

NATURE CONSERVATION DAY

EVENT: Nature Conservation Day - Creative Celebration

DATE: 28 July 2025

CONDUCTED BY: Classes 6-8

On the occasion of **Nature Conservation Day**, students of **Classes 6 to 8** actively participated in a series of thoughtful and creative activities to celebrate and reflect on the importance of preserving our environment.

 **Class 6** students expressed their love for nature by creating **beautiful collages and drawings using real leaves and flowers**. Their artwork served as a gentle reminder of nature's beauty and the need to protect it.

 **Class 7** took part in a meaningful **plantation drive** under the theme "**Ek Ped Maa Ke Naam**", dedicating each sapling to their mothers. The drive not only encouraged greenery but also strengthened the emotional bond between nature and family.

 **Class 8** engaged in "**Eco Folds: Nature-Inspired Paper Art**", where students crafted creative origami and folded paper artworks depicting elements of nature such as trees, animals, flowers, and landscapes. Their work combined **art, imagination, and environmental awareness**.

These activities helped foster a deeper sense of responsibility, creativity, and appreciation for the natural world. It was a celebration filled with **eco-awareness, heartfelt gestures, and green creativity**, inspiring students to become thoughtful stewards of the planet.
