He was starting to hunt for his food when he was met by a rabbit roaming alone. Instead of catching the rabbit, he let it go - "A little rabbit cannot satisfy my hunger like this", he said and scoffed. Then, a beautiful deer passed by and decided to take his chances - he ran and ran after the deer but since he was weak due to hunger, he struggled to keep up with the deer's speed. Exhausted and defeated, the lion went back for a while in search of the hare to feed his stomach, but he left. The lion was sad and remained hungry for a long time. Moral of the Story - Greed is never a good thing.</p></div>
