

## EXPLORING DIGITAL LEARNING

**ACTIVITY:** Google Forms on Grammar Topics

**DATE:** 26 August 2025

**CONDUCTED BY:** Class 4

Students of **Class 4B and 4C** celebrated *Technology Day* by engaging in an interactive activity using **Google Forms** during their Chromebook period. The activity focused on **Grammar topics**, allowing students to apply their language skills in a digital format.

This exercise not only helped students revise essential grammar concepts but also familiarized them with the use of online tools, promoting digital literacy. The activity was an excellent blend of technology and academics, making learning both effective and enjoyable.
