Morning Affirmation I am blessed, I am happy I am kind, I am a giver I am smart, I can do anything I love myself the way I am Story : The Honest Woodcutter Once there was a poor woodcutter who was cutting wood near a river. By mistake, his axe fell into the water. He sat there sadly, as he couldn't afford a new one. Just then, a fairy appeared. She dived into the river and came back with a golden axe. The woodcutter said, "That's not mine." Then she brought a silver axe, and he again said, "No, that's not mine." Finally, she brought his old iron axe, and he happily said, "Yes, that's mine!" The fairy was pleased with his honesty and gave him all three axes as a reward. Moral: Honesty is always rewarded.
