1 Read the following passage and answer the questions given below:

Last Sunday, Anya and her father visited a large zoo on a bright and sunny morning. The zoo was bustling with families who had come to enjoy a fun day out. Anya's eyes sparkled with excitement as she saw majestic giraffes gracefully stretching their long necks to nibble on the green leaves high up in the trees. Nearby, lively monkeys swung energetically from branch to branch, chattering and playing with each other. Not far away, a gentle elephant was happily munching on a bunch of ripe bananas, using its long trunk skillfully. While walking along a shaded path, Anya noticed a tiny bird sitting quietly under a bench. The little bird looked tired and unable to fly. With a gentle voice, Anya called her father's attention. Together, they carefully took the bird to the zoo's caring animal doctor, who kindly promised to help the bird get better. Anya felt proud and happy to have helped a small creature in need.
