

Capacity Building Workshop Designing Competency-Based Test Items in collaboration with Azim Premji University

DATE : **14-16 Oct 2025**

VENUE : **ITL Public School**

ORGANISED BY : **CBSE & Azim Premji University, Bangalore**

ATTENDED BY : **65 teachers of Sankalp Sahodaya (South West Delhi Chap)**

A Three-Day CBSE SANKALP SAHODAYA Capacity Building Workshop on Designing Competency-Based Test Items in collaboration with Azim Premji University was held from 14th to 16th October 2025 at ITL Public School. The erudite resource persons — Ms. Anupama Raj, Ms. Ronita Sharma, and Ms. Shilpi Banerjee — enlightened more than 65 participating teachers through elaborate and comprehensive sessions on framing MCQs based on Bloom's Taxonomy.

The three day long sessions covered a wide range of topics — from Aims of Education, Learning Standards, and Curriculum Goals to Validity and Reliability of Test Items, Cognitive Processes, and Constructed Response Questions. The discussions also focused on developing competencies and 21st-century skills in alignment with NEP 2020. Indeed, the three-day workshop proved to be an enriching experience that enhanced teachers' understanding and skills in designing effective competency-based assessments.
