ART CLUB ACTIVITY

INTRODUCTION:

The Art Club conducted a creative and engaging activity for students of Classes VI to VIII aimed at nurturing artistic skills and encouraging self-expression. The event was held in the school art room under the guidance of the art teacher. Students participated enthusiastically, showcasing their talents through various themes like nature, festivals, and daily life. The atmosphere was filled with excitement, creativity, and vibrant colours. The activity not only provided a break from regular academics but also helped in discovering hidden talents among students.

Objectives of the Activity:

1. To enhance students' creativity and imagination.
2. To promote appreciation for visual arts.
3. To provide a platform for self-expression through drawing and painting.
4. To build confidence and teamwork among young artists.

Execution of Task:

The activity was conducted in which Students were divided by class, and they were asked to draw wall hanging, lamp making and moulding clay was used to form different art pieces. Art materials like drawing sheets, colours, and brushes were provided. Teachers supervised and assisted students while encouraging original ideas and techniques.

Feedback and Outcome:

Students expressed immense joy and excitement about participating in the activity. Teachers noticed significant improvement in their observation and presentation skills. Parents appreciated the initiative for encouraging creativity at an early age. The final artworks were displayed on school boards, giving students a sense of pride and accomplishment.
