

GRAMMAR GETS INTERACTIVE!

ACTIVITY: Exploring विशेषण through Video Learning!

DATE: 14 October 2025

CONDUCTED BY: Class 4A

Students of **Class 4A** enthusiastically participated in a **video-based grammar activity** during their **Chromebook period** on the topic “**विशेषण**” (**Adjectives**). The interactive session allowed them to identify and understand different types of adjectives through engaging visuals and examples. Learners actively answered questions and were excited to view their **performance and scores displayed on the Specktron screen**, making the learning experience both fun and result-oriented. The activity helped strengthen their grammar concepts while fostering digital learning skills in an enjoyable way.
