

TURTLE BOTS IN ACTION!

ACTIVITY: Making of Turtle Bots

DATE: 2 September 2025

CONDUCTED BY: Class 3A and 3B

The young innovators of Class 3A and 3B stepped into the world of robotics with great excitement as they created their very own **Turtle Robots** in the Atal Tinkering Lab. 🐢🤖 Through this engaging activity, students explored the basics of robotics, coding, and problem-solving in a fun and interactive way. They not only learned how technology can be used to design moving machines but also experienced the joy of building something with their own hands. The activity sparked curiosity, teamwork, and creativity—nurturing the budding scientists and engineers of tomorrow!
