integrity and values of the school.

Seerat Kaur Bindra administered the oath to the newly elected council members. With a strong and confident voice, she led them in a pledge to perform their duties with sincerity, dedication and honesty.

The outgoing Head Girl, Jagrivi Marwah, delivered a heartfelt speech that left everyone in tears. She reminisced about her journey, the challenges she faced and the achievements of her tenure. Her words, imbued with gratitude and pride, left a profound impact on the audience.

Dr. Santosh Vyas, the visionary School Principal, addressed the gathering with her inspiring words. She congratulated the new office bearers and emphasized the importance of leadership, responsibility and the pursuit of excellence. Her speech motivated the students to strive for greatness and to lead by example. The Investiture Ceremony concluded with the newly appointed council members marching forward with a renewed sense of purpose and responsibility. This memorable event marked the beginning of a promising new chapter for the student leaders of SVISG, setting the stage for a future defined by dedication and excellence.

ATL TINKERFEST

SVISG-ATL organized the SVISG TINKERFEST 2024-25 - I-CREATE on July 26, 2024. The event centered on STEM (Science, Technology, Engineering and Mathematics) to STEAM (Science, Technology, Engineering, Arts and Mathematics). It featured a workshop on "STEAM in Education" and showcased research-based projects from various participating schools. Our school won the Third prize in the event. The students representing our school in the ATL -TINKERFEST 2024-25 were Pradanya and Anushka Tanwar of XI A.

19TH INTER SCHOOL YOGA COMPETITION

As part of the celebration of the 106th birthday of our beloved Guru Dada J.P. Vaswani whose life was a beacon of compassion and selfless service, Sadhu Vaswani International School for Girls hosted its 19th Inter-School Yoga competition on 30th July 2024 in the school Auditorium. This celebration of Yoga's cultural significance and its manifold benefits commenced with the ceremonial lighting of the lamp and invocation. School Principal Dr. Santosh Vyas welcomed the gathering with an eloquent address, underscoring the importance of yoga as an integral part of our rich cultural heritage. The event was graced by two distinguished judges: Mr. Lalit Madan, a seasoned yoga therapist at Morarji Desai National Institute of Yoga with 14 years of expertise and a celebrated figure at International Day of Yoga events and Ms. Archana Tyagi, a certified yoga instructor with a specialization in various advanced yoga practices and extensive experience in transformative workshops. Eleven dynamic teams competed in two captivating segments: Group Yoga and Rhythmic Yoga. The Group Yoga segment showcased an array of asanas with specified holding times, demonstrating the participants' strength and discipline. The Rhythmic Yoga segment seamlessly blended yoga poses with graceful dance movements, highlighting the artistic and rhythmic aspects of yoga. The event left an indelible impression on all attendees, reinforcing the transformative power of yoga on overall well-being.

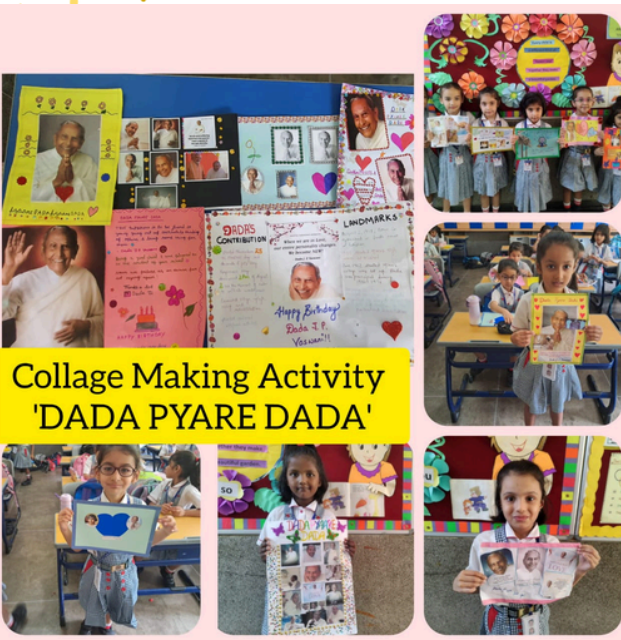

Moment of Calm

Dada J.P. Vaswani's 106th Birth Anniversary

In celebration of the 106th Birth Anniversary of Revered Dada J.P. Vaswani, Sadhu Vaswani International School for Girls, Shanti Niketan became a sanctuary of compassion and joy. Throughout the month-long "Moment of Calm" event, we hosted interactive workshops and outreach programs that emphasized Dada's teachings on forgiveness and selfless service. Students participated in yoga sessions for holistic well-being, art and craft activities exploring forgiveness and a dance workshop connecting to the heart to expedite spiritual healing.

