Academic Enrichment Activities

Resonance from the Parents' Heart

"Human mind is a fountainhead of all magic, happiness and innovation."

In this new era of digitalisation, children are showing their prowess in the field of technology. Participation in the Virtual Inter-school Competitions is another enviable milestone. The school is a witness to the myriads of activities those were conducted for the students of our school. Various Inter-School Competitions were held to mark the occasion.

The competitions were a fusion of talent, imagination, creativity and alertness. Whether it was the melodious solo song and dance instrumental, art, handwriting, creative writing or debate, the activities help to bring out the uniqueness of each individual. The students of the St. Xavier's High School set the stage on fire by their powerful performance for the winning title. The students left everyone awe-struck as they presented their talent so immaculately and effortlessly. Students of St. Xavier's High School have proved their mettle by bagging multiple prizes in various inter-school competitions organised by the reputed schools in Gurugram. St. Xavier's High School takes pride in announcing that our school bagged overall First Position at Blue Bells Public School, overall First position at Made Easy School and overall Third position at Manav Rachna International School.

Our students brought laurels to the school by winning prizes and securing top positions. The school Management and the school Principal congratulated the winners for bringing accolades to the school.

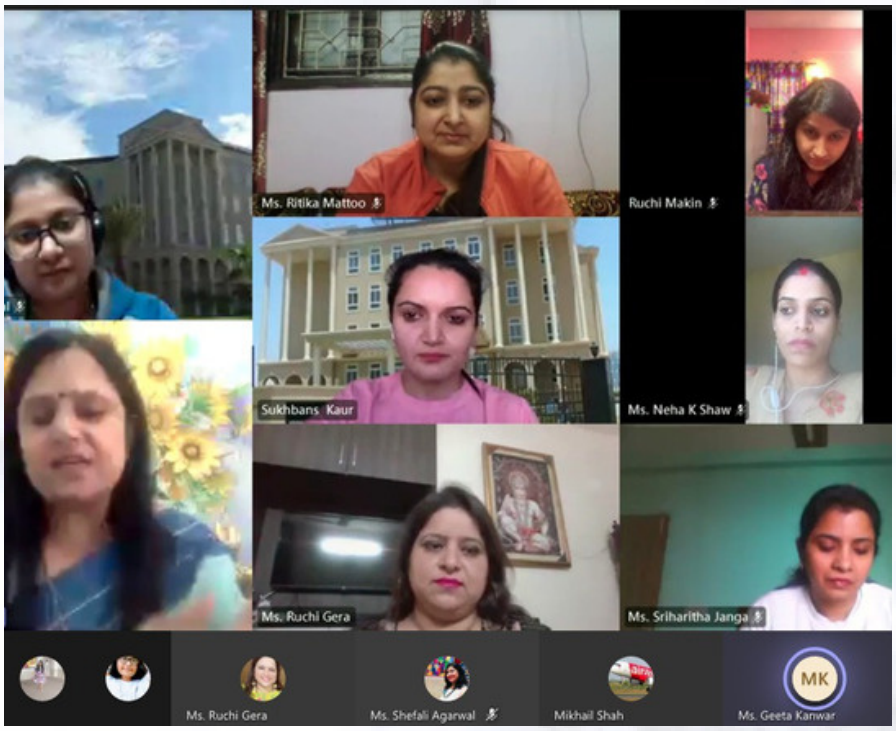

"An investment in knowledge pays the best interest."

CAMPUS BUZZ

COLLOQUY

"COLLOQUY- We were delighted to welcome the parents to this meeting for taking out time to be with the teachers and other parents for this important meeting. We shared the details and cleared all the queries related to the students' Post Mid Term examination. Our dear Headmistress, Ms. Geeta Kanwar guided us all with various points related to the post mid-term examination and the queries from all the students and their parents.

Clothes Donation Drive

Your greatness is not what you have, it's what you give

Winters are here and while we're busy upgrading our wardrobe with boots, leather jackets, and snug sweaters, there are those who do not have access to enough clothes to keep them warm this season.

We live in times of exciting change. A change driven by our desire to do something meaningful. Keeping the same thought in mind, today, St. Xavier's High School Sector-49 Gurugram, donated clothes to help the less fortunate people.

The clothes which were received from our little Xaverians were distributed on the roads to poverty stricken, deprived people to bring happiness in their lives during cruel winter season.

We hope that this act of ours made someone in need Smile.

"The roots of education are bitter, but the fruit is sweet."

CAMPUS BUZZ

World Vegetarian Day

"World Vegetarian Day is observed annually around the planet on October 1. It is a day of celebration established by the North American Vegetarian Society in 1977 and endorsed by the International Vegetarian Union in 1978, "To promote the joy, compassion and life-enhancing possibilities of vegetarianism." It brings awareness to the ethical, environmental, health, and humanitarian benefits of a vegetarian lifestyle. Grade V made a difference this October by informing others about the benefits of vegetarianism with an inter class 3 D poster making competition. They made an effort to create a better world because vegetarian diet have proven health benefits, it saves animals' lives and help to preserve the Earth.

"The more that you read, the more things you will know, the more that you learn, the more places you'll go."

