For classes V-VIII

Dear Parents,

Greetings!

In line with the **National Education Policy (NEP)**, there is a growing emphasis on **competency-based learning** that encourages conceptual understanding, critical thinking, and real-life application. These skills have become central to **CBSE Board Exams** and other competitive assessments.

To support this academic shift, students have been receiving regular **practice worksheets via Google Forms**, and **MCQ-based questions** have been integrated into **Weekly Tests and Term Exams**. As part of this ongoing effort, a **Competency-Based Practice Test for English, Mathematics, and Science** will be conducted in **July 2025** to assess students' preparedness. The results of this test will not be reflected in report cards but will help teachers identify learning needs and provide focused academic support.

Following this, **Diagnostic Assessments** will be held in school as per the schedule below. These assessments are vital for understanding student progress and designing effective teaching strategies.

S.No.	SUBJECT	DATE
1.	ENGLISH	AUG 4, 2025
2.	MATH	AUG 5, 2025
3.	SCIENCE	AUG 6, 2025

We request you to ensure your ward is present on all test days and to avoid scheduling any appointments or leave during this period.

Kindly note that the Social Science paper, originally scheduled for 4th August, has been postponed to 22nd August owing to the Diagnostic Tests being conducted during that period.

We seek your cooperation in ensuring regular attendance and wish your ward the very best for the upcoming assessments.

Warm regards,

Principal
