Dear Readers.

In a world so richly diverse and beautifully complex, few things unite us as deeply as the threads of **celebration**, **culture**, **language**, **and togetherness**. These are not just concepts, but lived experiences—vibrant expressions of who we are, where we come from, and how we grow together.

From the echoing beats of the dhol on festive days to the quiet pride of annual achievements, celebrations bring joy and meaning to our lives. At school, every event—be it a festival, competition, farewell, or achievement—is a reminder that **success is sweeter when shared**. These moments create memories that bind us in laughter, pride, and gratitude. Culture gives us our unique identity. It's in the way we dress, the festivals we observe, the food we share, and the values we uphold. In a school where students come from different backgrounds, each culture adds a **stroke of color to a beautiful mosaic of unity**. Embracing one another's traditions nurtures respect and broadens perspectives.

Language is more than words—it is a bridge between hearts. Whether it's Hindi, English, or Sanskrit, every language spoken in our school is a **melody in the grand orchestra of communication**. Language helps preserve our heritage, and at the same time, builds the ability to understand and accept others. Our greatest strength as a school lies in our togetherness. Be it the shared spirit during annual day rehearsals, team projects, or simply helping each other during exams, we thrive when we collaborate. Togetherness builds compassion, tolerance, and a **sense of belonging that no textbook can teach**. As we turn the pages of this magazine, let it remind us that our strength lies not in being the same, but in celebrating our **differences with dignity and love**. Let us continue to learn from one another, lift each other, and stay united as a community of learners and dreamers.

Stay healthy, stay green!

Happy Reading !!

Ms. Bobby Sharma

IST MAY 2025

FOUNDATION AND GRATITUDE DAY CELEBRATION

Today, the school celebrated its Foundation Day and Gratitude Day with immense enthusiasm and a strong sense of purpose. The day began with a spirited Walkathon and Cyclothon, where students from Grades 6 to 10 took to the streets—covering areas from the school campus through Sector 14 and Sector 15—spreading impactful messages on environmental conservation and healthy living.

Aligned with the 2025–26 session's resolution, "Planet vs Plastic," the event was themed "Walk for Wellness and Pedal for the Planet." It aimed to ignite a sense of responsibility and inspire meaningful action among the youth. A thoughtfully curated special assembly by students of Grades 7 and 10 featured heartfelt expressions of gratitude through speeches, dance performances, and creative presentations—honouring the school, the community, and the environment. Principal Mr. Prem Kumar Ojha addressed the gathering, expressing his deep appreciation for the school's founders and their visionary contributions. Vice Principal Ms. Rimpy Verma delivered a warm vote of thanks, acknowledging the school's janitorial staff for their dedication and tireless efforts in maintaining a clean, safe, and nurturing environment every day. We extend our heartfelt gratitude to the School Management for their unwavering support and constant inspiration. Let us continue to walk with gratitude, pedal with purpose, and strive together for a better tomorrow.

9 MAY 2025

JUNIOR CABINET INVESTITURE CEREMONY

At Gateway International School, we don't just educate minds — we nurture leaders.

The Junior Cabinet Investiture Ceremony, held on 9 May 2025, unfolded with grace and pride, marking a significant milestone where responsibility meets opportunity. The ceremony commenced with the auspicious Lamp Lighting and the soulful Sangathan Sutra, in the esteemed presence of our respected Principal Mr. Prem Kumar Ojha, Vice Principal Ms. Rimpy Verma, Academic Coordinators, and proud parents. The atmosphere was set aglow with a graceful Ganesh Vandana followed by the resonant strains of the School Song, celebrating unity and spirit. Our young leaders were inspired by the words of wisdom shared by the school heads, igniting a spark of purpose and commitment. With heads held high and hearts full of promise, the Junior Cabinet marched with pride and was adorned with their badges of honour — Jr. Head Boy, Jr. Head Girl, Discipline Prefect, Monitors (CCA & Discipline Prefect, Language). Guided by the Vice Principal, the solemn Oath Ceremony sealed their pledge to lead with integrity, respect, and responsibility. A surprise performance by the Junior Cabinet added a joyful spark, reflecting their enthusiasm and unity. This ceremony not only recognized our young changemakers but also instilled the core values of leadership, discipline, teamwork, and service empowering them to shape a better tomorrow.

Here's to the leaders of today and the torchbearers of tomorrow!