CLASS ACTIVITIES

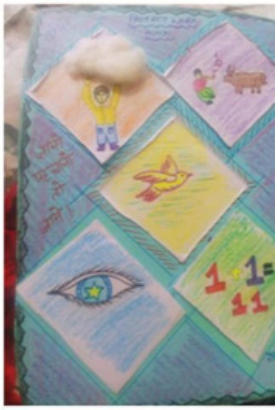

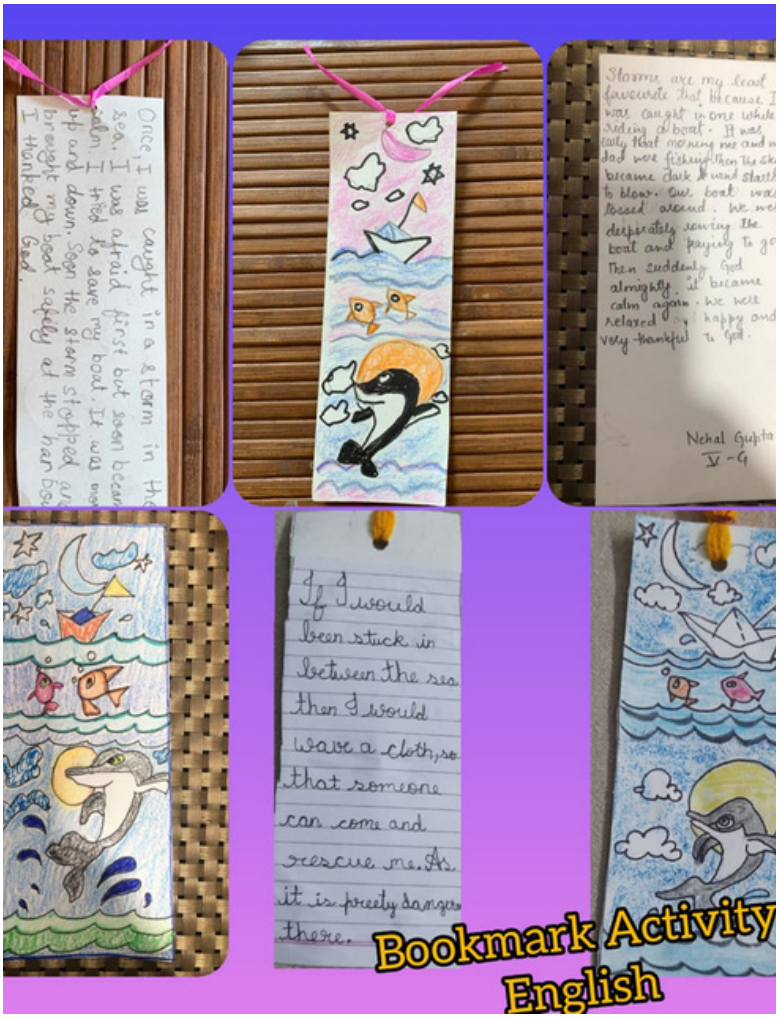

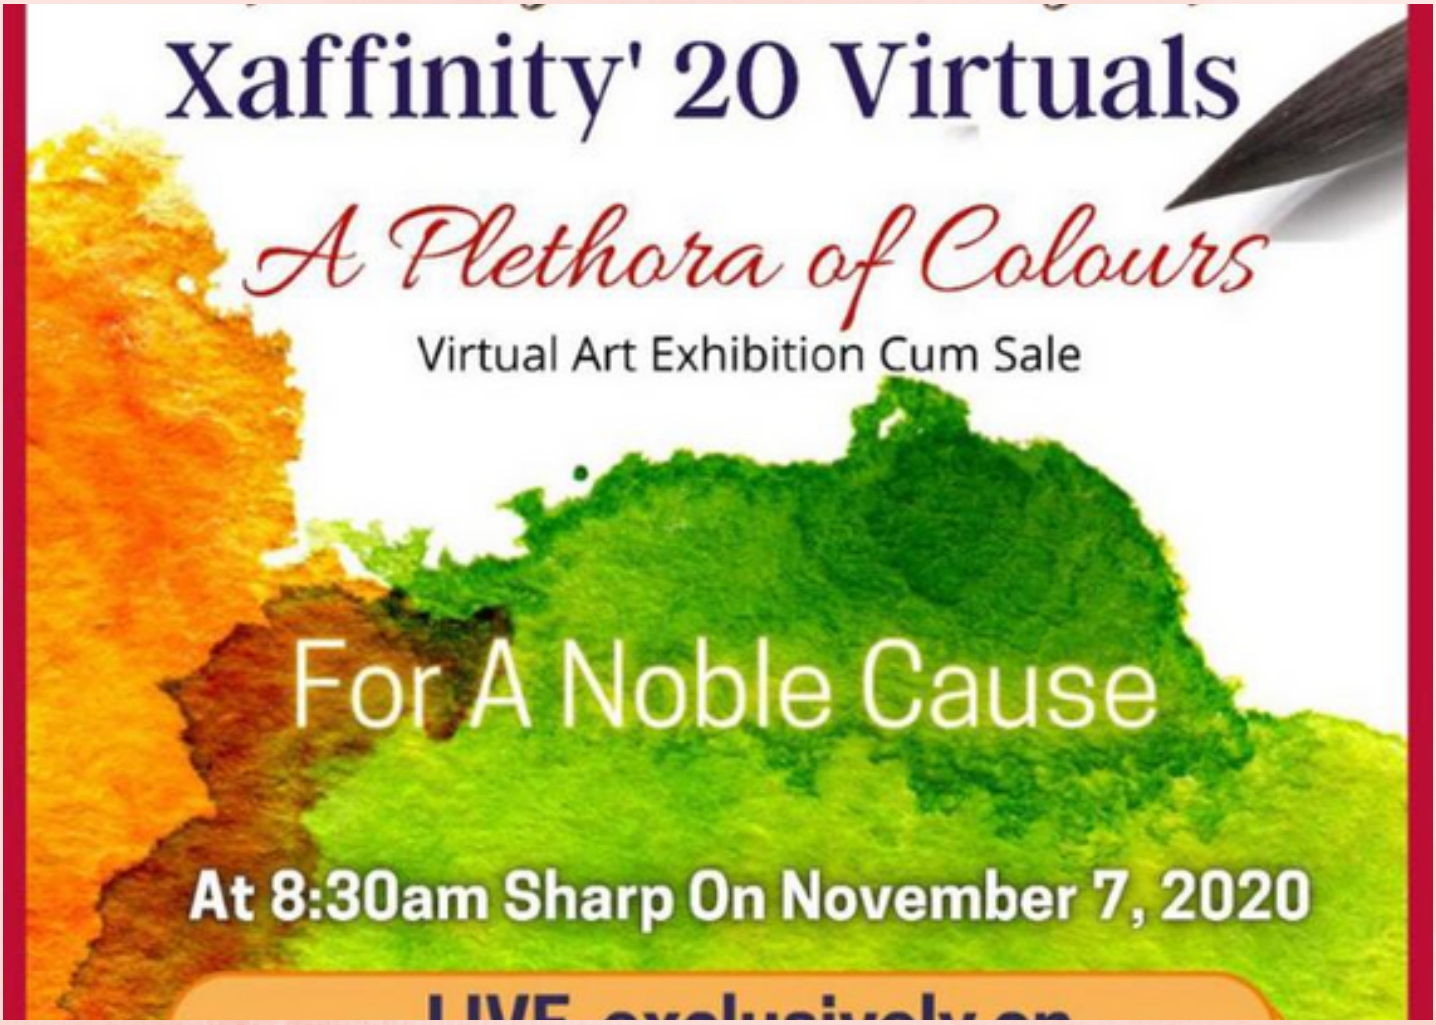

Students learn through their participation in the attainment of knowledge by gathering information and processing it by solving problems and articulating what they have discovered. Each subject enrichment activity provides the students with opportunities to deepen their learning by applying concepts and articulating new knowledge and many of these activities also provide a deeper insight about the students' learning.

"Develop a passion for learning. If you do, you will never cease to grow."

XAFFINITY 2020
ART FOR HUMANITY'S SAKE

XAFFINITY 2020: FOR A NOBLE CAUSE

St. Xavier's high school, sector 49, Gurgaon, carrying a legacy of bringing smiles on the faces of the underprivileged for the third year in the row, organised one of a kind art exhibition cum sale, Xaffinity'20 Virtual on 7th and 8th November 2020.

The virtual exhibition had a myriad of beautiful paintings, contributed by students, parents and teachers which made the art connoisseur' eyes shine with ecstasy. The uniqueness of this exhibition was that it not only aimed at exhibiting the talent of the students and parents but also the motive behind the sale of the paintings was a noble cause. The money collected from the sale of paintings was further donated for a noble cause.

The event's vibrant opening ceremony was LIVE on the school's Facebook page, beginning with the lighting of the lamp, followed by an address by the school Principal, Mr Stanley Anthony. He declared the exhibition open.

Each year the parents and students at St. Xavier's high are exceptionally generous in their support for the noble cause. The exhibition held the audience in awe and left them enchanted as the exhibition culminated. Keeping the current COVID situation in mind, art lovers picked up their benevolent purchases from the school at an allotted time. The school also provided the facility for home deliveries of these paintings.

"Perseverance is the hard work you do after you get tired of doing the hard work you already did."

HALLOWEEN DAY

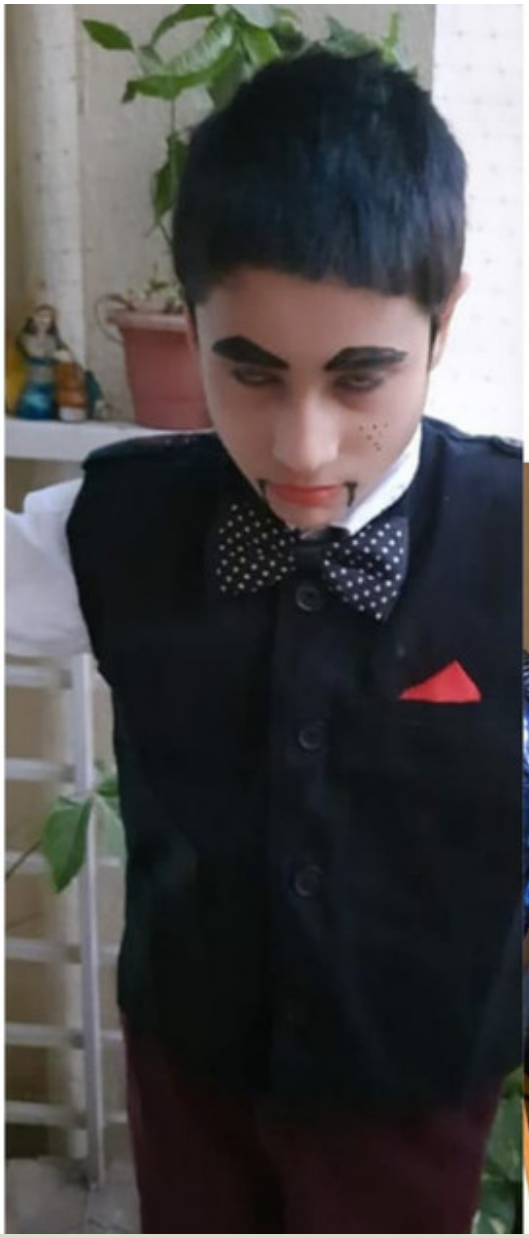

When witches go riding and black cats are seen, the moon laughs and whispers 'tis Halloween."

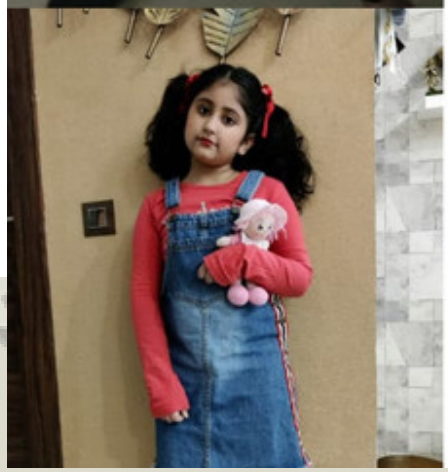

Everyone is entitled to a good scare because it's time again to get spooky and eerie....much has changed but our love for the fun, fright and delight of Halloween is stronger as ever. So students unleashed their Halloween inspiration – to celebrate the season in safe, fun and unexpected ways! Students enjoyed the magical night and let the spooky dangers lurk around them because it was as much fun to scare as to be scared. Xaverians extended a fun and spooky Halloween filled with lots of yummy treats.

HAPPY HALLOWEEN!

"Success isn't always about greatness. It's about consistency. Consistent hard work leads to success. Greatness will come."

KOREAN EXCHANGE PROGRAM

Grade V - (3rd Nov - 3rd Dec)

Cultural differences do not separate us from each other, but rather cultural diversity brings a collective strength that can benefit all of humanity." - Robert Alan

A foreign exchange program is one of the best ways to experience international education. Through International Exchange programmes, the School encourages students to discover a new curriculum and ways of learning, the ability to adapt and be part of a whole new world and experience.

Foreign Exchange Programmes are an integral part of Xavier's philosophy. We at St. Xavier's High School believe that a child can learn a great deal in a diverse environment. By moving out of their comfort zone, their minds are exposed to all new learning perspectives, giving them a wide idea of what the world holds for them. These programmes provide students with exposure to become aware of multi-faceted approaches to learning and living. It is one of the best ways to challenge students to develop a global perspective. Students also develop adaptability to embrace foreign cultures and promote liberal-mindedness.

