Morning Affirmation I am blessed, I am happy I am kind, I am a giver I am smart, I can do anything I love myself the way I am Story : The Lion and the Clever Rabbit Once upon a time, there was a cruel lion who lived in the forest. Every day, he hunted many animals. All the animals were scared and decided to talk to the lion. They said, “Oh King! If you promise not to kill us all, we will send one animal to you every day for your meal.” The lion agreed. Each day, one animal went to the lion. One day, it was the rabbit’s turn. The rabbit was very clever. He took his time and reached the lion’s den late. The lion roared angrily, “Why are you late?” The rabbit bowed and said, “Oh King, another lion stopped me on the way. He said he is the real king of the forest!” The lion was furious. “Show me where he is!” he shouted. The rabbit led him to a deep well and said, “He lives inside this well.” The lion looked into the well and saw his own reflection in the water. Thinking it was another lion, he jumped in — and never came out again. The animals were free and happy once more! Moral: Wisdom is stronger than strength. <u>MATHEMATICS</u> Subtraction Facts (in the notebook) Subtraction Facts Q.