– 17 MAY 2025 – INVESTITURE CEREMONY

"Everyone can rise above their circumstances and achieve success if they are dedicated and passionate about what they do". Today, we proudly held our annual Investiture Ceremony for the session 2025-2026,a momentous occasion where young leaders were bestowed with responsibilities to uphold the school's values and lead by example. The event was a testament to the school's commitment to nurturing not just academic excellence, but also character and leadership among its students. Our honourable Principal, Mr. Prem Kumar Ojha, and Vice Principal, Ms. Rimpy Verma, announced the names of the selected council body and bestowed upon them badges and sashes. Head Boy- Naitik Chahal, Head Girl - Sanskriti, Discipline Prefects- Navya and Prabhjot, CCA Prefects- Shrehaan and Radha, Sports Prefects- Vansh Malik and Shlok, Public Speaking Prefect - Aditi Malhotra, Editorial Prefect - Insha. House Captains and Vice Captains included Aradhya Jain and Insha (Varun), Aditi and Bhavik Sharma (Vayu), Deepika Tushir and Meghansh (Vasudha), Saanvi Munjal and Rashmi (Vyom). The newly appointed student council members, prefects, and house captains took the solemn oath, pledging their dedication to their roles and promising to uphold the ideals of integrity, compassion, and responsibility. Principal Mr. Prem Kumar Ojha and Vice Principal Ms. Rimpy Verma urged students to lead with humility and integrity. With hearts full of ambition, the new council pledged to serve the school with dedication and inspire their peers.

21 MAY 2025

INTERNATIONAL DAY FOR BIODIVERSITY

Congratulations to Mr. Deepak Kuhar, a dedicated bird enthusiast, for winning a prize for his exceptional photography in the competition organized by the Haryana State Biodiversity Board on the occasion of International Day for Biodiversity.

26 MAY 2025

GENDER SENSITIVITY IN-HOUSE TRAINING FOR TEACHERS

An insightful In-house Training session on "Gender Sensitivity in Schools" was conducted by CBSE Resource Persons Mr. Deepak and Ms. Deepti.

The interactive session focused on breaking gender stereotypes, building awareness, and fostering a more inclusive and respectful school environment. We extend our heartfelt thanks to the resource persons for inspiring and guiding us toward creating a more equitable space for every learner.

EDUCATIONAL-CUM-ADVENTUROUS TRIP TO TIRTHAN VALLEY

An exciting educational trip to Tirthan Valley, Himachal Pradesh, was organized for Grades 6–12 from 28th May to 1st June 2025. Known for its pristine rivers and lush greenery, the valley offered the perfect setting for adventure and learning. After a brief orientation, students eased into the new environment. The following days were filled with thrilling activities like river crossing and zip-lining, supervised by certified instructors. These experiences built confidence and teamwork while offering breathtaking views and a true adrenaline rush.

PRE-PRIMARY WING ACTIVITIES

Assembly GRATITUDE DAY

On 1st May 2025, our Pre-Primary students celebrated Gratitude Day with hearts full of love! The little ones gifted chocolates and handmade cards to their class Bhaiyas and Didi's—a sweet gesture to thank them for their constant care and support. Through the special play "A day without community helpers" presented by teachers, our students learned the importance of community helpers and the value of appreciation in life.

Life Skills in Action

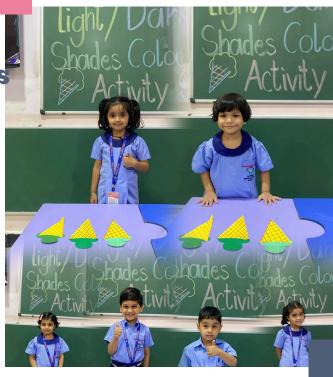

On 2nd May 2025, our Pearl grade students learned to organise their belongings by neatly arranging them in pigeon holes. Ruby grade took it a step further by polishing their shoes, while Diamond grade students confidently practiced changing their clothes independently. These little tasks are big steps toward building confidence and self-reliance

Sensorial Development

EXPLORING THE WORLD THROUGH SENSES

On 6th May 2025, our little learners of Pre Primary sharpened their minds through sensorial activities. They explored the concepts of dark and light, wide and narrow, and thick and thin through fun filled activities—it helped to build their observation skills and visual sense.