The Xaverians have had the chance of being a part of 5 cultural exchange programmes till now . After an overwhelming response of the exchange programme last year with South Korea , the school management proposed to organize the Korean Exchange Programme, this year as well. This year the horizon of students widened with Virtual Exchange Programme with the South Korean. With this belief of imparting world-class education to our Xaverians we hope to see them again with the same zeal towards such foreign exchange programmes.

"Don't stress. Do your best. Forget the rest."

KOREAN EXCHANGE PROGRAM

Grade V - (3rd Nov - 3rd Dec)

It was an overwhelming moment for St. Xavier's High School, Sector-49, Gurugram to conduct the first ever virtual Indo-Korean Student Exchange Programme. The students from both the nations were enthusiastic to share their cultures by participating in the opening ceremony and introduced themselves to each other virtually which was followed by the school songs of St. Xavier's High School and Gapcheon Elementary School. The display of National Anthems of India and South Korea infused a feeling of patriotism in all the students. To give an insight into the cultures of two countries, singing and dance performances by students nurtured the beautiful bond of friendship.

Festivals are an expressive way to celebrate glorious heritage, culture and traditions. They are meant to rejoice special moments and emotions in our lives with our loved ones. To share about the Festivities of our country, the students of St. Xavier's High School displayed beautiful presentations for the South Korean students to share the diverse festivals of India. The enthusiastic South Koreans also shared their culture with our students with a presentation. It indeed was a very enriching experience with the display of festivals in the Indo-South Korean Student Exchange Programme.

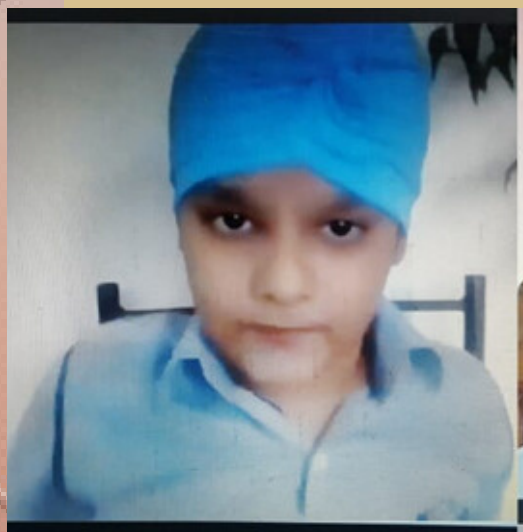

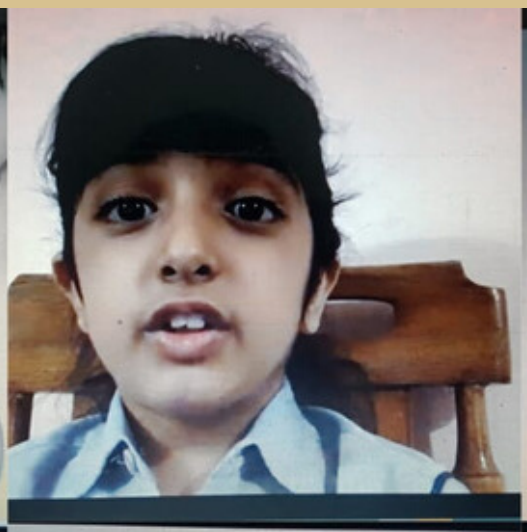

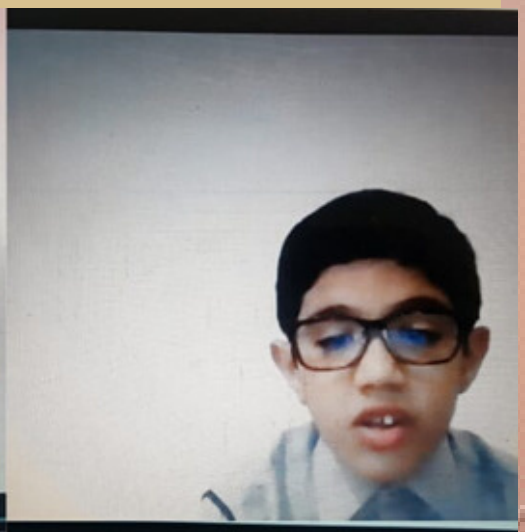

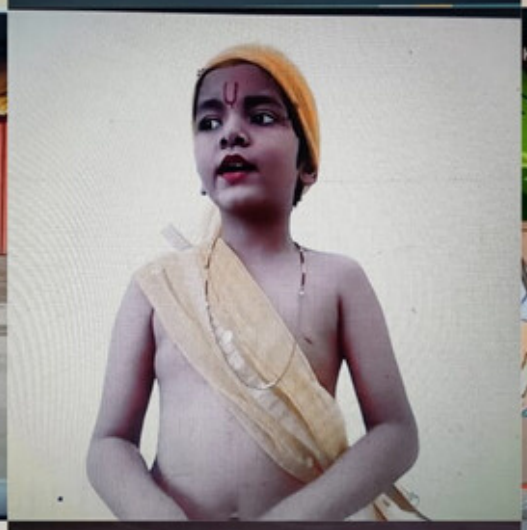

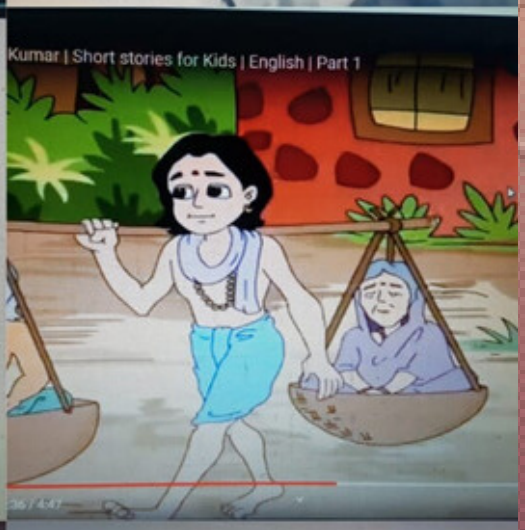

"Education is our passport to the future. For tomorrow belongs to the people who prepare it today."

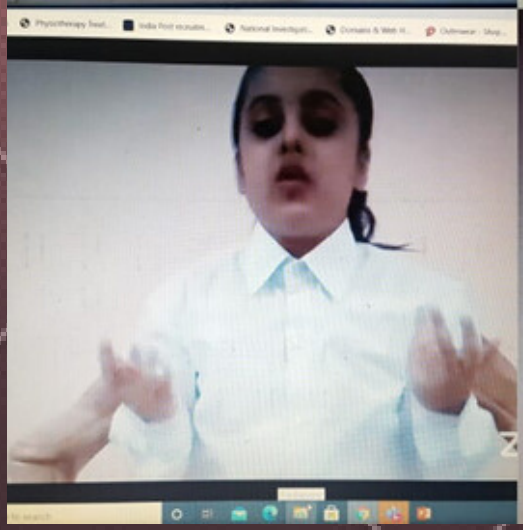

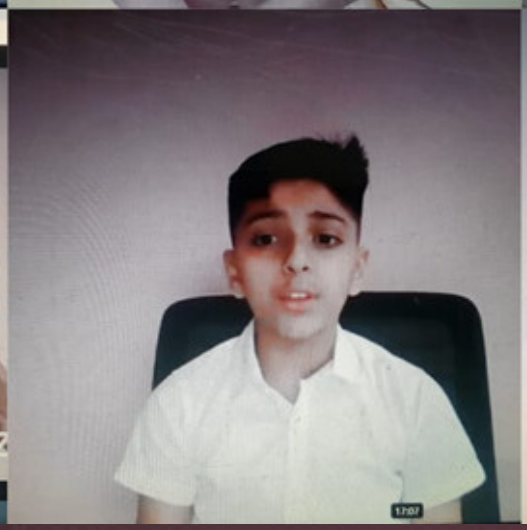

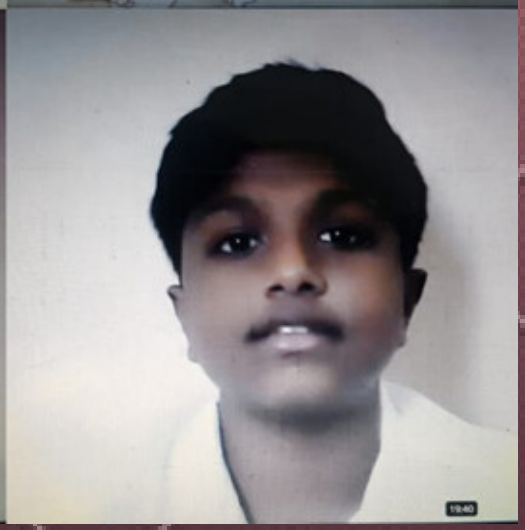

HAPPY DUSSEHRA

The way Shri Rama killed the ten-headed demon Ravana, let us all eliminate the negative traits that seek refuge within us and make a better version of ourselves.
On the auspicious occasion of Vijayadashami all the anger, greed, hatred and selfishness with the effigy of Ravana was burnt. Victory of the forces of good over evil with positivity and happiness was celebrated. Lesson to conquer your eternal enemies and give a new dimension to your life was imparted. This Dussehra a message that may all the demons of darkness, insecurities and fear of the present be extinguished by the light of joy, positivity, safety and wellness was propagated.

Happy Dusshera!