The Eco Club honoured Dadaji's legacy by planting saplings in "JASHAN KUNJ," while a bird-feeding activity instilled compassion towards all living beings. Students shared insights on forgiveness through quotes and personal anecdotes, contributing to a "Forgiveness Box". They expressed gratitude through performances, including a dramatization of Dadaji's life and a melodious rendition of Sanskrit shlokas.

The celebration concluded on the beautiful morning of August 02, 2024, as everyone gathered in the Sanctuary Hall to honour Dadaji. School Principal Dr. Santosh Vyas emphasized that forgiveness is a permanent attitude, not a one-day act. Inspired by Dadaji's wisdom, students tied forgiveness bands and performed the mellifluous rendition "Let Go." Young dancers expressed gratitude for daily blessings and a comprehensive report of the month's activities was presented by the School Head Girl. Deserving students received accolades and the school magazine "Karuna" and Meatless Day pledge forms were released. The celebration ended with cake-cutting, Langar Prasadi and the Moment of Calm Prayer at 2 p.m., uniting all in the unbreakable bond of love and kindness. MOC Convener Ms. Vandita Kharbanda thanked everyone for their participation, inspiring them to approach the world with compassion.

Collage Making Activity 'DADA PYARE DADA'

Educational VISIT

On 08 August 2024, students of class XI, who have opted for Legal Studies and Political Science, went on a fruitful expedition to the Delhi High Court to get conversant with the Indian Judicial system and witness legal proceedings happening in real time. After entering, the students understood the structure of the court with segregated wings and rooms, which held proceedings of varied types and nature. They also had the opportunity to listen to the arguments and contentions of parties in civil cases, which was a moment of stupefaction for the young legal minds. Moreover, a befitting opportunity to witness a case proceeding with the Honourable Chief Justice of the High Court presiding over the bench, reflected the rule of law in practice.

After getting an extensive tour of the enormous courtrooms and numerous wings, the students witnessed the colossal library of the Court which encased a huge conglomeration of books, constituting the earliest and the most novel case laws. At the end of the tour, students interacted with a civil litigation lawyer and shared their fervour and enthusiasm regarding the field of law. Sir was verily impressed with the students' participation and wished them well for their future endeavours.

INDEPENDENCE DAY CELEBRATIONS

Sadhu Vaswani International School for Girls celebrated the 78th Independence Day with great enthusiasm and patriotic fervour. Entrenched in the spirit of love and pride for their motherland, students displayed great zeal on this special occasion.

The tricolour representing the nation's struggle for independence, its unity and diversity, was hoisted by School Principal, Dr. Santosh Vyas, followed by the National Anthem. Next in line was the March Past by the NCC girls that added a sense of solemnity to the occasion. Inspirational speeches highlighting the significance of this momentous day were delivered by the students of class V. The choir group enthralled everyone with a heart-warming patriotic song. The performance was filled with energy and enthusiasm, highlighting the glorious themes of unity, national pride and sincere undying devotion for the nation. This mellifluous performance was followed by a skit titled, 'Time Capsule'. It showcased some of our country's significant achievements like - the Green Revolution, Mission Chandrayaan, success in T-20 World Cup, handling the COVID Pandemic and the most recent being the medals won in the Paris Olympics 2024.

In her address, School Principal, Dr. Santosh Vyas reminded everyone to overcome challenges and move forward in life. School Head Mistress, Ms. Deepti Sharma congratulated everyone on this occasion and also applauded the performance of these young learners.

The day was also marked by a series of vibrant classical symphonies. An informative presentation by the Student Council highlighted the significance of some of the prominent national symbols such as- Satyameva Jayate, Jana Gana Mana, The Ashoka Chakra and The Indian National flag.

