

## INTERNATIONAL TIGER DAY

**ACTIVITY: International Tiger Day Celebration**

**DATE: 29 July 2025**

**CONDUCTED BY: Pre School - Prep Classes**

The young learners of **Pre-School and Prep Classes** celebrated **International Tiger Day** with great enthusiasm and excitement! The day began with a fun-filled **tiger mask colouring activity**, where children joyfully brought their paper tigers to life with vibrant shades of orange and black.

To spread awareness about **tiger conservation**, the children were encouraged to chant “**Save the Tiger!**” as they proudly wore their masks. The celebration continued with music and movement as students sang and danced to energetic action songs like “**I Am a Tiger**” and “**Can You Dance Like a Tiger?**”

The activity not only nurtured their **creativity and fine motor skills**, but also helped instill an early sense of **care and respect for wildlife**. It was a delightful blend of learning, fun, and awareness as our little tigers roared with joy for a big cause!