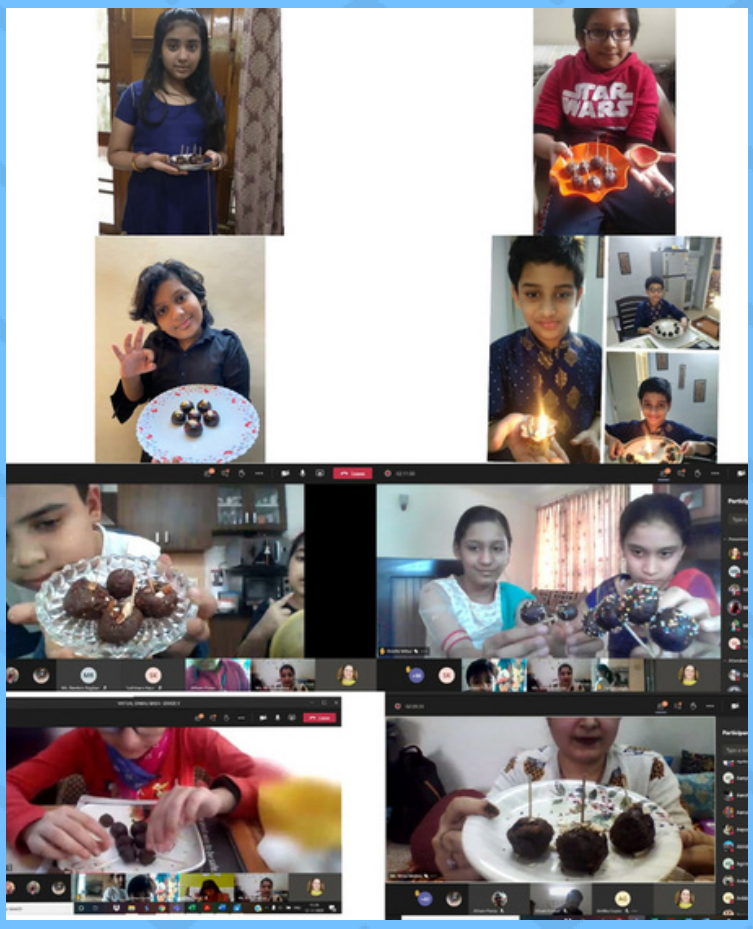

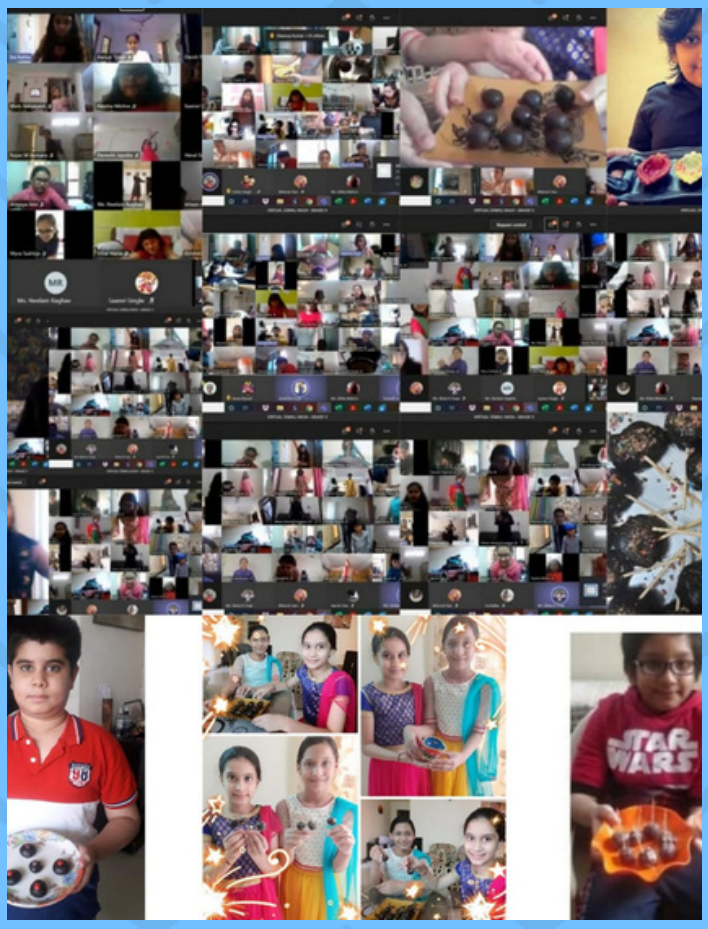

"When educating the minds of our youth, we must not forget to educate their hearts."

DIWALI CELEBRATIONS

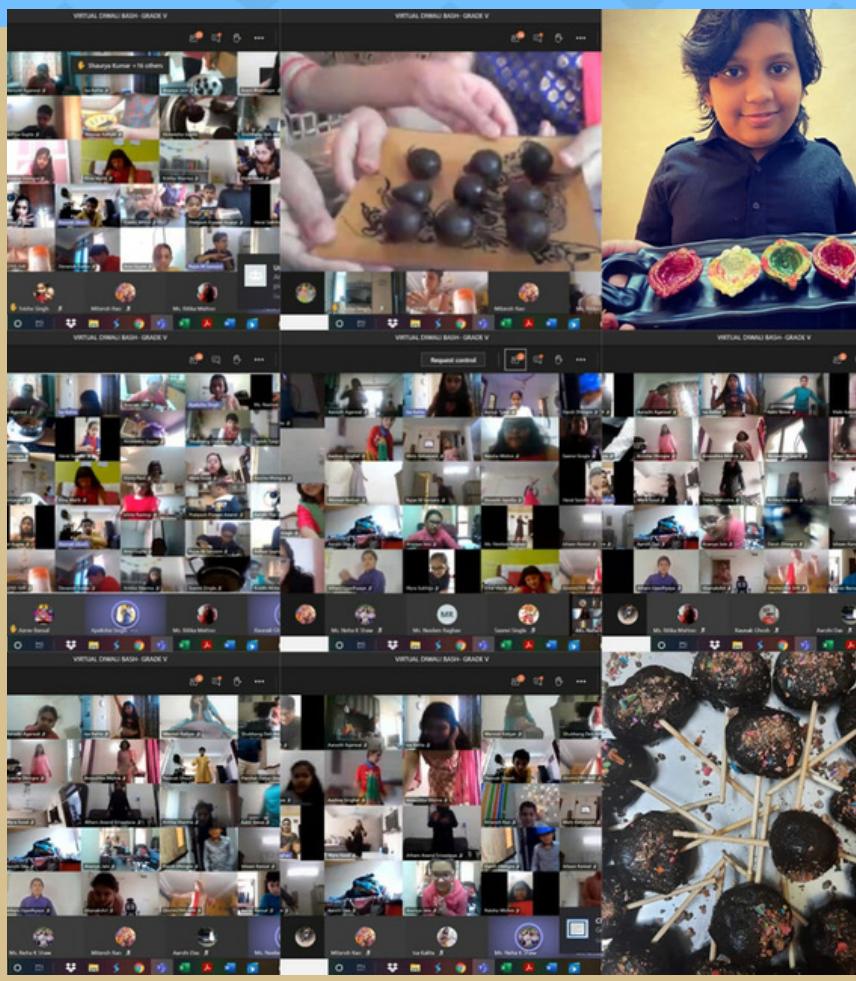

Diwali being called "Festival of Lights" – which means the celebration involves millions of lights floodlit from rooftops, doorways, and windows in thousands of temples, buildings and houses all over India.

The festival teaches us that good always wins over evil and we must eradicate darkness with light. During the virtual celebration of this festival, Students of Grade V of St. Xavier's High School celebrated by decorating traditional earthen diyas and creating beautiful colourful artworks, by fireless cooking of mouth-watering Chocolate balls and by performing dances and songs virtually with great enthusiasm.

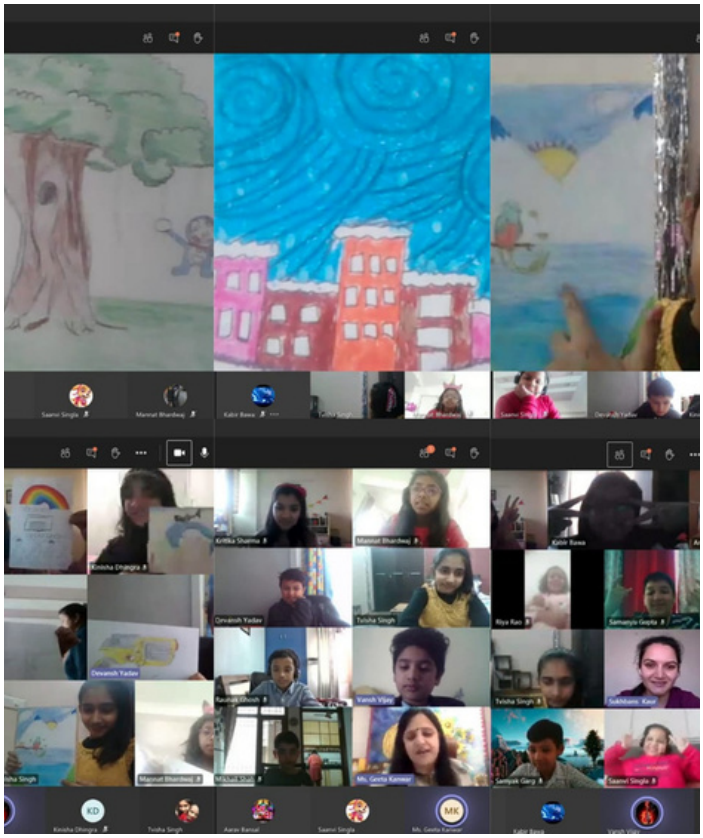

Xavierans displayed their talent combined with enjoyment of music, dance and games. Xaveriens of grade V took a pledge to celebrate a pollution free and green Diwali. Let's all stand together and spread the word- "Say No to Firecracker".

