

CBSE Career Guidance Dashboard

We are pleased to inform you that on 07.08.2025, CBSE launched its flagship initiative—the **CBSE Career Guidance Dashboard**. This platform is designed to provide students with structured support in exploring career options and charting their academic and professional pathways.

In today's rapidly changing world, it is vital for students to be aware of the diverse career choices available to them and the skills required to pursue them. Early exposure to career guidance not only helps students align their interests and strengths with suitable opportunities but also empowers them to make informed decisions about their future. The CBSE Career Guidance Dashboard offers a comprehensive repository of resources, tools, and information that will enable students to develop a clear road map for their academic journey and beyond.

This initiative, anchored in the vision of NEP 2020, seeks to enhance the accessibility and quality of career guidance, ensuring that every child is well-prepared to meet the demands of higher education, future workplaces, and entrepreneurial ventures.

The CBSE Career Guidance Dashboard is now live at <https://cbsecareerguidance.in/>.

Steps for students to sign up:

- Click on <https://cbsecareerguidance.in/>
- Login with your registered school email ID
- Fill in essential details (Name, Email, Academic Year, Class, Subject Combination)
- Under State/UT, select Foreign Schools
- Under School Name, select Credence High School from the dropdown menu
- Create your password
- Sign up

We strongly encourage you to actively register and explore this platform. By engaging with the dashboard, students can access valuable insights into academic pathways, emerging careers, and skill-building opportunities. This will not only broaden their horizons but also help them make choices that are both ambitious and realistic, paving the way for a successful and fulfilling future.