Then Inter-House Orchestra Competition took place, an event that has become a beloved tradition among students. It was held in the school auditorium, featuring performances from all the four houses- Ganga, Godavari, Sindhu and Yamuna. The ensemble of students performed a variety of orchestral pieces based on the Indian Heritage. The event was a display of teamwork and musical coordination, with each orchestra delivering performances that ranged from classical symphonies to modern arrangements. The event concluded with words of encouragement from the judges, who inspired all the participants to continue honing their musical talents.

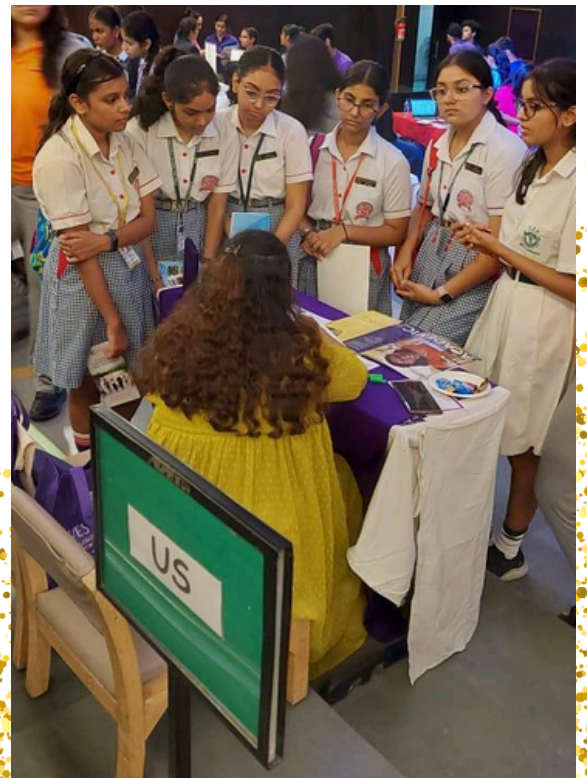

Career Fair

On August 20, 2024, a group of students from Class XI- XII of Sadhu Vaswani International School for Girls had the opportunity to attend a Career Fair hosted by Delhi Public School, Gurgaon, Sector 45. The event was designed to provide students with a comprehensive overview of various academic and career options, both within India and abroad. The fair featured a wide array of stalls representing numerous universities and institutions, each offering valuable information on courses, fee structures, admission procedures, eligibility criteria and served as an eye-opener for the students, introducing them to a multitude of undergraduate courses and specializations available in India and abroad. This exposure allowed them to explore fields they may not have previously considered, broadening their understanding of potential career paths.

Representatives from various universities provided detailed explanations of the admission processes, including important deadlines, required documents and entrance exams. This information was particularly beneficial for students aspiring to study at institutions with competitive admission procedures.

In addition to university stalls, there were career counselling sessions where experts offered advice on course selection based on individual interests and aptitudes. This guidance was crucial for students still undecided about their future career paths.

WORKSHOP *on* JAPANESE LANGUAGE

A workshop on Japanese language and culture was held on 20 August 2024, conducted by Mrs. Anita Khanna, Professor of Japanese Language and Literature at Jawaharlal Nehru University (JNU). The event aimed to promote a deeper understanding and appreciation of Japanese culture among school students.

During the session, Mrs. Khanna introduced basic elements of the Japanese language. She also highlighted the cultural significance of traditional Japanese art, literature and customs. The interactive nature of the workshop allowed students to engage in discussions about Japan's rich history, while also learning about the contemporary relevance of Japanese culture.

Through this engaging experience, the students were encouraged to pursue the study of foreign languages and develop a global outlook. The workshop successfully fostered a love for Japanese culture and inspired many students to further explore the language.

Janmashtami CELEBRATION

On 23rd August 2024, the Junior School at SVISG, celebrated Janmashtami, the joyous and vibrant festival of Lord Krishna's birth. The event was an opportunity for students to learn about our rich cultural traditions, participate in creative activities and understand the significance of this festival.

The celebrations began with an enlightening rhyme presentation on Lord Krishna by the students of Pre-School and Pre-Primary. Thereafter, the tiny tots depicted the significance of celebrating Janmashtami through an energetic and lively dance performance.

Dr. Santosh Vyas, Principal, SVISG, wished and addressed the audience on this auspicious occasion and appreciated the performance of the little ones.