Assembly

MOTHER'S DAY

Gateway International School celebrated the Day heartfelt Mother's assembly beautifully showcased the students; love and appreciation for their mothers. The program began with a graceful dance performance by the students, expressing the warmth, care, and strength that mothers bring into our lives. This was followed by a touching poem narration, the essence mother's capturing of unconditional love. Few students also took the stage to share their personal thoughts on what their mothers mean to them. The assembly was a vibrant blend of emotion, gratitude, and celebration, reminding everyone invaluable role mothers play in shaping our lives.

Picture Description

On 9th May 2025, our little learners of Pre Primary enjoyed a picture description activity where they observed images closely and spoke about what they saw. A wonderful way to build observation skills, boost confidence, and enhance their speaking abilities.

Red Colour Day Celebration

13th May 2025 was a vibrant day as our Pre-Primary students came dressed in shades of red, bringing energy and excitement to every corner! They explored red objects around them, identified the colour in their surroundings, and got creative with red-themed craft activities. The day was filled with fun, learning, and lots of cheerful red vibes.

Learning Hindi in Sports

Kids made vocals and recipes with colorful play doh. This interesting activity not only made letter recognition fun, but also increased the efficiency of their fingers. A game that makes language learning memorable.

Pre-activity of vyanjan ল

Children were shown Laddu to introduce vyanjan ল . Children saw, recognized and repeated the laddu. Through this interesting activity, children enjoyed learning and understanding the words starting with the letter ল.

Ruby Class

NUMBER FUN WITH DICE

Our Ruby students enjoyed a fun dice-rolling activity to reinforce numbers 1 to 3. Children enjoyed a fun-filled activity where they rolled a dice and picked objects matching the number they got. It was a playful way to learn counting and number recognition, making math both exciting and hands-on.

My Best Friend

In Ruby class, the children joyfully shared the names of their best friends and created special badges for them. It was a part of PBL subject where they have to share the name of their best friend. It was heart-warming to see the love and friendship they expressed through their creative work.

PRIMARY WING ACTIVITIES

Assembly

GRATITUDE DAY

A special assembly was held on May 2, 2025, by Grade I & II students to celebrate Gratitude Day, honouring the contributions of our community helpers. Students performed a lively role-play and portrayed helpers like security guards, sweepers, governesses, bus drivers, conductors, and housekeeping staff. They highlighted the importance of these roles in our daily lives. The most touching moment came when the floor Didi's were invited on stage and sented with handmade 'Thank You' cards. This heartfelt ture created an emotional atmosphere and reinforced the value of gratitude. The assembly inspired students to appreciate and respect those who support us every day, leaving a lasting impact on all present.

Galewoy Thierakional Company to the same of the same o

Assembly

MOTHER'S DAY

A special assembly on Mother's Day was held on 9 May, 2025, by Grade I and II students. Grade I began the celebration with a thoughtful message, a heartfelt poem, and a lively dance dedicated to mothers. Grade II students shared the latest news and spoke about one special quality they admire in their mothers, highlighting the love and care mothers provide. The assembly was a touching tribute to the special bond between mothers and children.

Talent Hunt

TALENT IN EVERY HEART, SHINE IN EVERY ACT!

Talent in Every Heart, Shine in Every Act! On May 7, 2025, our Grade II students lit up the stage with their incredible performances during the Talent Hunt conducted by the school . From soulful singing and graceful dancing to creative storytelling, jokes, magic tricks, art displays, and more—our young stars showcased their hidden talents with confidence and joy. It was a heart-warming celebration of creativity, talent, confidence and self expression. We are so proud of h participant for stepping up and sharing their spark.

TINY TALENTS, BIG DREAMS!

On May 14, 2025, our Grade I students stole the spotlight during the Talent Hunt. From dancing and singing to beautiful artwork — our little stars amazed everyone with their enthusiasm and charm. We're so proud of their confidence and creativity!

Fun Experiments

Students of Grades I and II recently explored the wonders of science through fun and engaging hands on experiments. One exciting activity used turmeric as a natural indicator. Children painted with turmeric and observed colour changes when detergent water (a base) and vinegar (an acid) were added, helping them understand acid-base reactions in a simple, visual way. In another experiment, a glass of water was covered with a card and inverted. To their amazement, the card stayed in place, demonstrating air pressure. These interactive experiments made learning enjoyable and sparked curiosity, creativity, and critical thinking among the young learners.

