

PRATAP INTERNATIONAL SCHOOL
Grade – (MT – PREP)
JULY (2025)

SYNOPSIS: Little Steps, Big Adventures: A Glimpse into our July.

July was a month of vibrant energy and new discoveries of our pre- primary! We loved seeing our little ones settle back into the rhythm of school life with big smiles and eager minds. It was a month full of smiles, laughter, and a whole lot of fun as we rediscovered the joy of learning and playing together.

Highlights of July included:

- ***Welcome Back to School*** 📅
- ***International Tiger Day Celebration*** 🐅 🍌
- ***Class Enrichment Activities*** 📖 ✍️

❖ 🐅 **Welcome Back to School** 📅

What a wonderful start to our new school year! Our little stars bounced back to school with so much energy and enthusiasm. We spent the month of July getting to know each other again and making new friends. To celebrate our reunion, we had a fantastic Welcome Back “Cartoon theme Party”, complete with music, dancing, colouring and fun games. We also created beautiful Cartoon characters and a selfie point to make it more memorable for our young ones.

❖ ***International Tiger Day Celebration*** 🐅 🍌

The day began with a captivating storytelling session featuring a friendly tiger character. Our little ones also participated and wore tiger mask. It was a wonderful opportunity to teach them about the importance of caring for our planet’s wildlife.

CLASS ENRICHMENT ACTIVITIES

- **Class- MT**
- **Colour sorting Activity :**

Our little learners had a joyful time exploring colours through a fun sorting activity! It helped enhance their visual recognition, fine motor skills, and understanding of colour names.

- **Shaping clay :**

Our young creators had a hands-on experience shaping clay into circles, squares, and triangles! This fun activity helped develop their fine motor skills and introduced them to basic geometry in a playful way.

- **Class - KG**

- **My feelings Activity :**

Little hearts, big feelings the KG student explore a wonderful world of emotions- because understanding feelings is the first step of understanding each other.

Colourful finger Activity-

- Little fingers, big imagination!
- Our kindergarten stars had a blast with the colour catch fingers activity. A fun way to learn colours through play and creativity. Learning is always more exciting when it's hands on.

CLASS - PREP

- **International Tiger Day Activity :-**

Our shining stars enthusiastically celebrated International Tiger Day by engaging in a creative colouring activity, where they beautifully filled tiger illustrations with vibrant colours.”

Number Name Activity:-

- **This activity helps our children to understand that numbers have names as well as symbols. It lays the foundation for early math learning and counting skills.**