"Success is the ability to go from failure to failure without losing your enthusiasm."

CHILDREN'S DAY CELEBRATIONS

"Children are our nation's future, Nurture them right."

Children's Day is also known as Bal Diwas. It is celebrated on 14th November in India to commemorate the birth anniversary of Pt. Jawaharlal Nehru. Jawaharlal Nehru had immense love, care, and affection for children and so, the children called him Chacha Nehru. Chacha Nehru was mainly fond of children and roses.

His love for children was not just superficial as he believed that the children of today will make the India of tomorrow. According to his philosophy children are the building blocks of the nation and hence, the future of the nation depends on how well they are brought up.

Children's Day is celebrated every year to raise awareness among people towards the rights, care, and education of children. Nehru has left behind a legacy of education for the children of India. His vision led to the establishment of AIIMS, IIT and IIM.

Students of St. Xavier's High School opened their hearts out in the Virtual Children's Day celebration where each child shared their dreams and aspirations with their teachers.

"Education is what remains after one has forgotten what one has learned in school."

SCHOLAR'S DAY - AFFICIANDO

Awards are a way to encourage good behaviour and encourage competitive spirit. That's why our schools organize awards ceremony every year to encourage their students. So we are here to give prizes mainly in six categories, i.e. Differences in academics, sports, and arts to participate in school exhibitions, debates and other social programs.
The prizes to be distributed today are not only for identifying students who have performed exceptionally well in their academics, but also to those students who were active in various social programs, including sports, performing arts and visual arts. Its aim is to identify the extra talents of our students besides academics and motivate them to shine in their respective areas.

"Don't let what you cannot do interfere with what you can do."

SCHOLAR'S DAY - AFFICIANDO

"Intelligence plus character that is the goal of true education."

'Conflation: A Unique Blend of the Profound Saga of Ramayana'

Generations after Generations and centuries after centuries, Ramayana has been the book India's people, culture and rulers have looked upon to learn virtues to lead their lives and follow 'Dharma'. The stories, shlokas and Ramayana quotes are a treasure house of knowledge which inspire people to lead a righteous and virtuous life.

Good deeds are the means to reach a higher plane and likewise bad deeds lead to destruction and doom — is the ultimate message that the Ramayana teaches. The truth that each one is responsible for his acts, good and bad and will have to face the consequences is strongly stressed. It is shown that even birds and animals will be of assistance to one who treads the right path; but to him who chooses the wrong path, even one's kith and kin cannot be of any help.

To depict the beautiful messages from this great epic, Xaverians from grade III- VIII came live on Facebook to present 'Conflation: A Unique Blend of the Profound Saga of Ramayana' entailing 6 episodes from 19th October- 24 October 2020.

"Beauty may leave the moon, Himalayas may become bereft of snow, the ocean may transgress its shores but I will never violate the promise given by my father." – Lord Rama.

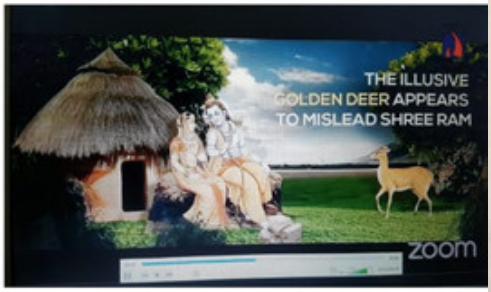

The Ramayan is not just a story, but also an educational medium to demonstrate the importance of values such as love and respect for your family, keeping your promises, protecting the weak and so on. Hindu mythology, the Ramayan, teach the children of today's generation about values and ethics.

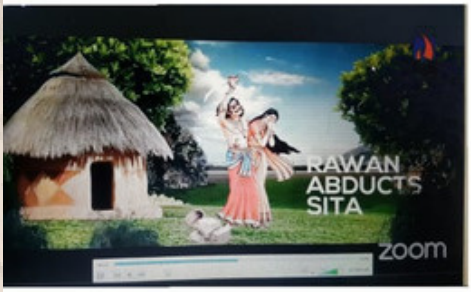

Students of grade V presented Chapter 5 – Vibhishan and Jatayu and the fight between Loyalty Versus Righteousness.

In the previous chapter students enlightened us with the path of Righteousness and Loyalty with the help of Jatayu and Vibhishan of Ramayan where we learnt that Inside each of us, there is the seed of both good and evil. It is a constant struggle as to which one will win. Ravan- whose mention is always there when we talk of good and evil. Students presented a detailed discussion about the death of Ravan which was a tragic end of a great scholar.

"You learn something every day if you pay attention."

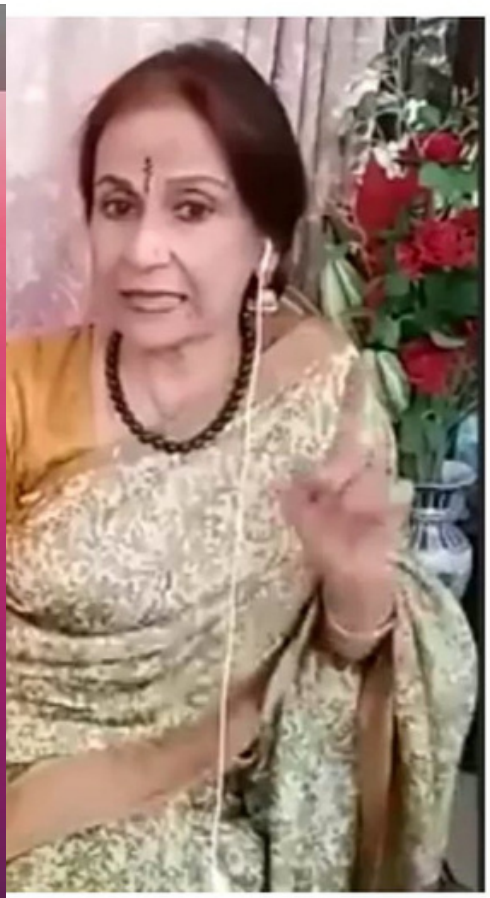

LENDING AN EAR: IMPROVING LISTENING SKILLS'

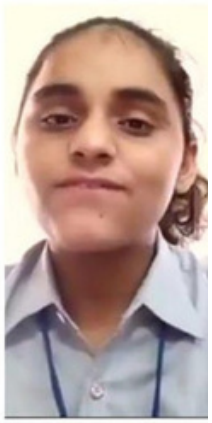

It's rightly said that communication is like throwing and catching a ball. You need to be alert to receive information through reading and listening in the same way you need to be alert to receive a pass on a football pitch. The art of listening may be floundering in thes days of reducing attention spans. But this is a precious life skill that needs to be honed. And that's the reason why God has given us two ears and one mouth? Ever wondered why? So that we speak less and listen more.

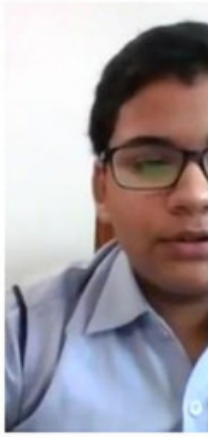

St.Xavier's High School, Gurugram invited all to a LIVE conversation on 17 October, 2020 'Lending an Ear: Improving Listening Skills', where our Xaverians discussed the importance of active listening and explored a variety of listening skills which expanded and enriched their experiences at home and in public.

An eminent and iconic personality of Indian Film, Television and theatre Ms. Jayshree Arora was the Guest Speaker of the event.

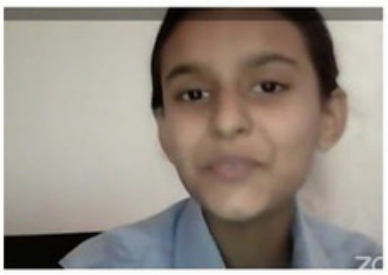

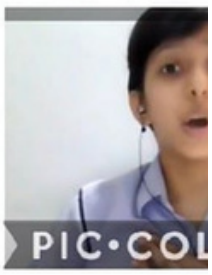

"You learn something every day if you pay attention."

CHRISBELLS 2020

Celebrating the Fervour of Christmas

'Christmas waves a magic wand over this world, and behold, everything is softer and more beautiful.'

Christmas is just not a season, it is a feeling and at this stressful time for everyone it is heart-warming to have something positive to look forward to.

Keeping this spirit, St. Xavier's High School, Sector-49, Gurgaon (Middle School) organised 'CHRISBELLS - 2020' to celebrate the fervour of Christmas.

The events were as follows:

Day 1
21st December 2020
Monday
CHRISBELLS: 2020'
A Curtain Raiser

Day 2
22nd December 2020
Tuesday
Bake n Flake
Learn the Culinary Art
Guest Chef Mr Sandeep Pande
Executive Chef
JW Marriott, NewDelhi Aerocity

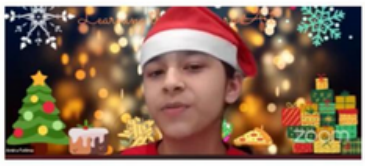

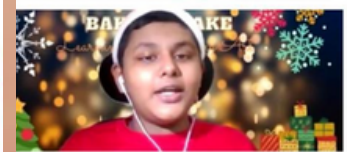

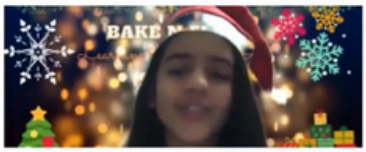

"Don't let what you cannot do interfere with what you can do."