Students celebrated the festival with great fun and frolic and designed crafts like peacock feather crowns and decorative "matkis."

INSTALLATION CEREMONY

INTERACT CLUB

The Installation ceremony of the new team of Office Bearers of the Interact Club of Sadhu Vaswani International School for Girls was held on 03 September, 2024. The Chief Guests for the occasion were Rotarian Col. D.K Dass, Rotarian Wg. Cdr Anil Marya and Rotarian Dr. Mamta Mohan Singh. School Principal, Dr Santosh Vyas extended a formal welcome to the Chief Guests and in her speech and reiterated the need for bringing humanistic dimensions to education. The work done by the interactors in the previous session 2023-24 was read out by Rakshita Rakesh Pai, a student of Class XI. The incoming president, Sneha Karmakar outlined the projects her team would be working on in the session 2024-25.

Teachers' Day Celebrations

Sadhu Vaswani International School for Girls celebrated Teacher's Day on 04 and 05 September 2024. Day 1 witnessed the school auditorium abuzz with excitement as students and staff gathered for the special celebration. The event commenced with a warm welcome speech delivered by the Head Girl and Vice Cultural Captain, setting the tone for the day with heartfelt appreciation for the educators who play a pivotal role in shaping young minds.

The ceremony began with the solemn lighting of the lamp, accompanied by the recitation of sacred Shlokas, invoking blessings for a successful and meaningful event. The dignitaries of the school— Principal, Vice Principal, and Headmistress were then honoured for their unwavering dedication to education.

In a special tribute, each faculty member was welcomed, recognizing their unique contribution to the academic and personal growth of students. The celebration continued with a series of artistic performances that showcased the students' talent and creativity.

School Principal Dr. Santosh Vyas addressed the gathering, expressing deep pride in the teachers and students alike, emphasizing the critical role of educators in nurturing future leaders and the importance of continuous learning and self-improvement.

The second part of the event commenced with the ceremonial lighting of the lamp, seeking the blessings of our revered Gurus, Sadhu T.L. Vaswani and Dada J.P. Vaswani, whose guidance and wisdom have been the foundation of all that we stand for today. It was followed by a formal welcome from the School Principal, Dr Santosh Vyas, setting a reverent tone for the day.

