

# PRATAP INTERNATIONAL SCHOOL

## Grade – I

(1<sup>st</sup> July to 31<sup>st</sup> July 2025)

**Synopsis:-** *The month of July began with a warm Welcome Back for students on 1st July, setting a cheerful tone for the academic session. From 14th to 19th July, the school celebrated Readopia, a week-long reading festival filled with literary activities that nurtured a love for books. International Tiger Day roared to life as our young learners raised awareness about wildlife conservation. Through vibrant tiger masks, artistic displays, and informative messages, they highlighted the importance of protecting our national animal and preserving our rich biodiversity.*

### *Readopia*

*From 14th to 19th July, the school celebrated Readopia, a vibrant week-long reading festival that encouraged students to explore the joy of reading.*

*As part of the celebrations, students enthusiastically participated in a range of creative activities — they made colourful bookmarks, crafted imaginative "character in a bottle" displays, and designed various literary-themed projects.*

*These hands-on activities not only deepened their engagement with books but also fostered creativity, comprehension, and presentation skills*

## International Tiger Day

*At Pratap International School, our little warriors celebrated the majestic tiger through vibrant masks, powerful performances, and a meaningful message of conservation.*

*We raised awareness and honoured our national pride — the Tiger!*

## CLASS ENRICHMENT ACTIVITY:

### Healthy and Unhealthy Food Activity

*Our Grade 1 students took part in an exciting roleplay activity about healthy and unhealthy food. The aim of the activity was to help children understand the importance of eating the right kinds of food to stay strong and healthy.*

## Hands on Addition Activity

Our Grade 1 class participated in a hands-on math activity to learn addition with regrouping using popsicle sticks. The objective was to help students understand place value and the concept of carrying over in a fun and visual way.

Regards

Team PIS
