

PUPPET TALES

ACTIVITY: Storytelling Session with Puppets & Props

DATE: 31 July 2025

CONDUCTED BY: Class 3

Students of **Class 3** took their creativity to the next level during a delightful **storytelling session** held in class today. Armed with **colourful puppets and imaginative props**, the young storytellers narrated interesting tales that captivated their peers and brought characters to life.

The session offered a wonderful platform for students to **express themselves confidently**, use **voice modulation**, and explore the art of **narrative storytelling**. Each story was presented with enthusiasm, creativity, and a personal touch, making the classroom buzz with excitement and laughter.

It was truly heartwarming to see our young learners **build stage confidence**, **enhance communication skills**, and most importantly, **share joy through stories**. A day filled with imagination, expression, and storytelling magic!