Parents Day Celebration

The Parents' Day celebration for Grade I & II was a heartfelt and vibrant tribute to the most cherished pillars of our lives—our parents. The event honoured the love, sacrifice, and beautifully unwavering support that parents recognizing them as the heart and soul of every child's life. The celebration featured a delightful medley of performances that left the audience truly mesmerized. From melodious songs to energetic dances, and heartwarming skits performed by the budding artists, each act reflected deep emotions and joy. Parents were visibly moved by the effort and love poured into each performance. Their faces beamed with pride and emotion as they watched their budding artists perform . It was truly a memorable experience that made them feel special and appreciated. The programme not only celebrated the role of parents but also strengthened the bond between school and family, making it an event to be cherished for a long time.

Splash Pool Activity

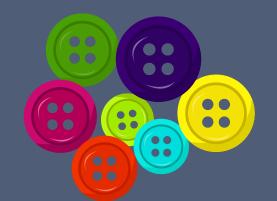

Our little water lovers from Grade I & II had a splashing good time at the pool. Dressed in their lovely swimming costumes, they laughed, played, and splashed water with their friends. With cheerful smiles and lots of giggles, they enjoyed every moment while following safety rules. It was a refreshing way to beat the heat and build happy memories together.

Life Skill

BUTTONING YOUR SHIRT

Our enthusiastic Grade I learners participated in a joyful and meaningful co-curricular activity 'Buttoning Your Shirt'. Through this simple yet essential task, children practiced worked on their fine motor skills, hand-eye coordination, and developed self-care habits—all while gaining confidence in doing things on their own. It was heart warming to watch them take pride in learning something so practical and important.

Life Skill

MAKING YOUR BED

Our Grade II children learned a great life skill—making their own beds. With smiles on their faces, they arranged pillows and folded sheets and even placed their favorite toys neatly on the bed. This fun activity taught them how small daily habits can build independence and responsibility. It also helped them understand the importance of cleanliness and taking care of their own space. The children enjoyed working on their beds and felt proud of doing it all by themselves.

Quality Circle Time

I SENT A LETTER

During Circle Time, our Grade I students enjoyed the game "I Sent a Letter." Sitting in a big circle with their teacher, they played as one student dropped a letter and dashed off, followed by joyful chasing.

The activity helped build focus, listening skill, and quick thinking—all while having fun. Every child got a chance to play, creating happy moments and laughter all around.

Quality Circle Time

Our Grade II students enjoyed a peaceful and refreshing Yoga and Meditation session during Quality Circle Time. Sitting in three calm circles, they followed their teacher's instructions for simple breathing, hand, and neck movements. The quiet moments helped them feel relaxed, happy, and focused. It was a lovely way to start the day with calm minds and smiling faces.

Story Telling Session

Our Grade II storytellers had a fun-filled session full of imagination and creativity. Using colourful 2D and 3D animal props, the children mixed characters from different stories and used their imagination to create their own tales. With expressive voices and

lively actions, they brought their stories to life. The teacher also joined in with an engaging story that the children loved. It was a joyful day of learning voice modulation, expressions, and the magic of storytelling.

English Activity

NAMING WORDS

Grade I students had a fun activity exploring naming words. They looked around and named people, places, animals, and things they could see. Each child shared words like "teacher," "school," "dog," and "chair." They enjoyed learning through pictures, games, and talking with friends. The activity helped them understand and use naming words easily. It was exciting and interactive.

Math Activity

BEFORE AND AFTER

Grade I students enjoyed an activity on before and after numbers. They used number cards, charts, and games to find what comes before and after a given number. Students took turns answering and helped each other. The fun, hands-on learning helped them understand number order and boosted their confidence in math

Math Activity

EXPLORING NUMBERS

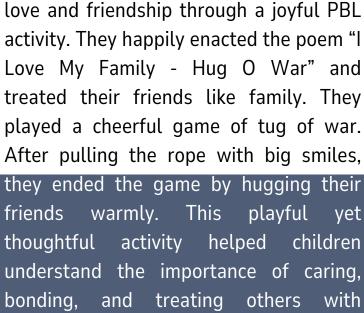

Our Grade II learners had an exciting hands-on Math session using Dienes Blocks to explore and understand 3-digit numbers till 999. With great enthusiasm, students built different numbers by combining hundreds, tens, and one's blocks. This engaging activity helped reinforce their understanding of place value. Learning through play makes Math meaningful and fun.

PBL Activity

Our Grade II young learners celebrated

kindness. A beautiful way to learn life's

sweetest values.

