

ITL PUBLIC SCHOOL JANMASHTAMI

ITL Candyfloss joyfully celebrated Janmashtami with its little ones through a series of beautifully designed tableaux depicting the life and leelas of Lord Krishna.

From His divine birth in the prison, to lifting the mighty Govardhan on His little finger, from playing and dancing with His friends and gopis, to vanquishing the evil Kans, and finally to the heartwarming reunion with His childhood friend Sudama — each moment was brought alive in a vibrant, child-like manner.
