We are sharing a timely resource explaining the **UK Government's recent changes** to the **post-study stayback period** for international students.

Key update:

- Effective **1 January 2027**, the **Graduate Route stayback period** will be reduced from **2 years to 18 months**.
- The resource also covers links to **eligibility criteria**, including **visa types** and **recognised institutions**.

This information is especially relevant for students **planning higher education in the UK**, helping them make informed decisions about study and post-study work options.
