

CELEBRATE GREEN, CELEBRATE CLEAN!

ACTIVITY: Poster Making on ‘Eco-Friendly Diwali’

DATE: 13 October 2025

CONDUCTED BY: Class 8 Eco Club

As part of the **Eco Club initiative**, students of **Class 8** enthusiastically participated in a creative poster-making activity on the theme “**Eco-friendly Diwali.**” The activity aimed to spread awareness about celebrating Diwali responsibly while protecting the environment. Students expressed their ideas beautifully through colorful and meaningful posters that highlighted the importance of reducing pollution, avoiding crackers, and choosing sustainable ways to celebrate. The activity not only showcased their artistic skills but also encouraged them to become conscious citizens who care for nature and promote a greener, cleaner Diwali.
