WORKSHOP ON DISASTER MANAGEMENT

A Disaster Management Workshop was successfully conducted at **Shiksha Bharati Global School Sector- 8, Dwarka, New Delhi,110077** on 14-05-2025, aimed at educating students and staff on effective preparedness and response strategies in the event of natural or man-made disasters. The workshop was organized Under the guidelines of DDMA.

The session began with an informative presentation covering various types of disasters such as earthquakes, floods, fires, pandemics and airstrikes. Students learned about basic safety measures, emergency evacuation procedures, and the importance of having a disaster preparedness plan both at school and at home.

Interactive demonstrations, including a mock fire drill and first aid training, were key highlights of the event. Students actively participated in role-playing exercises to better understand real-life scenarios and how to stay calm and act wisely during emergencies.

The workshop concluded with a Q&A session, allowing students to clarify doubts and share their thoughts. Teachers and staff also received special training on how to guide students during a crisis.

Overall, the workshop was a valuable experience that enhanced awareness and preparedness, fostering a culture of safety and resilience within the school community.