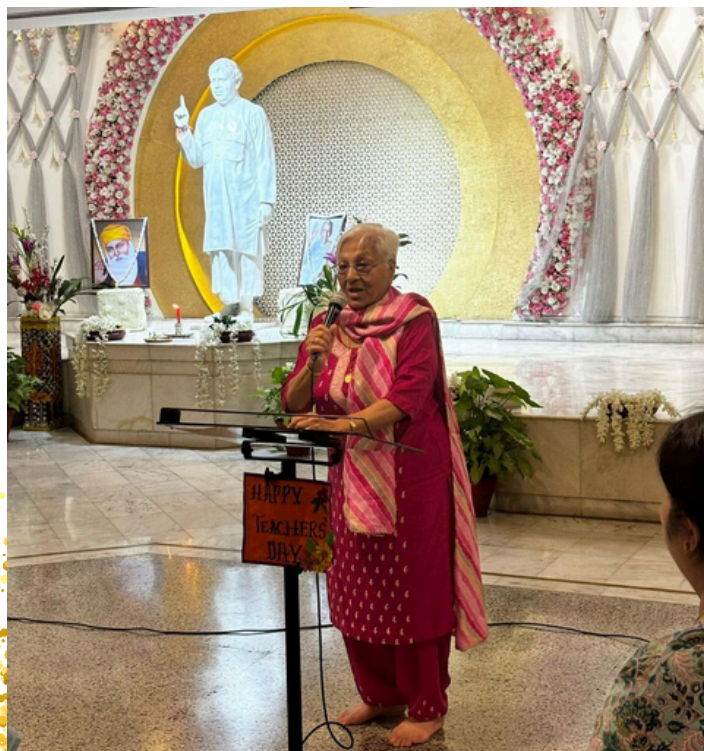

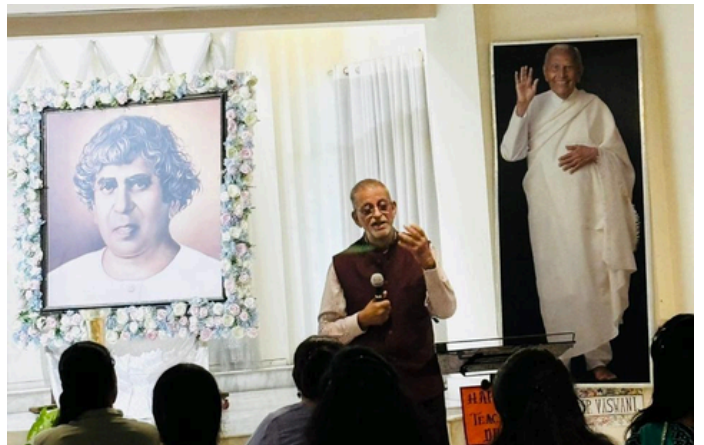

In his inspiring address, SVISG Working Chairperson, Sir Vijay Thadani likened teachers to sculptors who shape the society by meeting its evolving needs. He emphasized the importance of continuously striving for improvement, excellence and seizing opportunities. Sir Thadani expressed his confidence that together, the teachers will play a pivotal role in building SVISG into a premier institution.

Sir Vijay Malani, Executive Committee Member and Director, Sadhu Vaswani Medical Centre, also shared his pride in being associated with the school, highlighting the sense of community and shared purpose. School Manager, Ms Sunita Malkani, extended her warm wishes, encouraging the teachers to continue their commendable work with the providence of our revered Gurus.

Financial Advisor, Ms Kripalani and Secretary, SVM, Ms Malini Mathrani extended their best wishes in absentia, acknowledging the dedication and hard work of the teaching staff.

The highlight of the event was the recognition of teachers for their exemplary performance throughout the academic year. These educators were honoured with certificates in appreciation of their outstanding contributions.

The celebration concluded with the Vote of Thanks delivered by the School Vice Principal, Ms Rajni Tekchandani, who expressed her gratitude and emphasized the values of serving with love, compassion and humility. The day was a fitting tribute to the teachers, celebrating their integral role in nurturing the future.

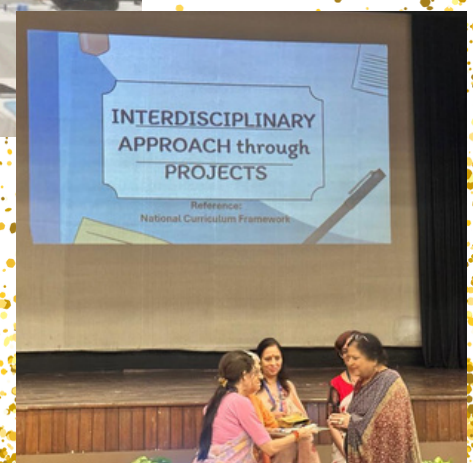

EDUCATOR ENRICHMENT SESSION

A workshop for educators on the National Education Policy (NEP) and the Integration of Art in Interdisciplinary Pedagogy was conducted by Dr. Usha Ram. The workshop aimed at providing teachers with insights into how the NEP emphasizes a multidisciplinary approach to education and the role of art in enhancing this framework.

Dr. Ram began by outlining the key features of the NEP, highlighting its interdisciplinary approach and how integrating art can make learning more engaging and meaningful for students. She explained the benefits of using art to link various subjects, such as Mathematics, Science, Languages and Social Sciences, to elevate students' creativity, critical thinking and problem-solving skills.

The workshop concluded with a group activity where teachers were asked to design an interdisciplinary project incorporating art. This collaborative exercise allowed educators to apply the concepts discussed, share ideas and strategies for integrating art into their respective subjects.

AWARDS AND ACCOLADES

Among numerous schools across India, our school has been awarded the prestigious **CHANGEMAKERS TROPHY** by KRUU, a cutting edge project-based learning platform under the guidance of our visionary principal, Dr. Santosh Vyas and our Vice Principal Ms. Rajni Teckchandani. Ms. Rupali Kapoor (Lead Coordinator-KRUU) and Ms. Sheerja Kapur (SPOC- KRUU) received the trophy at KRUU Award Ceremony on 29th August 2024 at Yashobhoomi ICC, New Delhi. Five students received awards for their outstanding projects in the field of Energy Management.