CHRISBELLS 2020

Celebrating the Fervour of Christmas

Day 3 - Vocal Ecstasy, An Evening of Carol Singing

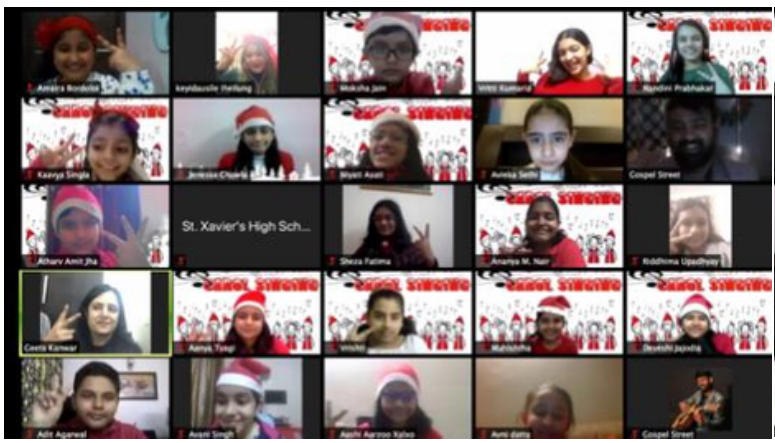

The idea of Christmas caroling brings to mind jolly bands of churchgoers, dressed in shawls and top hats, going door-to-door, to spread the spirit of Christmas through hymns. To keep up the spirit of Christmas with the Carols and enticed each one with their euphonious voices, the young Xaverians of Grade III- VIII presented Vocal Ecstasy, An Evening of Carol Singing (Day-3) of Chrisbells:2020 which went live on Facebook.

Day 4 - Bringing Joy to the World, The birth of a Saviour

Christmas - a season of joy and hope, good cheer , celebrations with loved ones and gearing up for another new year .

Children of grade V soaked themselves in the spirit of this season through different activities related to the festival. From decorating their own stocking to watching stories on birth of Lord Jesus Christ, from dressing up in Red to the excitement on seeing Santa's gifts and shower them with love, they enjoyed every moment. Christmas carols and a class party brought happiness and joy to every little Xaverian as they sang and danced to the tunes of music and played games.

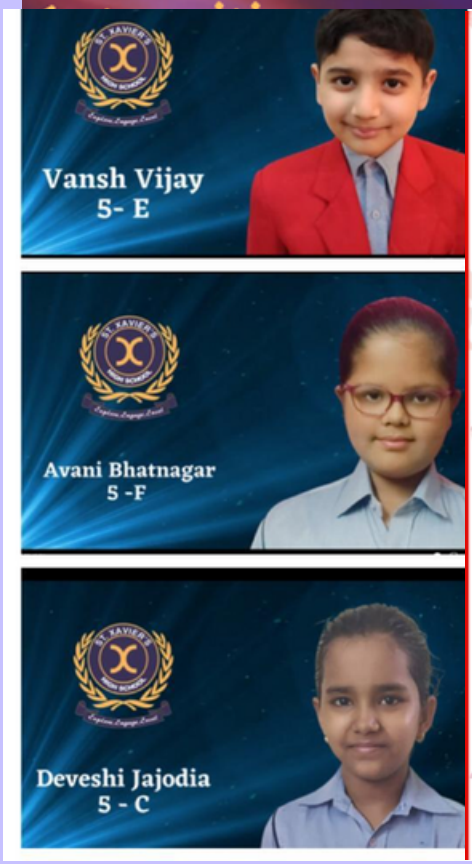

"Learning is a treasure that will follow its owner everywhere"

BATTLE FOR BEING MOST COGNIZANT- A VIGIL EYE

"The quest for knowledge, like everything else of value, is not to be obtained easily. It must be worked for, studied for, thought for, and more than that must be prayed for."

To encourage the students to widen their knowledge on the latest happening around the globe, the school came up with a series of Monthly Quiz on Current Affairs for the students of grades III-VIII. The first of its kind took place on October 1, 2020 which witnessed a huge participation from all the grades. Here are the winners of The Monthly Battle For Being MOST COGNIZANT- A Vigil Eye

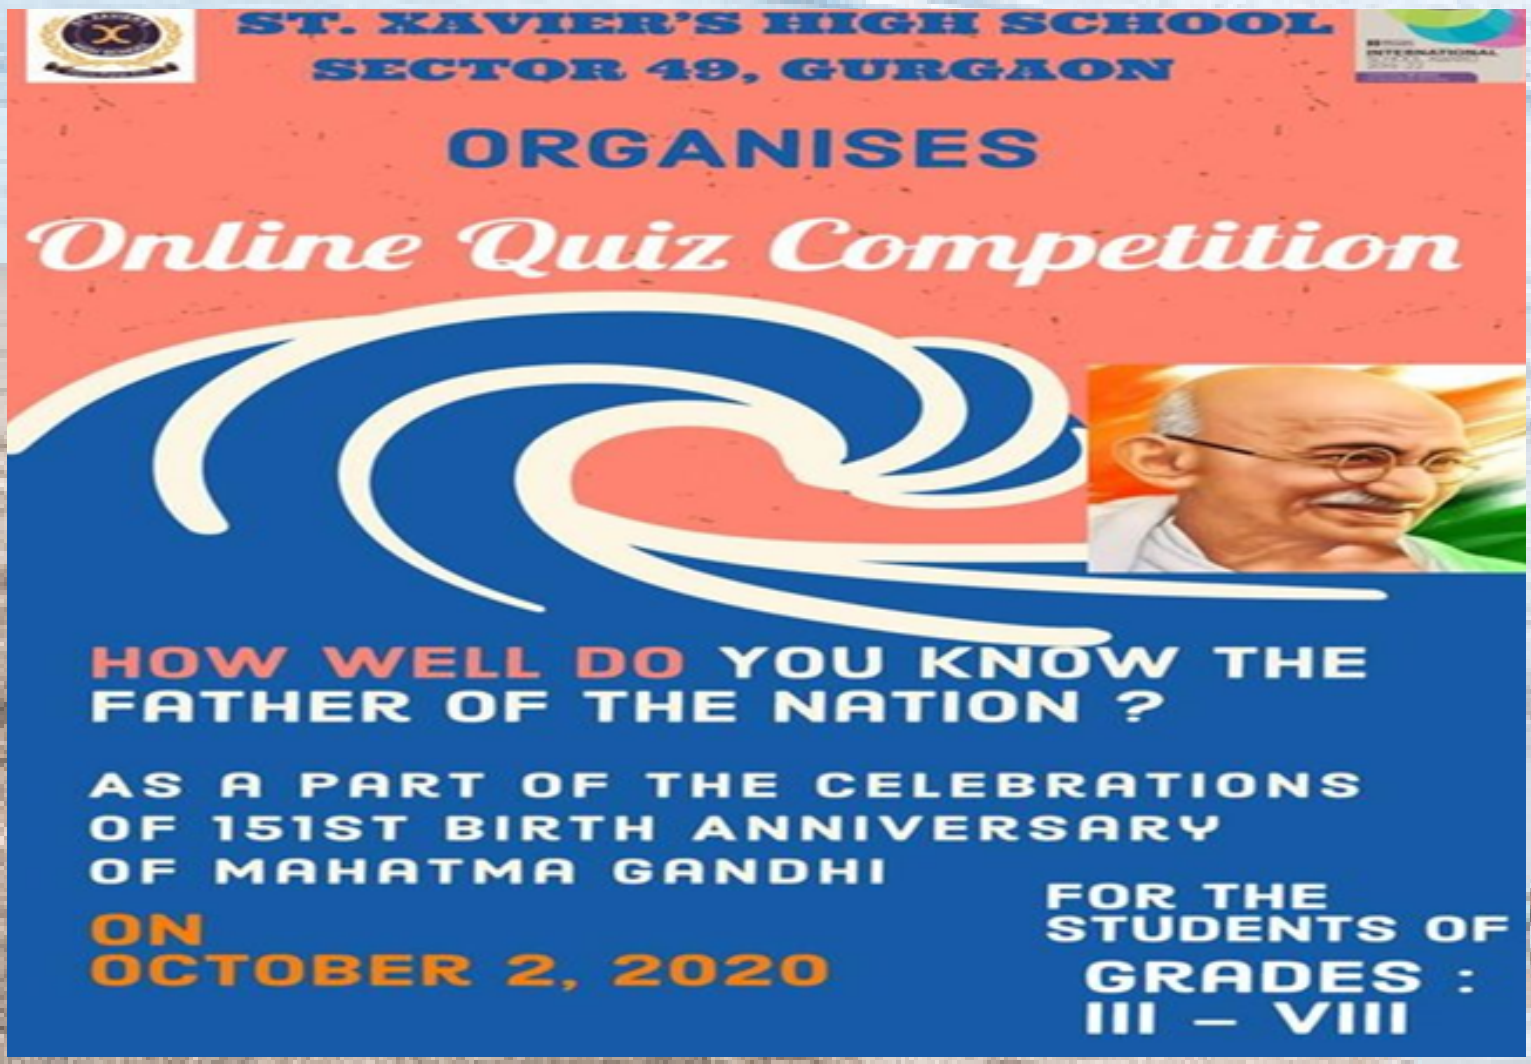

"A journey of a thousand miles begins with a single step."

