3. The spring season was earlier known as Lent. _____

4. Around 20% of bird species migrate long distance every year. _____

Q6. Read the following and answer the questions.

One day Riya woke up and looked outside the window. It was cloudy and cool. She wore her raincoat and carried an umbrella before leaving for school. On her way, she saw puddles on the road and children wearing gumboots. At school her teacher said it was the beginning of the rainy season, Riya remembered how in summer she used to drink cold water and wear cotton clothes. And in winter she would wear warm woollen clothes and sit in the sun.

Q1. What did Riya wear before going to school?

Q2. What kind of clothes do we wear in winter season?

Q3. What did she see on the road?