PBL Activity

TRAFFIC SIGNS AND RULES

Our young learners of Grade II, explored road safety through a fun PBL activity. They created colorful traffic signs on A4 sheets and presented them in the class. From stop signs to zebra crossings, children shared the meaning of each sign with excitement. The activity helped them learn important traffic rules and how to stay safe. It was a creative and engaging way to understand real-life lessons through art and presentation.

Learning with smiles

Students of Grade IV recently attended a highly engaging and interactive session on oral hygiene conducted by Dr. Tarun, as part of their Science lesson on types of teeth. The session gave students valuable insights into dental care and boosted their confidence to interact with a real doctor—asking thoughtful questions about brushing techniques and oral health. It was a fun and informative experience that turned learning into lasting smiles!

Vibrant and inspiring special assembly

ON BIRTH ANNIVERSARY OF RABINDRANATH TAGORE

Gateway International School marked the birth anniversary of Rabindranath Tagore with a vibrant and inspiring special assembly on 6th May 2025, conducted by the talented students of Grade IV for Classes III to V. The morning began with a thought-provoking message and the latest school updates, setting a reflective tone. The students were captivated by a skit on Tagore's childhood and his vision of education — one that blossomed beyond classroom walls, embracing nature, creativity, and free thinking. The values of curiosity, freedom, and lifelong learning echoed powerfully. A graceful dance performance on Ekla Chalo Re followed, reminding us of the timeless call to move forward with courage and conviction, even when walking alone. Ms. Swati's enlightening talk traced Tagore's extraordinary life and beautifully unfolded the deeper meaning of Ekla Chalo Re the strength of self-reliance and resilience. The assembly concluded with an engaging quiz where the students enthusiastically showcased their learning and admiration for the Bard of Bengal. A day of inspiration, reflection, and creativity — just as Tagore would have envisioned!

Learning experience

USING DIENES BLOCKS FROM JODO GYAN

Grade 4 students had an exciting hands-on learning experience using Dienes blocks from JODO Gyan to build and understand numbers! Through this engaging activity, children explored place value and number formation in a concrete and fun way. Manipulating the blocks helped them visualize how numbers are constructed, strengthening their foundational math concepts. The joy of learning was evident as students actively participated, collaborated, and discovered the magic of numbers through touch and play.

In a thoughtful QCT session

In a thoughtful QCT session, Grade 5 students took a moment to pause and reflect on their own qualities and areas for growth before introducing themselves to the class. This beautiful activity helped them understand who they are before sharing who they are with others. With confidence and honesty, each child stood up to introduce themselves to their peers and teacher, laying the foundation for self-awareness, connection, and a strong classroom bond.

Celebrating Roots of

LOVE AND VALUES!

On May 15, 2025, the students of Grades III–V celebrated International Family Day through a heartwarming CCA activity centered on family values. In a unique twist, students created their Family Trees—not just with names and relations, but as Value Trees, blooming with the virtues they've learned from their favourite family members. From teachers guiding the process to parents sharing stories, this celebration beautifully highlighted the strong foundation that families build through love, respect, and shared values. It was a day of reflection, expression, and deep connection—reminding us all that family is the first school of values.

'मेरी कल्पना'

"बचपन कल्पनाओं की नींव पर टिका होता है। बच्चों में कल्पनाशीलता का विकास न केवल उनकी रचनात्मकता को निखारता है, बल्कि उनके सोचने, समझने और समस्याओं को सुलझाने की क्षमता को भी बढाता है। कल्पनाशक्ति बच्चों को एक ऐसी दुनिया में ले जाती है जहाँ वे खुले मन से सीखते हैं, नये विचार गढते हैं और अपने अनुभवों को नए रंगों में ढालते हैं। "कक्षा 4 के बच्चों को शिक्षिका ने एक रोचक काल्पनिक कहानी सुनाई, जो उन्हें कल्पना की अनंत दुनिया में ले गई। यह कहानी न केवल मनोरंजक थी, बल्कि बच्चों को सोचने, महसूस करने और अपने मन के दृश्य रचने के लिए प्रेरित करती थी। शिक्षिका ने पूरे भाव और अभिनय के साथ कहानी सुनाई, जिससे बच्चों को ऐसा प्रतीत हुआ जैसे वे स्वयं उस कहानी का हिस्सा बन गए हों। उन्होंने आँखें बंद कर के हर दृश्य को अपनी कल्पना में सजीव किया - उड़ते हुए पक्षी, हँसता हुआ जंगल, बोलते हुए बादल और जादुई झरने। कहानी समाप्त होते ही बच्चों को अपने मन की छवियाँ काग़ज़ पर उकेरने का अवसर मिला। उन्होंने अपनी कल्पनाओं को चित्रों के माध्यम से आकार दिया और रंगों से उन्हें जीवन्त बना दिया। इस रचनात्मक गतिविधि ने न केवल उनकी कल्पनाशीलता को उडान दी, बल्कि आत्मविश्वास और अभिव्यक्ति की कला को भी नया आयाम दिया।"

