DATE: July 14, 2025

VENUE: ITL Public School, Sector 9, Dwarka

ORGANIZED BY: Environment Council

STUDENTS INVOLVED: Students from Grades I-XII of ITL Public School

"Trees are the earth's endless effort to speak to the listening heaven." – Rabindranath Tagore

ITL Public School Champions Environmental Stewardship with "Ek Ped Maa Ke Naam2.O" Campaign!

On July 14, 2025, the students, administration, and staff of ITL Public School came together to celebrate Van Mahotsav with great enthusiasm. The event reflected a shared commitment to nurturing a greener, healthier, and more sustainable future for all. It aimed to encourage the expansion of green spaces and address pressing environmental challenges such as rising heatwaves and global warming.

With spirited participation, a variety of indigenous trees—including Neem, Peepal, Jamun, Arjun, and Amaltas—were planted across the school campus, nearby residential areas, and local parks. The plantation drive was led by the school's Principal, Dr. Sudha Acharya, along with teachers Dr. Vaishali Mishra, Mr. Pradeep, Ms. Shikha Sikka, Ms. Ritu Sharma, and Ms. Sumanna Goswami, who set a strong example of environmental stewardship.

Students took an active role in planting trees, transforming the occasion into an engaging and educational experience. Their hands-on involvement not only enriched their understanding of nature but also created lasting memories tied to a sense of responsibility toward the planet.

The event concluded with a collective pledge by all participants to adopt sustainable living practices, protect the environment, and contribute meaningfully to global ecological well-being. Together, the ITL Public School community reaffirmed its dedication to cultivating a greener and healthier planet for future generations.
