### CIRCULAR

Dear Parents,

Greetings!

As we reach the half-way mark of the Academic Session 2025-26, it is time to reflect on our progress and learning journey for both teachers and students. The Half-Yearly Examinations are a key assessment to review our children's learning, application of concepts, and exam readiness. Regular attendance is essential at this stage, as teachers are completing the syllabus, revising important topics, and clearing doubts.

We are sharing some important dates with you to keep you in the loop. Following the completion of the syllabus, a structured revision programme will be implemented to ensure all students are well-prepared and confident for the Half-Yearly Examinations.

- **Syllabus Completion:** 22 August 2025
- **Notebook Corrections:** 27 August 2025

**The detailed Structured Revision Schedule for Classes 4 & 5 is attached with this circular for your reference.**

We request your cooperation in ensuring:

- Daily attendance of your ward during the coming weeks
- Timely completion of homework and revision tasks
- To note any academic doubts your ward may have and encourage them to bring these to the teachers during the revision classes.

Together, we can help our students approach the Half-Yearly Examinations with confidence and achieve their best.

Warm regards,

  
Principal
