

LITTLE PATRIOTS

EVENT: Independence Day Assembly – The Show That Had It All!

DATE: 13 August 2025

CONDUCTED BY: 2C

Move over Bollywood — Class 2C just delivered the biggest Independence Day blockbuster of the year (and the best part? No tickets required!).

The celebration opened with patriotic songs so powerful that even the ceiling fans seemed to pause in admiration. Next came the dances — a delightful display of energy, rhythm, and tiny feet moving in perfect(ish) synchronization. Think flash mob, but cuter and with a lot more tricolor.

The speeches were another highlight — a crash course in Indian history presented with the confidence of seasoned TED Talk speakers.

In short, Class 2C didn't just put on an assembly; they staged a full-blown Independence Day masterpiece. They sang, danced, and inspired — all before recess, and without even a sip from their juice box!