"कल्पना की उड़ान"

कल्पना... वह सेतु है जो हमें वास्तविकता और सपनों के बीच जोड़ता है। कल्पना करना और उसे अभिव्यक्त करना बच्चों के समग्र विकास का महत्वपूर्ण हिस्सा है। कक्षा 3 के नन्हें शिक्षार्थियों ने "हम भी होते काश!" विषय के अंतर्गत अपनी कल्पना की उड़ान भरते हुए पेड़, तितली, बादल, इंद्रधनुष, एलियन और कबूतर जैसे रूपों की सुंदर समझ विकिसत की।बच्चों ने अपनी कल्पना को रंगों और चित्रों के माध्यम से कागज़ पर उकेरा — हर चित्र सजीव और भावों से भरा हुआ था। रंगों की छटा और कल्पनाओं की ऊँचाई ने कक्षा को एक छोटे से *कला-संग्रहालय* में बदल दिया। इस रचनात्मक गतिविधि को और भी विशेष बना दिया उनके उत्साह और सहभागिता ने, जब उन्होंने अपने चित्रों को एक-दूसरे के साथ साझा किया और एक पंक्ति में अपने विचारों को भी शब्दों का रूप दिया। बच्चों की यह कल्पनाशीलता, उनकी रचनात्मक क्षमता और आत्म-अभिव्यक्ति की दिशा में एक सुंदर कदम है।

From Newsprint to Notebook

As part of our Social Science topic on Communication, the students of grade IV dived into the world of print media and discovered the power of the newspaper. Each student brought newspaper cuttings on various topics, carefully pasted them in their notebooks, and—more importantly-discussed each piece in class with curiosity and confidence. This hands-on activity did more than just teach about newspapers—it strengthened communication skills, encouraged critical thinking, and sparked meaningful conversations. The students not only understood the importance of print media in spreading information but also learned to express their thoughts clearly and listen respectfully to others' viewpoints. A truly enriching experience that turned reading into real learning!

Odd and Even Numbers Art Adventure

PIC-COLLAGE

Grade III students embarked on an imaginative journey during the "Odd and Even Numbers Art Adventure." This captivating project transformed abstract mathematical concepts into vibrant, tangible creations, blending math with artistic expression. As the young learners delved into the world of numbers, their faces lit up with excitement, showcasing their eagerness to understand the differences between odd and even numbers. This hands-on activity was not just a lesson in mathematics; it offered the children an opportunity to unleash their creativity, allowing them to explore and interpret these numerical concepts through art. The combination of learning and artistic exploration made the experience not only educational but also profoundly inspiring, enriching their understanding in a fun and memorable way.

Learning with Care

TOILET ETIQUETTE FOR CLASSES III-V

A life skill activity was held on May 20, 2025, wherein the students of Classes III–V learned something very important — Toilet Etiquettes! Our teachers didn't just talk about them in the class; they personally guided the students to the washrooms to show the right way to use them — from flushing properly, keeping the area clean, to washing hands the right way. This activity taught our students that cleanliness and respect for shared spaces is everyone's responsibility. Building good habits today for a better tomorrow!

Poster Making

on

WATER CONSERVATION

As part of our Social Science SEA activity, students participated in a Poster Making Activity on the theme "Water Conservation". They creatively expressed the importance of saving water through powerful messages and artwork.

The activity helped raise awareness and encouraged students to adopt water-saving habits in daily life.

DEAR Time

DROP EVERYTHING AND READ

our Grade IV students added a splash of creativity! They made their own colourful and fun bookmarks using drawings, quotes, and designs they love. These bookmarks are not just pretty — they help students keep their place while reading and make reading time even more exciting! By making and using bookmarks, children feel more connected to their books and look forward to reading every day. A small activity with a big impact on growing the love for books!