Gandhi Jayanti Quiz

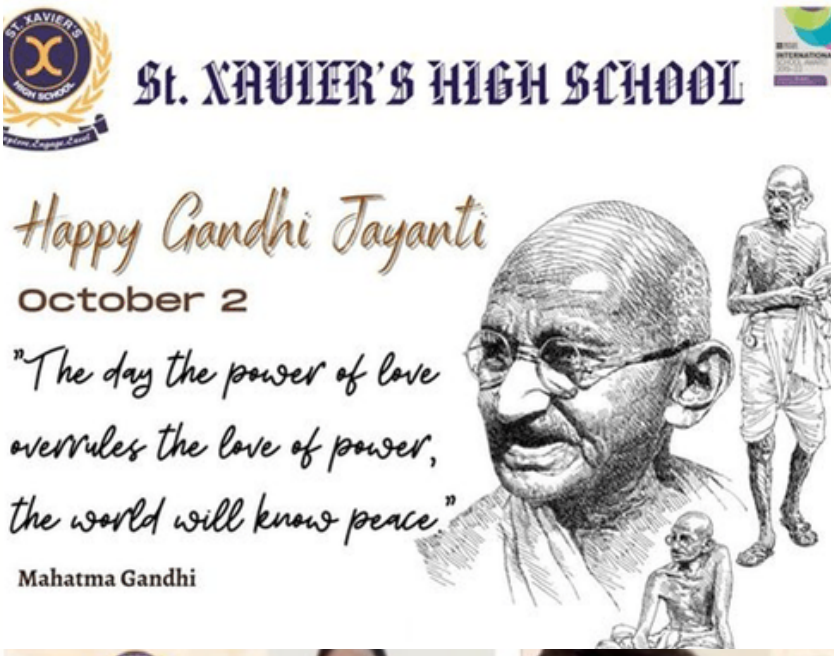

**"There are many causes that I am prepared to DIE for,
But no causes that I am prepared to KILL for"**

Peace - Non-violence - Tolerance. These are the values Mahatma Gandhi stood for. Its the occasion of 151st birthday of Mahatma Gandhi, leader of Indian Independence and pioneer of the philosophy of non-violence. Internationally, this day is celebrated as the International Day of Non-Violence as Gandhi ji was the preacher of peace, truth and non-violence. Gandhi ji is remembered not only in India but all over the world. He remains a source of inspiration for all humanity. His life-story empowers and strengthens the oundation of the nation.
Let's honour Bapu's values & struggle for a Better Bharat, Atma Nirbhar Bharat and Swacch Bharat!

"The future belongs to those who believe in the beauty of their dreams."

TOURNEY OF THE CONTEMPORARIES

Relevance of Gandhian Philosophies in 21st

If we could change ourselves, the tendencies in the world would also change. As a man changes his own nature, so does the attitude of the world change towards him"
Mahatma Gandhi is known around the world over as one of history's most inspirational figures. Throughout his life, Gandhi JI was a fearless campaigner and fighter for the rights and dignity of all people. His constant endeavours and unwavering efforts towards non-violence won over many hearts and our independence. He has forever left his mark on the world and is lovingly called "Father of the Nation ". His famous quotes have inspired and motivated hundreds of souls since their inception.
The young Xaverians of St. Xavier's High School, Sector 49, Gurugram took it upon themselves to revive all the meaningful quotes in the most unique and captivating way.

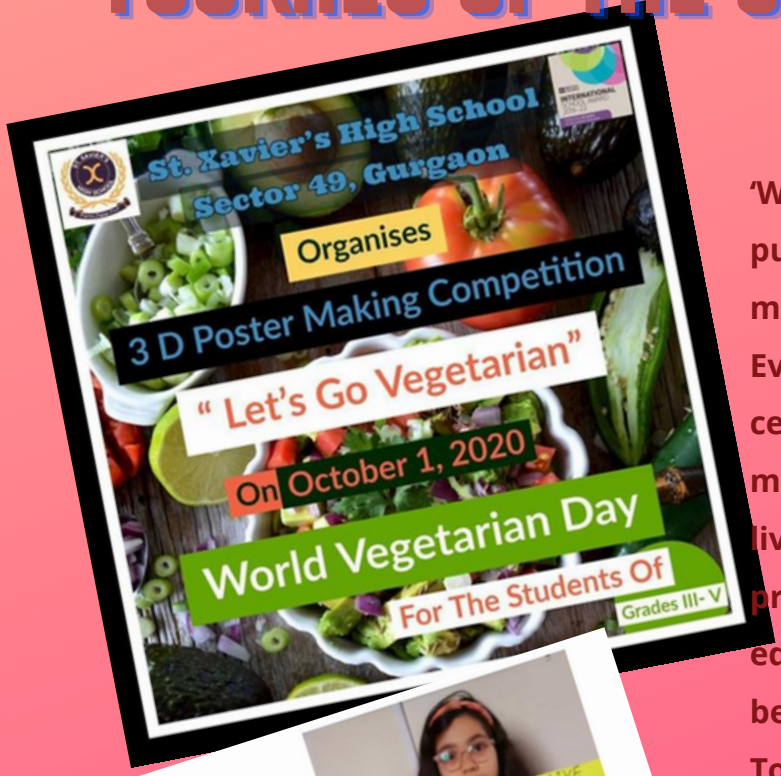

"The fundamental purpose of school is learning, not teaching"

TOURNEY OF THE CONTEMPORARIES

World Vegetarian day
3 D poster Making

'When you become more mindful of what you put in your body every time you eat, that mindfulness will seep into everything you do.'

Every 1st October, World Vegetarian Day is celebrated to encourage people to eliminate meat and animal products from their diet and live a more conscientious life. The day aims to promote the vegetarian way of life and educate people on the health and social benefits of making the move, to go meat-free.

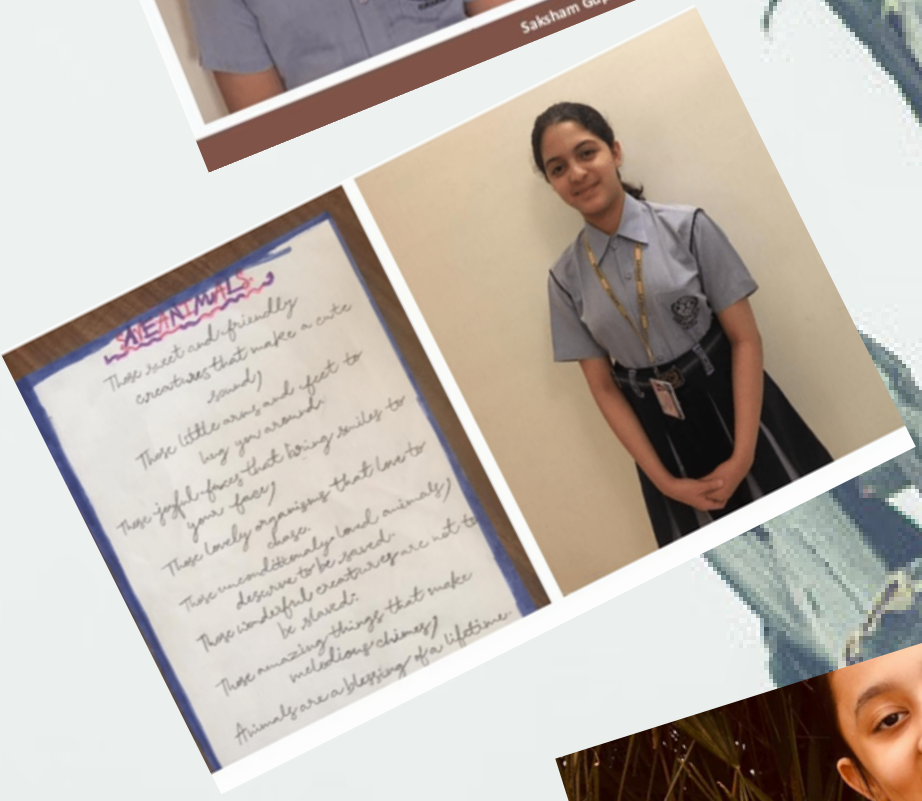

To engage and enlighten the students on the occasion of World Vegetarian Day, St. Xavier's High School, organized a 3 D Poster Making Competition for the students of grade III to V on the topic - 'Let's Go Vegetarian'.

The objective of the competition was to ignite the fire of imagination and creativity in the students. Celebrating this World Vegetarian Day, the students of St. Xavier's High School imbibed the message of Gandhiji that a vegetarian diet is one that is truly sustainable and environment friendly. The young learners displayed their artistic skills through an array of posters. Students participated in the competition with immense zeal and enthusiasm and made beautiful posters. It was a great opportunity to watch these young minds creating and displaying their ideas on paper. All involved thoroughly enjoyed.

"A room without books is like a body without a soul.."

Animal Welfare Day - English Poem Composition

"Eat

beans, not beings"

A vegetarian diet is high in fiber, vitamins, minerals and low in saturated fat. This helps to keep your blood pressure and cholesterol levels in check. To engage and enlighten the students on the same thought and on the occasion of World Vegetarian Day, a 3D Poster Making Competition was conducted for the students of III-V on the topic - 'let's Go Vegetarian.'

"Books are a uniquely portable magic.""

