

## RAKHI FOR NATURE

**ACTIVITY: Vrikshabandhan Celebration – A Promise to Protect Nature**

**DATE: 5 August 2025**

**CONDUCTED BY: Class 2**

In a beautiful blend of tradition and environmental awareness, students of **Class 2** celebrated **Vrikshabandhan** by tying rakhis to trees, symbolizing their love and commitment to nature. With joyful hearts and colourful threads, the children pledged to **protect, nurture, and respect trees**—our silent yet essential companions.

This meaningful celebration helped students understand the **interconnectedness of life** and instilled a deep sense of **responsibility towards the environment**. Through this act, they not only honoured **Raksha Bandhan** but also extended its message of protection to the natural world.

It was a heartwarming sight to see young minds embracing the spirit of **eco-consciousness**, one tree at a time.
