

Choices for Higher Education

The first thirteen batches of students who have graduated from Shikshantar from 2013 to 2025 have pursued/ are pursuing higher education in various reputed Institutions/ Universities in India and abroad. The courses chosen by our students in the last 13 years reflect a wide range of interests from Finance and Engineering to Design, Law and Aviation. On an average, 20 to 25% of the students graduating from Shikshantar choose to study outside India each year. The pie-chart below shows the approximate percentage of students in various higher education fields.

Percentage of students in various Higher Education fields

Mentioned below is a list of some of the Institutions/ Universities along with the subjects/courses pursued by the students who have graduated from Shikshantar in the past 13 years.