TOURNEY OF THE CONTEMPORARIES

Halloween day - Dress to Scare Competition

Halloween, also known as All Saints' Eve is a celebration observed in many countries on 31st October. The tradition originated with the ancient Celtic Festival of Samhain, where people light bonfires and wear costumes to ward off ghosts. In the eighth century, Pope Gregory III designated November 1 as a time to honour all saints. Soon, All Saints Day incorporated some of the traditions of Samhain. The evening before was knows as All Hallows Eve, and later was famously knowns as Halloween. Halloween activities include the age old favourite Trick-or- Treat, carving pumpkins into Jack-o-lanterns, lighting bonfires, apple bobbing, laying pranks, visiting haunted attractions and the best of all dressing up as our favourite scary characters like Dracula, Witches, Superheroes, Jack-o-lantern and of course the all time favourite Zombies.

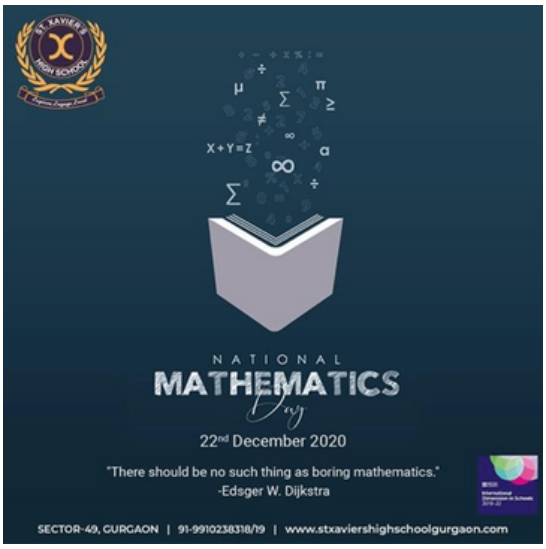

Keeping up with the tradition and the Halloween fever which already started igniting within us to look our scariest, we at St Xavier's High School, Gurugram organized scary extravaganza for our children. An interclass competition, 'Dress To Scare' on 31st October 2020, for the students of grade III To VI was conducted.

"If you don't like to read, you haven't found the right book"

TOURNEY OF THE CONTEMPORARIES

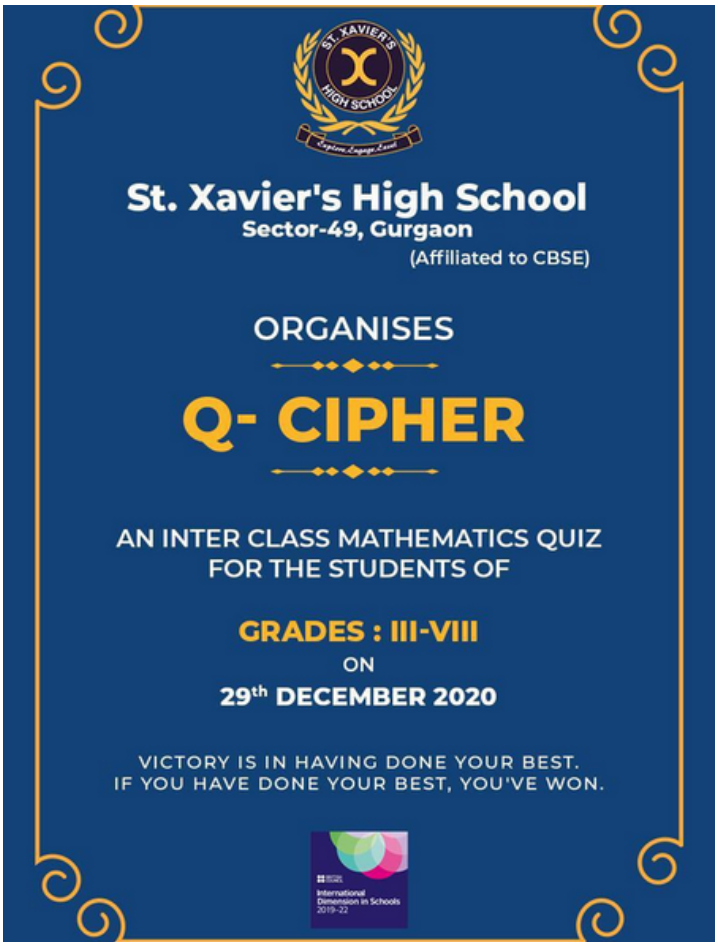

Math Quiz Competition - Q-Cipher

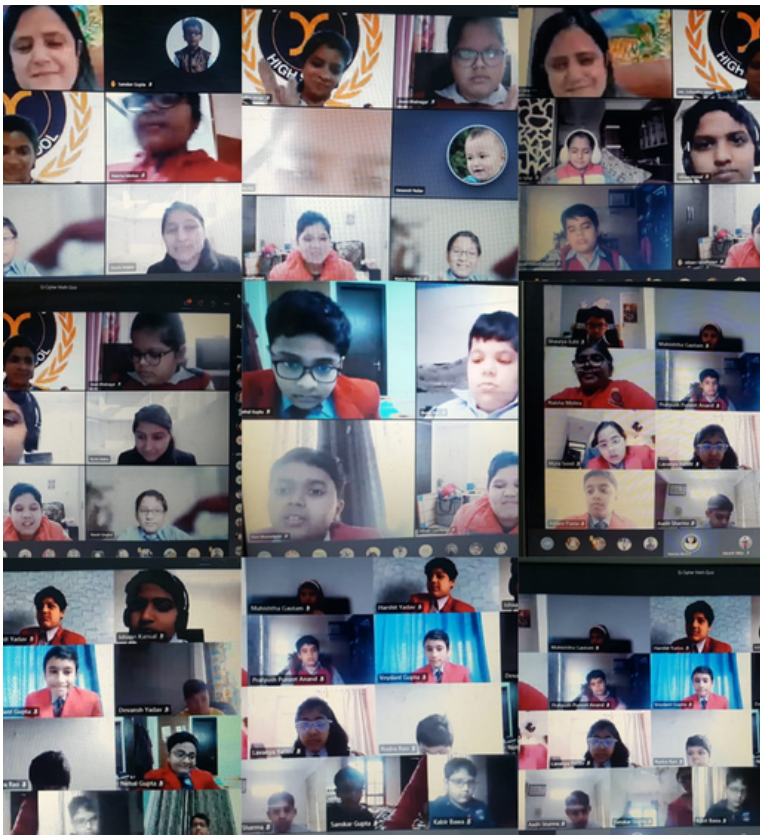

National Mathematics Day is celebrated on 22nd December every year to mark the birth anniversary of legendary mathematician, Srinivasa Ramanujan and his contributions in the development of modern mathematics. World Mathematics Day offers us an occasion to remember the tradition of excellence.

"Go down deep enough into anything and you will find Mathematics ." – Dean Schlicter

A little competition can inspire math students to greater achievement. It challenges students to use their math skills in new and creative ways. It also provides a challenging and engaging mathematical experience that is both competitive and educational. Hence, as a part of extended learning, Mathematics Quiz 'Q-Cipher' was held on December 29, 2020 for the students of grades III-VIII .

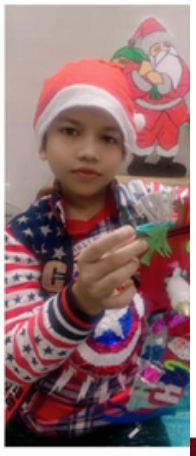

"That's the thing about books. They let you travel without moving your feet."

Design Your Own Socks Competition

A Christmas stocking is an empty sock or sock-shaped bag that is hung on Saint Nicholas Day or Christmas Eve so that Saint Nicholas can fill it with small toys, candy, fruit, coins or other small gifts when he arrives. In some Christmas stories, the contents of the Christmas stocking are the only toys the child receives at Christmas from Santa Claus. Some people even put their Christmas stocking by their bedposts so Santa Claus can fill it by the bed while they sleep. Students of grade V enthusiastically participated in cutting a decorating a sock with the material available with them.

"A book is a dream you hold in your hands."

"Keep your face to the sunshine and you cannot see a shadow."

RESONANCE FROM THE PARENTS' HEART

Dear Sukhbans Mam, as a parent I truly cannot express how grateful I m that u were Mahi s teacher. U r tremendous support, Patience, always staying behind her to help & most important is your ability to motivate her to participate in "Poetry Dramatization " interschool competition resulted in getting 3rd prize. For us position is not that important but the way u build confidence in her, when she had actually given up & not ready to participate (due to fear of failure) is really encouraging.
Thank you to Ruchi Makin Mam also for filling enthusiasm in her mind every day. Becoz of u she looks forward to join class every day.
You both worked so hard & I m sure your hard work had planted the seeds of wisdom within each child's mind. We have already seen rewards coming n I m sure we will get more fruits out of those seeds in future .
Thank you for taking out time to teach our child & for helping her to become the best that she can be.
Special Thanks to CRAFT TEACHER, for making such a beautiful puppet . Its only becoz of her super creative work , Mahi got the prize. □

Wearing A Mask Could Be A Task but Remember it can save not only your life but of many

RESONANCE FROM THE PARENTS' HEART

Great job done everyone. Kudos to all the teachers and students for their hard work...Very nicely presented and strong message given. Many Congratulations to Children and all teachers along with school management staff involved in the preparation and execution of the great Assembly..!!! Good Job. □□□□□□

Thankyou so much ma'am for all the support and opportunity...probably such kind of events are required to take away that FEAR of maths 😊 and make it a fun subject. Kids enjoyed it thoroughly.
