

Shiksha Bharati Global School

Workshop On Road Safety

Date: 3rd May 2025

Day: Saturday

Venue: School Auditorium

Today, a Road Safety Awareness Program was conducted by the students of Class 4, in which class 1 and 2 actively participated.

The students presented important road safety rules through poem, skit, and posters. They explained the meaning of traffic signals, the importance of using zebra crossings, and wearing seat belts and helmets. The audience listened attentively and enjoyed the activities.

Students of Class 1 and 2 engaged by asking questions and sharing what they learned. The Headmistress appreciated the efforts of the students and teachers for organizing such an informative session.

Overall, the program was a success, and the young students understood the importance of road safety.
