

## MY FAVOURITE CREATURE

**ACTIVITY: Show and Tell**

**DATE: 15 October 2025**

**CONDUCTED BY: PreSchool**

Our little explorers of Preschool had a delightful session of **Show and Tell** on the theme: *“Cuddly, Crawly, Furry or Feathery — Every Animal Is Special to Me!”* 🐾

Children enthusiastically shared their favourite animals using **toys, pictures, and props**, expressing what makes each animal special. Through this interactive activity, they not only **enhanced their speaking and presentation skills** but also learned to **listen, observe, and appreciate the diversity of animals**. The classroom was filled with **laughter, curiosity, and learning**, making it a memorable and joyful experience for everyone involved.