A Feathered Surprise in

OUR SCHOOL

As part of their EVS exploration on Animals our curious learners of grade III had a rare opportunity to witness nature up close — a live bird's nest right within the school premises! Students were thrilled to observe the nest-building materials and closely study the bird's body parts, connecting real-life observation with their learning about different kinds of nests. The excitement soared when they discovered that the bird had even laid eggs in the nest — a moment of awe and wonder! It was an unforgettable experience that brought the textbook to life and deepened their connection with the natural world

May 22

INTERNATIONAL DAY OF BIOLOGICAL DIVERSITY

On the International Day of Biological Diversity, the students of Grades III to V brought endangered and extinct animals to life through a lively role play activity. Dressed in creative costumes and using beautiful props, they stepped into the roles of vanishing species and shared powerful messages on the urgent need to protect biodiversity. Their performances reminded us that every creature has a role in nature's balance and urged everyone to "Be a part of the Plan" — the global call to action. Let's protect our planet's precious species before it's too late!

Social Science

ART INTEGRATED ACTIVITY

As part of the Communication unit in Social Science, our young learners explored the power of posters and their impact on daily life. Through thoughtful reading and discussions, they understood how messages are conveyed visually and how communication shapes our world. With the upcoming PTM in mind, the students came up with a wonderful idea — to create their own posters to inform and engage! Channeling their creativity and knowledge, they designed beautiful, informative posters, integrating art with learning. This initiative not only deepened their understanding of the topic but also gave them a meaningful platform to express it. Their vibrant posters now speak louder than words!

Creative Writing ACTIVITY

Our students from Grades VI to VIII poured their hearts out during a special Creative Writing activity. Each grade explored a meaningful theme — "My Mother" in Grade VI, "Mera Swabhav" in Grade VII, and "Patriotism – The Pahalgam Attack" in Grade VIII. Thought-provoking videos on these topics set the tone, inspiring our young writers to reflect deeply and express their emotions through powerful words. It was truly heart-warming to witness their thoughts take shape on paper with such sincerity and creativity

Empowering Young Minds WORKSHOP ON BODY CHANGES & PARENT CHILD BONDING

A meaningful workshop was conducted for students of Grades VI-VIII by Dr. Sakshi Rishi Varmani from Rishihood University on the essential topic of Body Changes and Bond with Parents. The interactive session included engaging activities that encouraged open discussions, self-awareness, and the importance of building strong, supportive relationships with parents. It was a valuable opportunity for students to understand the changes they are experiencing and appreciate the vital role of family support. A big thank you to Dr. Sakshi Rishi Virmani for making this session both informative and enjoyable!

Shaping Strong Minds

8

BRAVE HEARTS

Today, the girls of Grade: VI-VIII participated in a dynamic self-defence workshop, learning essential skills to build confidence, strength, and personal safety. The session not only focused on physical techniques but also instilled a sense of self-reliance and resilience. Here's to empowering our young warriors to stand strong and fearless!

Family Where.... LIFE BEGINS & LOVE NEVER ENDS

Grade VII B students beautifully captured the spirit of togetherness through a heartfelt Family Day assembly. The celebration included energetic dances, soulful songs, a special Mother's Day dance, and a Rabindranath Tagore Jayanti quiz, all reflecting the deep bonds of family. This memorable event not only showcased the student's; talents but also strengthened the connection between the school and families, creating cherished memories for everyone involved.

Exploring the Earth

A HANDS-ON GEOGRAPHY LAB EXPERIENCE

Grade VI students recently explored Chapter 1: "Locating Places on the Earth" during an engaging visit to the Geography Lab. Through interactive activities using globes and maps, they developed a clear understanding of key geographical concepts such as latitude, longitude, and the global grid system. Students learned to use coordinates to accurately identify locations and discovered the importance of the Equator and Prime Meridian. This experiential learning session made geography come alive, deepening their understanding of Earth's layout in a fun and meaningful way.

Mood Mirror REFLECTING OUR EMOTIONS

As part of our ongoing efforts to nurture emotional well-being and self-awareness, teachers recently conducted the "How Is Your Mood?" activity during Quality Circle Time with students. This reflective session encouraged children to identify and express their current emotions using mood cards, drawings, or simple words. It opened a safe space for students to share their feelings, listen to one another, and build empathy within the group. The activity not only helped students understand their emotions better but also fostered a sense of connection and support among peers, making the classroom environment more positive and inclusive.

