

## REIMAGINE, REUSE, RECREATE

**ACTIVITY: Best out of Waste**

**DATE: 29 July 2025**

**CONDUCTED BY: Class 6 Eco Club**

As part of their ongoing commitment to sustainability and creativity, students of **Class 6 Eco Club** took part in an inspiring **Best Out of Waste** activity. Using discarded and everyday waste materials, the students transformed trash into **useful and beautiful creations**.

With immense enthusiasm and imagination, they designed **pen stands, flowers, vases, planters, and even mini dustbins**—all made from items like old bottles, newspapers, cardboard, and fabric scraps. The activity encouraged students to **think creatively**, while also reinforcing the importance of **recycling and responsible waste management**.

It was a fun-filled and educational session that highlighted how **small actions can lead to meaningful environmental impact**, all while showcasing the students' innovation and commitment to a greener planet.
