

DIGITAL SAFETY BEGINS WITH YOU!

EVENT: Cyber Security Awareness Session

DATE: 14 October 2025

CONDUCTED FOR: Class 3

A **Cyber Security Awareness Session** was conducted for the students of **Classes 3A, 3B, and 3C**, focusing on the importance of staying safe online. Through engaging discussions and interactive examples, students learnt about **safe online practices**, the need to **protect personal information**, and ways to **identify phishing attempts**. They also discussed the importance of maintaining **responsible digital behaviour** while using the internet. The session helped students understand how to navigate the digital world wisely and confidently, making them more mindful and responsible digital citizens.