MUN Workshop Ignites

GLOBAL THINKING

Students of Grades VI–IX participated with great enthusiasm in a dynamic 3day Model United Nations (MUN) Training Workshop, led by Aditi Malhotra (Grade XI), Head of the Organizing Committee – GIS MUN, under the valuable guidance of our Social Science Teachers. The workshop introduced students to the fascinating world of diplomacy, global affairs, and structured debate. Through interactive sessions, they explored MUN procedures, key terminologies like motions, yields, points of order, and moderated caucuses. Practical tips on research, speech writing, and confident delivery empowered them for their MUN journey ahead. The highlight of the workshop was hands-on training in presenting General Speakers' List (GSL) speeches, boosting their confidence and public speaking skills. The event concluded with a lively Q&A session, leaving our young delegates inspired and eager to take on global issues with confidence and clarity!

SENIOR WING ACTIVITIES

An Inter-house current affairs quiz competition

An Inter-house Current Affairs Quiz Competition was held for Grade 9–12 to encourage awareness and healthy competition among students. The event tested students; knowledge of global happenings in an exciting format. Vayu House emerged as the winner, with Varun House as the runner-up. The quiz sparked enthusiasm and sharpened minds, making it a truly enriching experience for all.

Victorious Notes AT JHANKAR

Our students have once again brought laurels to the school at Jhankar—an Inter-School Competition hosted by Modern Haryana. Vaibhav achieved an outstanding 1st position in the Solo Singing category,showcasing his remarkable vocal talent.In the Group Instrumental category, our talented ensemble—Shreyhaan, Prince, Aditya Sharma, Gagan, and Aarush—secured the 3rd position, winning hearts with their harmonious performance. We are proud of their achievements and applaud their dedication and passion for music.

CHERISHING FAMILY AND BONDS

On May 14, 2025, Grade 10-B orchestrated a heartfelt morning assembly centred on the theme "Cherishing Family and Bonds" The assembly commenced with a serene prayer, setting a reflective tone for the day;s proceedings. The highlight of the assembly was an engaging skit that depicted the nuances of familial relationships. Through relatable scenarios, the skit emphasised the significance of understanding, empathy,

and open communication within families. The students; performances resonated deeply with the audience, drawing both smiles and contemplative nods. Complementing the skit, the class presented an English song titled "Que Sera Sera". The melodious rendition added a harmonious touch to the assembly, reinforcing the days theme through music. The assembly concluded with motivational speech by the class teacher, who underscored the importance of nurturing family bonds and the role they play in shaping individuals. The message served as a poignant reminder of the foundational support that families provide. Overall, the assembly by Class 10B was a touching tribute to familial relationships, leaving a lasting impression on all attendees.

The Envirothon Inter-House

MODEL PRESENTATION COMPETITION

The Envirothon Inter-House Model Presentation Competition held on 21st May 2025, was a celebration of creativity, sustainability, and scientific thinking. Students from Classes IX to XII showcased innovative and practical solutions to environmental challenges, reflecting their deep concern for the planet and commitment to eco-friendly innovations. Each house presented thought-provoking and impactful models. Some of the standout ideas included: Paper from Waste: A simple yet effective method to recycle old newspapers and used paper into handmade paper, promoting a circular economy and reducing deforestation. Carbon Ink Creation: Using collected carbon soot to produce eco-friendly ink—a smart reuse of pollutant material to reduce chemical-based ink production. Plastic-Eating Microorganisms: Conceptual models of plastic-degrading organisms orenzymes, addressing one of the biggest environmental concerns—plastic pollution. Floating Solar Irrigation System: A floating platform equipped with solar panels to power irrigation systems, ideal for water bodies and rural farming innovations. Envirothon 2025 not only sparked interest in sustainable technologies but also encouraged students to think critically about their role in protecting the environment. It concluded with high praise for all houses and reinforced the idea that young minds can indeed lead the way to a greener tomorrow.

Empowering Future Leaders

MUN TRAINING

Students of Grades VI to IX actively engaged in the training of MUN, focusing on the General Speakers' List (GSL). They confidently delivered well-researched opening speeches on global issues, sharpening their public speaking and diplomatic skills. Constructive feedback from trainers enhanced their clarity, pace, and use of formal language. The session significantly boosted their confidence, preparing them for upcoming MUN conferences.
