

## NATIONAL PETROLEUM DAY

**EVENT: Assembly on National Petroleum Day**

**DATE: 27 August 2025**

**CONDUCTED BY: Class 12C**

The students of **Class XII-C** conducted an informative and thought-provoking assembly on **National Petroleum Day**. Through their presentation, they highlighted the significant role petroleum plays in our daily lives—from transportation to industrial use—and emphasized the growing need for **sustainable energy practices**.

The session aimed to spread awareness about conserving petroleum resources and adopting alternative energy solutions for a greener future. The assembly concluded with a powerful message: **responsible usage today ensures energy security for tomorrow**.
